The Northwest Washington Fair initiated a new expanded schedule this year and kept Lions from H1 busy for ten days. Our zone clubs came together to help each other with much needed manpower. Lynden Lions parked cars and had help from Ferndale, Harborview, and Fairhaven Lions. Bellingham Central also recruited help from other clubs to help with those long twelve hour days providing wheelchair and stroller rentals. It was awesome seeing how our clubs can work together. Thank you to all our volunteers, we couldn't do it without you!!!

PZC Ferndale Lion Harvey Unruh and Ferndale Lion Kathy Chasteen were a couple of the many Volunteers from our Zone 1 Clubs who helped park cars at the Fairway Shopping Center during the Fair.

Bellingham Harborview Lions Picnic Honored Two Special Lions.

Congratulations to Lion Lynn Evich who was honored with the Melvin Jones Award.

Lion Lynn, who is legally blind hand sewed and gave away since December more then 360 potholders.

Lion Steve Carroll was awarded the Gordon F. Smith "CARE" award for his outstanding service in the "Out of the Darkness Walk".

Lion Steve hopes these walks will draw the much needed attention to the issues of suicide and how it has touched 1 out of every 5 American families.

L to R: Lion Steve Carroll, President Lynn Vaughn, and Lion Lynn Evich.

Bellingham Fairhaven Lions Inducted Two New Lions - President Vicki Haggen sponsored two new Lions, Lance and Jeanette Van Merlin. It was my pleasure as Zone Chairman to induct them into the world of Lionism and the Fairhaven Club. Congratulations to all. **L to R:** President Vicki, Lance, Jeanette, ZC Galen.

Lynden Lions Club Is Adding a Toy Show To Its 36th Annual Model Train Show -

Ladies and Gentlemen, Boys and Girls... This year will be the Model Train & Toy Show's first year as the combined show. In years past, the Toy Show was a separate show held earlier in the year under its own sponsorship. Unfortunately, that show was a casualty of the pandemic and did not survive into the 2021 season. The good news is the Lynden Lions Model Train Show has picked up the pieces and will include a Toy Show.

The Show is held on the Northwest Washington Fairgrounds in the Jansen Building (that's the big red building at the west side of the fairgrounds) on the first weekend in October (1st & 2nd this year). There will be numerous model trail layouts to see and watch in operation, vendors, artwork, food and possibly a ride or two.

Bring your kids, grandkids, great-grandkids or just yourself... it's FUN for all ages!
