## Opportunities for Youth Contests & more!

## January 15 Midwinter Conference at Lubbock

We're at the halfway point of our Lions year...and that means it's time for our Jan. 15 Midwinter Conference at South Plains Church of Christ, 6802 Elkhart Avenue, in Lubbock.

"The Midwinter Conference gives us an opportunity to conduct our Opportunities for Youth contests, examine our progress toward District goals, and visit with Lions friends," said District 2-T2 Governor Ron Miller of Plainview.

Lubbock Hub and Lubbock South Plains Lions Clubs are hosting the event.

Registration begins at 9:00 a.m. (coffee, juice, and donuts) and the Midwinter Conference begins at 9:30 a.m.

Opportunities for Youth Contests also begin at 9:00 a.m.

Past International Director Marshall Cooper of Lubbock will

entertain the group with a few stories about "Boudreau" and life down on the bayou.

Other special guests will include a group of former campers who attended Texas Lions Camp at Kerrville.

Updates on club membership and activities will be given by Region and Zone Chairs.

The complete agenda for the meeting is on Page Five of this newsletter.

Winners of the District 2-T2 Opportunities for Youth Contests will share their entries during lunch.

Lunch will be served by River Smith's Catering at a cost of \$18 per person.

**Please RSVP by Monday, January 10, 2021 to PDG Vance Gipson. He can be reached at (806) 783-8692 or by email [vandmgipson@nts-online.net](mailto:vandmgipson@nts-online.net)**

We hope that your club will be represented at the District 2-T2 Midwinter Conference.

See you Saturday, January 15 at the South Plains Church of Christ in Lubbock!

## *LCIF assists tornado victims*

As we go to press with this issue of *The Windmill*, our thoughts and prayers are with those impacted by the series of tornadoes that occurred Dec. 10-11 in Arkansas, Illinois, Kentucky, Mississippi, Missouri, and Tennessee.

The hardest hit area was Mayfield, Kentucky. Kentucky Governor Andy Beshear said in a TV interview that "we have entire towns flattened."

According to a Dec. 12 Facebook

post, Lions Clubs International Foundation (LCIF) is currently mobilizing relief funds for use by Lions Clubs in those states to provide assistance following this natural disaster.

Founded in 1968, LCIF "empowers Lions, volunteers, and partners to improve health and well-being, strengthen communities, and support those in need through humanitarian services and grants."

## From The District Governor :

# Community service showcased during visits

Welcome to 2022! Here's hoping that each of you had a Merry Christmas and A Happy New Year!

I have had a great time visiting the Lions Clubs in District 2-T2! I've been able to attend a rodeo, ride in a couple of parades, been involved in an indoor snowball fight (that may get your attention), participated in a live Facebook gun raffle, and participated in other Lion

Club projects and raffles.

I have 14 club visits left that I will set up to occur during January and February. Each of your clubs are unique and serve their community. It doesn't matter if there are only 3 members or 261 members, you have shown that where there is a need, there is a Lion!

It was great to see that the Snyder Lions are taking on projects that other civic clubs once sponsored before they disbanded. Our communities enjoy these projects and miss them when they aren't being held.

We have been challenged by District 2-T1 to a membership contest. They have added 74 members while we have added 38 members. This information includes the number of members each of the Districts have lost since July 1st.

District 2-T1 has a 28 total member lead on us at the time this article was written. They have 1,108 members to our 1,080 members. We still have plenty of time to surpass their total membership. Think out of the box to find ways to increase membership and retain our current members.

Our Midwinter Conference will be held on Saturday, January 15, 2022, at the South Plains Church of Christ located in Lubbock. I am in the process of trying to locate those individuals who have worked at or attended Texas Lions Camp for part of our program at the Midwinter Conference. You are also in for a real treat if you have never heard the stories of Boudreau. Our own PID Marshall Cooper possesses the unique knack for storytelling. I guarantee that you won't be disappointed.

Our District Convention will be held in Plainview on April 30, 2022. We are finishing the final plans on having it at College Heights Baptist Church where we had our Second Cabinet meeting. The parking is great and you will not have to walk as far as if it was held at Wayland Baptist University which is across the street. I am also working on plans for the Saturday evening events to begin earlier in the afternoon to give everyone a chance to get home earlier that day.

It has been great to see the Texas Lions Camp advertise for individuals

to help with the upcoming camp activities. This means they are getting the construction projects on the way to completion before the first of June. Please continue to search for students in your communities that will benefit from attending our Texas Lions Camp. Please don't forget about asking Beverly Ham or Joe Freeman to come visit your club and make a presentation on Texas Lions Camp.

Please make plans for your Lions Club to participate in the next Camp Bark & Brew to be held on Sunday, April 24, 2022. Yes, there is another one this year! This is our only District-wide project where all of us can get together and serve our fellow community members.

**Until next time: "We Serve!"**

**To Join Your Club Today!**

## Hungry for Lions knowledge?

# Diners receive the tips at new GMA Cafe

With the formal opening of the MD-2 GMA Café on Nov. 30, all Lions of Texas, including us in District 2-T2, now have a unique opportunity to participate in this smorgasbord offering an abundance of membership, leadership and service tips that we can take back to our own clubs as well as the district in general.

And all it costs is the time it takes to fire up your computer or other internet-enabled device such as a tablet or smart phone and log-in.

If you miss the monthly Zoom meeting, you can always get a sampling of what was on that evening's menu via YouTube.

The GMA Café – those initials stand for Global Membership Approach which has evolved from the North American Membership Initiative – is open to Lions throughout Texas as well as GAT Area 1A.

As our MD-2 GMA Champion Chris Gunstream explains, “The great thing about the MD-2 GMA Café is that you can drop in at any time and leave at any time.

This is like any other café, it is open to everyone and you can come and go as you please.”

Just as the Global Membership Approach evolved from NoAMI, the GMA Café has replaced our monthly NoAMI Champions Zoom meetings which were held on the last Tuesday of each month.

While the NoAMI sessions were open to District Governors, First and Second Vice District Governors, Lions International Family and

NoAMI District Champions, the GMA Café is open to all Lions.

The live GMA Café Zoom meetings begin at 6 p.m. on the last Tuesday of each month and generally last for about 60 minutes.

Our first GMA Café session attracted about 25 participants and featured PID Jerome Thompson as special guest along with MD-2's own ID Ernesto “TJ” Tijerina of San Antonio and PID Joe Al Picone of Brenham. And over the course of just over an hour, we were able to cover a wide gamut of topics driven by the interests and concerns of the participants themselves. It truly was a free flow of ideas between Texas Lions representing clubs both large and small.

If you missed the MD-2 GMA Café in November, here's the link to the new MD-2 GMA Café YouTube Playlist: <https://tinyurl.com/2p8bk4nw>

Our next visit is scheduled for 6-7 p.m. Tuesday, Jan. 25, 2022. Our special guest will be Lions Clubs International 1st Vice President Brian Sheehan.

The meeting invitation and link are sent by MD-2 GMA Champion PDG Chris Gunstream at the beginning and middle of each month. For additional information and resources, visit the GMA resource page at [www.texaslions.org](http://www.texaslions.org).

Another great source for worthwhile information about Lionism is the Texas Tuesday Connections.

As in the case of the MD-2 GMA Café, there is no fee to participate, and no registration required. All you need to do is log-in.

The Texas Tuesday Connections is a product of the North American Membership Initiative. The MD-2 GAT began the Texas Tuesday Connections series in April 2021 and because of its popularity and

obvious value, the MD-2 GAT made the decision to continue the programs through the 2021-2022 Lions Year.

Already there are nearly seven months of Texas Tuesday Connections online and posted on the TexasLions.org website. Just click on the Programs Tab and you'll see that the Texas Tuesday Connections is first on the list.

From there you can access all the previous programs.

Among the numerous topics include Being an Effective Zone Chair, Club Goal Setting, Community Needs Assessment, New Member Orientation, Using MyLion, Responsibility of a New Member Sponsor, History and Role of an Effective Tail Twister, District Chaplains, Social Media Platforms, Kid Sight II, Peace Poster, Member Satisfaction, Rebuilding and Reactivating Clubs, Mentorship Program and Engagement, Public Relations, Motivation through Recognition, Using Service to Drive Membership and much, much more.

Although the Texas Tuesday Connections took a short hiatus at the end of 2021 to conduct a SWOT analysis on the program, and then to develop a new infrastructure, goals, guidelines and so forth, the series is scheduled to relaunch Tuesday, Jan. 18, 2022. And speaking from experience, it's well worth an hour a week to devote to this particularly worthwhile Zoom meeting.

I encourage you to be on the lookout for updates to your MD-2 Texas Tuesday Connections, and spend some time viewing previous programs.

Switching subjects, now is the time to submit your application for the April 2-4, 2022, ELLI session in Austin, Texas.

ELLI stands for Emerging Lions Leadership Institute.

# What do Lions do? WE SERVE our communities!!

Here are some recent service projects conducted by District 2-T2 Lions Clubs.

■ **Floydada Lions Club** delivered 112 pairs of used eyeglasses for the Texas Lions Eyeglass Recycling Center to DG Ron Miller during his official visit to the club on Nov. 9. That event drew press coverage via the Floyd County Record online newspaper.

■ The newly organized **Idalou Leo Club** on Nov. 17 decorated the Idalou ISD Cafeteria for upcoming Thanksgiving lunch activities. Leos also packed goodie bags and collected blankets for the Idalou Meals on Wheels program for pre-Thanksgiving delivery.

■ The **Jayton (Kent County) Lions Club** distributed cookies and hot chocolate on Dec. 1 both before and after the community's annual Winterfest Parade. On Nov. 22, the club honored Jayton Students of the Month Alana Croft and Caleb Chisum.

## ELLI can provide leadership skills for future local Lions Club officers

### Continued From Page Three

It's a training session for those who have not yet achieved the position of Club President. It is designed to provide skills that will help those Lions lead their clubs in the future.

ELLI graduates are expected to pursue additional leadership roles and responsibilities in their respective clubs; serve as a leadership resource in their respective clubs; and share their institute experiences with members of their club and encourage other qualified Lions to apply to future ELLI Institutes.

The deadline for applications is Feb. 11, 2022, so it's important to act fast.

There is a non-returnable \$150 participation fee which covers the hotel (with an Institute-assigned roommate) and meals during the Institute. Your application must be signed by your club president, our District Governor and GLT District Coordinator Second VDG Chris Edwards.

Here's a link to the ELLI application and additional information: <https://texaslions.org/wp-content/uploads/2021/12/elli-Austin2022.pdf>

One last thing: Our next Lions Clubs International Membership Drive will start Jan. 1, 2022, and run through March 31, 2022.

My home club already is planning a special membership recruitment event for January when each club member is being encouraged to bring at least one visitor to our weekly meetings.

Hopefully other clubs throughout District 2-T2 are doing the same.

Lions serve ... and with more Lions brought into our pride, just think of how much more service our clubs can provide to their communities throughout the New Year and beyond.

■ **Lubbock Lions Club** collected items for the Hygiene Closet at Lubbock IMPACT. On Nov. 19, club members assisted the Salvation Army with preparing turkeys for Thanksgiving. The club judged entries in its annual Drug Poster Contest. It will announce and honor countywide winners on Dec. 7. The club also collected gifts for the Texas Girls & Boys Ranch "Angel Wishes" Christmas Project.

■ **Lubbock Hub Lions Club** gathered items and took them to a local recycling center. A club member also assisted a cancer patient by running errands during the month.

■ **Lubbock Redbud Lions Club** voted to expand their humanitarian gifts to the following: U Can Share (South Plains Food Bank), \$3,000; Texas Girls & Boys Ranch, \$2,000; Salvation Army, \$1,500; Children Protective Services – Angel Tree, \$250; Santa Cops (police and kids shopping), \$1,000; and Wrench It Forward (car repairs for indigents), \$500.

## *Tell the Lions story by reporting service activities*

### From Lions Clubs International

For our clubs, reporting service is the final step in our service journey. Reporting service can be a point of pride that can be celebrated.

It also creates a database of the great projects done in a given community. Plus, clubs that report service become eligible for service awards and other forms of recognition.

Reporting service helps:

- Accurately measure our global impact.
- Helps identify the best ways to work together.

▪ Brings attention to the great work provided by Lions.

▪ Ensures that a club's service is supported in the best way possible.

▪ Helps transfer knowledge and best practices to your club's future leaders. They can review past service activity reports, learn from the successes of previous club activities, and better plan for the future.

▪ Boosts local pride in your club. It puts your club on the map as leaders in your local community and it is an important way to share success with other clubs in your District and around the World.

A high percentage of clubs reporting service activities is a sign of a healthy District.

Lions Clubs International has a number of archived training webinars on Vimeo that discuss why and how to report your club's service. Check them out today at [vimeo.com/showcase/digital-products](https://vimeo.com/showcase/digital-products)

Your club's service to others shouldn't be a well-kept secret -- be sure to report this information each month to Lions Clubs International and District 2-T2. We'd love to share this in *The Windmill*!
