My Fellow Lions! Welcome to a new and exciting year with Lions! I am Lion Carol Torset from Sedro-Woolley Lions Club and I have been elected as your Zone Chair for this year. I am really excited and looking forward to serving with each club. I want to express my thanks to all of you for stepping up to the leadership roles that you have taken on in your club. There may be difficult times but I wish you all the very best year ever.

My role as Zone Chair is to be of assistance to your club and your officers. NO, I will not be entering your service activities but I would like to promote any projects you have planned, volunteer with you on them, and publicize them through MD19's communications and to clubs in our zone. I will also share any projects with the public in our communities as appropriate. If you have a flyer just send it my way and I will get it out also. My role also includes sharing information from MD19 and LCI to each club. I will be encouraging each club to put energy into finding new members, creating a mentorship for the new member and helping them learn about Lions locally and internationally. I will also be sharing and encouraging learning opportunities for Lions along the way. If your club is having issues or problems and you feel you are not meeting members' needs, I am there to help you find a way to improve or do things differently and so is the District Governor. We are here to listen not judge.

Now that you know what my role is, I am planning our first Zone meeting on September 18th at 9:30 – 10:30 AM at Sedro-Woolley Library. Please confirm that you are able to attend. The focus will be Service Activities and I will try to make it fun for all with surprises! Watch for the August newsletter for more information.

"Yes we can together" Carol Torset, Zone Chair
