## LCIF approves grant funding

Lions Clubs International Foundation (LCIF) approved matching grant funds of \$11,460 to support vision screening efforts of the Lamesa Centennial, Roby, and Snyder Lions Clubs.

The clubs asked LCIF for partial funding to purchase three Welch-Allyn SPOT vision screeners and cases.

Approximately four independent school districts and five communities would be served by purchase of the vision screening equipment.

"I take this opportunity to congratulate IPDG Vance Gipson and your fellow District 2-T2 Lions for efforts on behalf of those in need in your communities," said IPIP Naresh Aggarwal, LCIF Chairman.

## Soar on over to Slaton!

*Texas Air Museum site of Oct. 13 meeting*

The Slaton, Post, and Snyder Lions Clubs are hosts for the second District 2-T2 Lions' meeting on Saturday, October 13 at the Texas Air Museum, 12102 FM 400, in Slaton.

District Governor Terry Hawkins extends a special invitation to all District 2-T2 Lions to attend the meeting.

The complete agenda for the meeting may be found on Page 5 of this newsletter.

"You'll want to attend this meeting to get the latest information on the 1st annual District 2-T2 Camp Bark and Brew project set for March 23, 2019. We'll also share information from the USA/Canada Lions Leadership Forum held Sept. 20-22 in Columbus, Ohio.

"PID Marshall Cooper will also tell us about a new eyeglass recycling center that recently opened in Chihuahua City, Mexico. It's an exciting time to be a Lion! We want all Lions to attend and learn more about the activities in store for 2018-2019," said Governor Hawkins.

Guest speaker is PDG John Landrum of Waxahachie. He is the 2018-2019 Chairman of the Texas Lions Council of Governors.

Registration starts at 9:00 a.m. with the meeting beginning at 9:30 a.m.

A fish fry lunch will be served by the host Lions Clubs. The cost is

\$15.00 per person.

**Please RSVP to Snyder Lions Club Secretary Rose Ragland by October 5. She can be reached at (325) 207-3275 or by email at roseroberts2002@yahoo.com.**

"As with the first District Meeting, we will be done by 1:00 p.m., which frees up your afternoon for other activities," said Governor Hawkins.

We hope your Lions Club will be represented at this meeting!

See you Saturday, October 13 at the Texas Air Museum at Slaton!

## Special Guest

District 2-T2 welcomes PDG John Landrum of Waxahachie to the October 13 meeting in Slaton. Landrum is the 2018-2019 Chairman of the MD-2 Texas Lions Council of Governors.

## From The Governor :

# Lions have fun, fellowship, and serve others!

I've been having a blast visiting clubs and getting to know the dynamics of each one.

Each club has its own character and its own ways of serving and thriving.

From the throngs of song at Levelland Noon to throwing paper wads in Seminole, to donning and donating sunglasses and ball caps to me from my Lubbock Lions, everyone seems to enjoy each other and care for each other.

**District  
Governor  
Terry  
Hawkins**

That's my very message this year: Care about each other first, then care for your communities.

Everything must start from within or we're nothing. We'll die off.

If we can't show our communities that we love each other first, they'll never believe that Lions are genuine in their service.

So, if you see that someone has been absent for a while, YOU be the first to call on that fellow Lion. Find out what is going on and encourage them back into the club. Each Lion needs to know they are cared for and that they belong.

I recently visited PDG Howard Harrington. Even though he is so sad to lose Carolyn, he is as clear as a bell. He misses his Snyder Lions and he told them so on a phone video. It still amazes me how much Lions fellowship means to us.

Those friendships mean a lot to me and I know your Lion friends mean a lot to you. So, let's take care of each other and then go serve others in our communities.

I just know that if we're strong from within, Lions Clubs everywhere will grow and reach beyond

our old horizons.

Take one meeting each year and skip having a formal program. Take that meeting to discuss what needs to be done in your town. What gap needs to be filled? Is the gap something your club could and would take on?

Taking on different projects invigorates your membership and your club's attitude—kind of like when a new grandchild is born into a family. Everyone is renewed. Everyone is lighter-hearted. Everyone seems young again.

So try this: invite new prospective members to your next service project. Serving others and serving together keeps us connected and full of happiness, energy, and self-fulfillment. The resulting benefit is that our clubs grow and our meetings are more fun.

Thank you to all the clubs I've visited so far. Every single club has accepted my challenge of participat-

ing in the 1st annual Camp Bark and Brew to be held on Saturday, March 23, 2019 from 9:00 – 3:00 in downtown Lubbock.

This district project should prove to be a fun, family and dog friendly day where our clubs come together for a common cause: to raise awareness for our Texas Lions Camp and Leader Dogs for the Blind.

While some clubs have already committed to a specific job, others have not.

I'll be following up with each of you to see what job your club has decided on.

I envision this day to be joyful and too much fun. So, have your own wiener dog races this fall and bring that little winner wiener dog to the final Lions qualifying race!

I can't wait to see all of you there working together to make our Lions in this district more visible, bigger and serving happily together.

Remember, we're in this together!

## USA/Canada Forum "outstanding"

*By Lion Terry Hawkins  
District 2-T2 Governor*

I just attended the 2018 USA/Canada Lions Leadership Forum in Columbus, Ohio. This is the best leadership forum anyone can imagine.

My only complaint is that they keep having this forum in great places you'd want to see: Portland, Oregon last year and Columbus, Ohio this year. But it's kind of a moot point--the sessions are so intriguing that I never got out of the conference center!

The International officers make themselves available for conversations and pictures; you get to hear absolutely inspirational speakers, some even famous.

*(I actually met and took photos with renown gymnasts, Nadia Comaneci and Bart Conner last year!)*

This year, I got to hear corporate magician/inspirational speaker, Jon Petz. Google him. He's fabulous.

During the break-out sessions, we found out about LCIF "Campaign 100" as well as the launching of "New Voices," a program where each District Governor in the world will nominate stand-out individuals in the areas of Marketing, Leadership, Service, and Membership.

I will be nominating more than the allotted four Lions from our district because I certainly have more than four go-to Lions who offer support in

# What do you say when asked "What is a Lions Club?"

In my last newsletter article, I raised the issue of our loss of club membership.

One of the questions I addressed was getting our story out before our communities. I'd like to elaborate on that a little bit.

**First  
Vice District  
Governor  
James  
Belk**

Let's go back in time to the recent District 2-T2 Convention in Snyder.

I arrived at the hotel and was checked in by a very pleasant young lady in her 20's.

As we made quick conversation, she asked what brought me to Snyder.

I told her I was here for the Lions Club District convention. Her reply was "What is a Lions Club?"

Well, there I stood--totally unprepared for that question. So, I stumbled and sputtered for a moment--and never did give her a good answer.

That conversation has nagged me ever since. What should I have told her??

A few weeks ago, I had the privilege of visiting Leader Dogs for the Blind in Rochester Hills, Michigan.

One part of their presentation was a plea for funding, of course, and for help in getting their story before the public.

As they discussed telling their story, one of them used the term, "elevator story." Maybe this is my answer.

If I (and all Lions in District 2-T2) can develop a statement about what Lionism is all about that can be told between the first and third floor on an elevator--then folks might listen to us.

It also helps to wear your Lions Club membership pin when you can.

The "elevator speech" needs to explain Lionism in simple terms to create enough curiosity to precipitate a follow-up question, like "where is the closest Lions Club?" or "how do I become a member?"

It just needs to be anything to get a conversation started about what Lions really do and what we stand for as an international association.

To date, I have not yet come up with such a statement--but I am thinking on it and would appreciate your input. What do Lions DO??

# Sharing a little Texas hospitality with the world

I've had the good fortune to be involved with the Julien C. Hyer International Youth Camp for many years. However, many do not know about this Lions supported project.

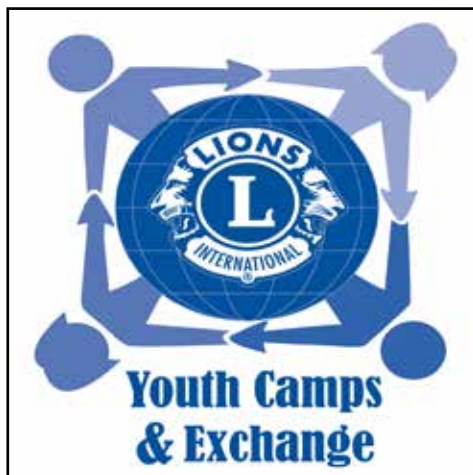

**Second  
Vice District  
Governor  
Ted Boyd**

The very first object of Lions International is "to create and foster a spirit of understanding among the peoples of the world."

According to their website, "The Julien C. Hyer International Youth Camp represents a group of students from countries around the world that participate in a program to expose them to life in Texas through stays in Dallas/Fort Worth, Lake Texoma, San Antonio, and Lubbock, to promote peace and understanding."

The Camp is named in honor of Judge Julien C. Hyer of Fort Worth, who served as Lions Clubs

International President in 1931-1932. He was an active Lion for 55 years and founded the Lions Clubs International Youth Exchange Program.. He passed away in 1974 at age 79.

The Julien C. Hyer Youth Camp was organized in 1973 and the first camping session was in 1974.

Participating students are ages 18-21. Most are from Europe; however, there are a few from Asia and South America.

They spend about six weeks in

Texas and visit District 2-T2 for a few days.

Lions who volunteer to host these students in their homes are greatly enriched.

We do a lot of fun things, including a trip to Palo Duro Canyon to see the outdoor musical, "Texas."

I'd like to take this opportunity to thank PDG Danny Leake, PDG Peggy White, and all the District 2-T2 Lions who are involved in this Youth Exchange project. Thanks for all your help!

Two years ago, I witnessed an unusual event involving these youth exchange students.

They formed a circle of prayer for a dying mother of one of their own from Germany. They learned how to pray by watching Lions do the same over and over.

We never know the influence we have on others. This was a great example of coming together in global unity. Wouldn't it be great if our world leaders followed the same example as these young people?

# "New horizons" discussed at first 2-T2 meeting

The start of each Lions Club fiscal year brings a sense of excitement-and this year is especially exciting with Lion Gudrun Yngvadottir of Iceland as International President and Lion Terry Hawkins of the Lubbock Lions Club as District Governor.

This was evident as District 2-T2 Lions assembled at Texas Boys Ranch for the July 21, 2018 District 2-T2 Cabinet Meeting.

For many years, Texas Boys Ranch has provided the venue for many District 2-T2 meetings. Our thanks to TBR President Lion John Sigle and staff for their assistance in meeting preparation.

Lubbock Redbud Lions Club served as the official host to the 70 Lions and guests in attendance.

Past District Governors in attendance were IPG Vance Gipson; Jim Petty; Dick Van Hoose; James Osborne; Peg White; Daniel Warrick; Danny Leake; Fredda Buckner; Gary Linker; Dan Pope; Joe Hargrove; Jerry Marshall; PCC Bernie Gradel; Robert "Bob" Edwards (District 2-A1); Charles Shannon; Paul Ellis; Carmon McCain; and Jere Smith.

Following opening ceremonies, the first-time attendees were introduced and the District 2-T2 Cabinet was formally installed.

In opening remarks, Governor Hawkins told the Lions that she is excited to serve as 2018-2019 District Governor.

"Along with Vice District Governors James Belk and Ted Boyd, I want to welcome you to this new Lions year where we will discover new horizons for ourselves. International President Yngvadottir is urging us to chart 'new horizons' by taking new risks, doing different projects, and serving in ways we have never served before," she said.

Governor Hawkins shared her goals for the 2018-2019 fiscal year:

- Increased membership in clubs;
- Increased satisfaction in clubs;
- All clubs having a "round table"

- Supporting the LCI goal of serving 200 million people by 2021;

- Embarking on a quest of making a difference--one smile at a time;

- and improving reporting of community service projects by clubs on both the International and District levels.

The District Cabinet unanimously approved support for the 1st Annual Camp Bark and Brew project set for

March 23, 2019 in Lubbock. It is a District-wide awareness event and fund-raiser to benefit Texas Lions Camp at Kerrville and Leader Dogs for the Blind at Rochester Hills, Michigan.

In closing, Governor Hawkins thanks all Lions for their support.

"When we all care for each other, we as Lions can continue to thrive, grow, and fulfill ourselves while we achieve our mission to serve those less fortunate," she said.

## News Briefs and Other Information

**CONDOLENCES -- Past First Lady Carolyn Harrington 89**, formerly of Snyder, passed away Saturday, Aug. 11 in Lubbock. Carolyn served as secretary for the Snyder Independent School District for 18 years. She then worked for the District Clerk's office, where she retired after 10 years. District 2-T2 sends its deepest condolences to PDG Howard Harrington, husband of 71 years, and their son, two daughters, daughter-in-law, 13 grandchildren, and 13 great-grandchildren.

**HONOR FLIGHT PARTICIPANTS -- PDG Jere Smith** of the Lubbock South Plains Lions Club and **Lion Erich Gruber** of the Lubbock Lions Club will participate in the 7th annual Texas South Plains Honor Flight on Oct. 13. The trip honors local area veterans with an all-expense paid trip to Washington DC to visit major military war memorials and military museums dedicated to their service. The group will also participate in wreath-laying ceremonies at the Tomb of the Unknown Soldier at Arlington National Cemetery. None of us have adequate words to express our gratitude to all veterans, past and present, for their sacrifice, courage, and service to our country!

**HONORS --** An eyeglass recycling center in Chihuahua City, Mexico was recently named in honor of **Past International Director Marshall Cooper** of the Lubbock South Plains Lions Club. City leaders recently donated the building for use as an eyeglass recycling center. Local Lions named it after PID Cooper in recognition of his worldwide dedication to eyeglass recycling. He will discuss this service project at the October 13 meeting in Slaton.

### Service In Sight

You never know where you'll find a Lions Club service project. Congratulations to the **Abernathy Lions Club** for placing this eyeglass recycling collection box at the local Dairy Queen!

# "New Voices" initiative launched earlier this year

From the LCI Website

New Voices is about creating a variety of conversations. It is about collaboration - getting men and women together so we can harness our full potential.

It is about putting a spotlight on women. We need to make it known that Lions are men and women.

If we create excitement amongst our female members so they want to get their friends, family and associates involved, ultimately, it will mean more members.

Engaging in conversation is where it all comes together. Choose to cross the invisible line from being a person to whom things happen to a person who makes things happen.

Engaging starts with finding your voice, literally. That's easy for some, but for many, speaking up is daunting. To lead you must be heard. You must have presence. You must put yourself out there.

The initiative was officially launched on July 1 during the 2018 International Convention in Las Vegas. Around 1,000 delegates were present in the large conference hall while a few hundred watched the live stream.

Incoming President Gudrun Yngvodottir introduced the program.

"Honestly speaking," she said, "when I became the 2nd Vice President, I had no intention of having a women's initiative. In fact,

**District Governor Terry Hawkins attends the "New Voices" seminar at the USA/Canada Leadership Forum.**

when I made my first official visits, I was careful not to touch on women's membership or leadership. But, to my surprise, wherever I went, I was asked what would be my strategy to promote women in Lions Clubs International. The women would come up to me and say how they were waiting to see what I would do. I thought to myself - if not me - who? I felt this is what Lions want - so here we are!" she said.

But why New Voices? We have been around for 30 years now - so why this name?

"As I traveled around the world, I saw a lot of diversity in membership and leadership between men and women. Even in many places where

women were not members or leaders, they were playing an important role behind the scenes - in organizing meetings, in running projects, in managing activities. They were silently working, but did not have a voice. I felt they needed a voice.

"We don't have to look for women - they are there - all that we need to do is bring their ideas, their talent, their commitment to the table. They needed a new voice. And I thought this would be the right time to give them a platform so that together we can take this organization forward," she said.

Yngvodottir also said she would like this team to work with our Global Action Team, District Governors, and Council Chairs to create awareness.

She would like them to identify those Lions who have made a difference, but whose voice has not been heard.

She understands that we cannot expect to see magic in one year. It will take time to reach gender parity - but this year, through this team, she would like to see a strong impetus given to women worldwide.

She said, "I would like to see the New Voices team empower women around the world so that they can create the traction needed to take us forward."

# October 27 "Shoot For Sight" benefits Lions Eye Bank

The Great Plains Lions Eye Bank annual "Shoot for Sight" trap and skeet shoot fundraiser is set for Saturday, Oct. 27, 2018.

It starts at 9:00 a.m. at the Gaines County 4-H Shooting Sports Club in Seminole.

The entry fee is \$60.00 per shooter, which includes lunch for each team member.

The trap and skeet shoot consists of two-man teams, with 25 trap targets and 25 skeet targets for each shooter.

Awards will be given to the top three positions.

Advance registration is

mandatory! Due to the tremendous response in previous years, organizers must limit the number of teams to 100 (two-man teams).

Safety during the event will be strictly enforced:

- Shooters may pick up their hulls at the end of their team's round.

- Management reserves the right to change the program without recourse or protest.

- Participants, as well as spectators, shall be on the grounds at their own risk and sponsors or the range shall assume no liability.

- Any blantant misconduct by any shooter will be cause for

disqualification without refund.

Registration and/or other information is available from Lion Deanna Harville. She can be reached at (806) 778-7888 or at [ddharville@yahoo.com](mailto:ddharville@yahoo.com).

In addition to the trap and skeet shoot, there are a number of items to be raffled off at the event.

Items include a Kenneth Wyatt print, a shotgun, a hand gun, and much more.

Prices are \$5.00 for one ticket or \$20.00 for five tickets.

We hope you or your Lions Club will participate in the fundraiser either by participation or purchase of tickets.

all these areas.

My nominations will be judged against nominees in our multiple district of Texas. The winner from Texas will be put up against the USA winners, and then finally the USA winner will go up against the other constitutional area winners. The global winner will get a free trip to the next International Convention in Milan, Italy in July 2019.

I spent lots of time in breakout sessions learning about what other clubs are doing to make themselves more visible and to help grow in membership. In addition, I learned how other clubs are serving their communities.

Attracting millennials into our clubs is always intriguing to me and I have many ideas as a result of the sessions..

Here's one thing I learned that will be easy for all of us in District 2T2 to do at every one of our service projects: Place an A-frame sign on

the street at your project(s) that says "Another project by (i.e.) Ralls Lions Club."

So, I hereby challenge each of you District 2T2 clubs to construct your own A frame sign and have it visible at your next event.

I also challenge you to have membership applications on site at a club information table.

Who knows? I bet someone will approach you and ask you what Lions do. (See 1st VDG James Belk's article on Page 3.)

If someone expresses interest, just ask them to help you with that project that day. Most people just need to be asked. They usually want to jump in and help others--especially when they see how much fun you're having.
