District Governor's Message

The New Year is here, I hope you all had a great holiday.

Now that we are back into Lionism there are many new projects out there to take part in in your communities. Remember to put them in the

News Letter and on our MD 19 H web page. I would also like to remind you donate to all of the Lions charities (LCIF, CARE, Sight and Hearing). I would like to see our District 100%. We are in the plus on membership, keep up the good work.

This is the time of year that the Zone Chairs should have their replacements. I would like to thank H-7's Jack Peebles for putting his name forward.

Our MD 19H conference is just around the corner and we need the support of all our clubs and Lions members. So come and get **FIRED UP WITH THE PRIDE!**

LIONS FOUNDATION OF CANADA DOG GUIDES

What an incredible way to start off the year. Thanks to the support of many, donations to the Autism Assistance program (by the December 31st deadline) exceeded \$40,000! With special thanks to the generous gift of an anonymous donor, \$40,000 will be matched!

These gifts were immediately put towards the training of special Dog Guides to assist children on the autism spectrum, as well as their families. More children will receive a life-changing Dog Guide this year, providing them with increased safety, independence and unconditional love.

If you would like to sponsor an Autism Assistance Dog Guide or donate to LFC Dog Guides, please visit: <https://dogguides.com/donate.html>
