

Multiple District 19-Zone O so sweet Burlington Lions Club

23-24 Club Officers, thank you Lions for stepping up. Immediate past president Dave Edson, thank you for a great year. Your leadership & dedication will be a hard act to follow. Incoming president Travis Walkup, thank you. We will join you in making your year a gigantic success. Be sure & ask for help, advice, ideas. Your club is here for you.

Welcome Burlington Lions to our 23-24 Lions Year. We began our year of service by helping at Camp Horizon on July 12th. Washing dishes, mopping floors, serving campers, slicing vegetables. It was a normal day at Camp Horizon. Camp staff are always short-handed and with our help & other clubs too, we make life a little more manageable for campers & cooking staff.

Club picnic 8/1/ held at Patty & Rock Whites home was so marvelous. The food, WOW. District Governor Joel Hagen inducted 9 new members. I hope to write about our new members during the year.

We ended June 2022-23 with our largest soccer tournament for the year. 330 teams crashed into town. Representing thousands of parents, grandparents, coaches, and friends. You, fellow Lions were prepared for this tournament. 3 long days. We wrapped up by installing officers, cooking at the museum of flight fly-in, cooking at Burlington's annual fireworks the park, served concessions at the Eagles Club music fest. June 23-25th our soccer concession orders were 979 burger, hot dogs 346, French fries 406. Gross income was reported at \$18,562.00. I must acknowledge Lions Ed Bechtel, Alan & Terri Heyntsen, Kate Carter, Dave Edson. Hours, hours & hours were donated by these dedicated Lions. Lion Darren Ball has established a computer readout that is so valuable for planning. Thank you, Darren.
