October 10, 2017

The Canadian Lions family has a long legacy of being committed to programs that serve our communities. One of the most successful and far-reaching programs is Lions of BC Hearing program. Since our inception we have helped thousands of people in our communities.

To continue this great work, Lions of BC Hearing Conservation Society needs the commitment and support of Lions and Leo Clubs.

Last year we provided 106 hearing aids to clients that could not afford them however we can do more.

This Lions year, the goal is to increase our donations and the number of hearing aids we provide. **"Imagine The Impact"** when every club made an annual commitment to present **"One Meade Sutherland Fellowship"** - \$500 to honour a Lion member in your club. **Imagine** the seniors who will be able to talk to their grandkids with the new hearing aids.

Thanks to the clubs who have already contributed this year. Please bring this message to your next meeting and consider your club's donation to one of our own valuable programs.

Every Club is requested to get involved. Please send your donations directly to Lions of BC Hearing Conservation Society, Lion Bob Jones at 6476 Reid Road, Chilliwack, BC V2R 1T9.

If you have any questions about the Hearing program, contact me at (604) 853-1304 or governor.gahir@gmail.com.

Please thank all your Lions members on my behalf for providing this great service to your community.

Yours in Lionism,

A handwritten signature in cursive script that reads "Surinder Gahir".

Surinder Gahir PCC,
President
