District Governor's Visit

District Governor Steven joined us for our September 12th meeting. His informative talk touched on membership, of course, as well as his two favorite Lions Charities – LCIF and Lions Foundation of Canada – Dog Guides. He promoted both organizations not only for their impact on others but also as tools we might use to increase membership. Particularly when selling the Dog Guide Puppy calendars which we will be doing this fall. Following his presentation President Fraser presented him with a donation in his name to LCIF. After dinner was a more formal affair with lively conversation. District Governor Steve you are welcome any time!

REMEMBERING

Queen Elizabeth II 1926-2022

The longest reigning monarch in British history and for many of us the only monarch we have ever known. Thrust into her role with the abdication of her uncle Edward VIII she rose to the occasion at a very young age and lived up to the pledge she made on her 21st birthday to live a life of service “whether that be short or long”.

I am sure many of you like myself have been following all the preparations for her state funeral and may have even risen at 2:00AM to watch on television. (Full disclosure here, I did not get up at 2:00AM but at a more reasonable hour).

We have witnessed the end of an era and the beginning of a new one.

Danny West

Danny West was a friend to many of us and one of our valued volunteers. Perhaps Lion Louisa said it best: - “Friend to N.W. Lions, skilled and generous volunteer. He always did what it takes with a perpetual smile on his face. Danny approached every project & person he encountered with optimism & cheer. He made us better Lions by example and left a ripple of laughter in his wake.”

What you leave behind is not what is engraved on stone monuments, but what is woven into the lives of others.

DID YOU KNOW?

How many fans of KD, the staple in many cupboards and a staple for any college and university students, do we know? More than one I bet. Did you know that Kraft Dinner is a Canadian invention? Well, it is! It was invented by Ontario native James Earl Kraft in 1916. And, research shows that we Canadians consume 55% more KD than our American cousins. ~ From The Province Food Editor, Rita DeMontis~
