

SEDRO-WOOLLEY LIONS NEWSLETTER

August 30, 2022

Hello fellow LIONS!

Time is passing by quickly for all of us. School starts in a few days and we will all be very busy. Our second bench has arrived and soon it will be seen along the Cascade Trail and Metcalf St. Cement is being poured soon. Thank you Lion Tony and Lion Marc!
We sorted 541 glasses and 32 cases at Lion Gus' home. They have been given to ZC Carolyn O'Dell to give to LERC. Thank you everyone who helped!

Just a reminder that there will not be a meeting on September 5th as it is a holiday. We will meet next on September 19th back at Cascade Pizza and I will have the new vests there for those who have been waiting.

In the meantime, Lion Donaldda, Lion Anne and Lion Carol are working on a fall project or two in our community that will raise money for Prevention of Diabetes. We hope to have more information for you soon.

Bloodworks Northwest sent us an invitation to participate in blood donation at the Catholic Church on Ferry Street. If anyone is interested I will forward the e-mail to you. The dates are Sept. 22, 23 9-4 and Nov. 28 10-5. Scheduling an appointment is necessary and there is a link in the e-mail to do this.

Did you know??

At the end of our inaugural year 1937 we had 29 members. In August, 1938 the Sedro-Woolley Lions beat the Bellingham Lions in a softball game 18-10. And in February, 1939 the Sedro-Woolley Lions and the Sedro-Woolley Rotary sponsored the Harlem Globe Trotters in a game against the Concrete Town team as a fund raiser. What a night that was!

Respectfully,
YIL Lion Carol Torset, Secretary
