# from the desk of

DG GARY LIKENS

Greetings OH5 Lions.
"ROOTED IN SERVICE" At the Lions International Convention in Hong Kong,that was the rallying cry from our new International President Mark Lyon. His keynote address to the 17,000 Lions from all over the world,emphasized SERVICE. For the past few years, the emphasis has been membership. While that is essential to the survival of our great organization, we have to ask ourselves, how do we increase membership? SERVICE!! During this Lion's year, we will be promoting SERVICE. I am personally asking each club to launch one new SERVICE project. We all have our favorites, tried and true projects. I am encouraging each club to try something new this year. It doesn't have to be a large project but it could be. Invite non-Lions to participate at some level. You may be surprised at the results. Our District Global Service Chair (GST) Dr Brenda Toler has a long list of SERVICE ideas (*see @ end of newsletter).* We are continuing the work started last Lions year. Whether its new club or leadership development, retaining existing members or "closing the back door" understanding why members are leaving, we are all committed to once again making OH5 the example of what a District should be. Of course it starts with each club SERVING their community and each individual Lion doing his or her part.

Myself, 1st VDG Fred Porter, 2nd VDG Stu Koble are here to lend a hand to any and all clubs or individuals to do what we can to solve any issue you may have. So do not hesitate to call on us.
Let's have a great Lions year.

Yours in Lionism,
DG Gary Likens

### OLF Supports YOUR Zone!

Lions, be sure to alert your Zone Chairs to any disaster in your zone that affects a duplex or apartment (single housing is excluded). The Ohio Lions Foundation can provide immediate support. There is a simple form for your ZC to fill out. For more information, contact PDG Joe Jackson at (937) 307-4581 or shoelessjj71@gmail.com

## Leadership Announcement

Leadership Announcement – I am honored to announce that I have accepted the role of Global Leadership Team (GLT) Coordinator as part of our Global Action Team. Leadership development is one of the foundations of Lionism, and I look forward to supporting and encouraging growth opportunities for our members across the district.

I am especially grateful for the outstanding leadership and guidance of our State GLT, Jackie Miller. She has built an incredible program, and I hope to continue following in her fantastic footsteps by providing meaningful, engaging, and enjoyable leadership opportunities for our Lions.

Leadership training will continue this year with our always-popular Pizza Night Leadership Trainings taking place in September and October 2026. These sessions are designed for your club Presidents, Secretaries, and Treasurers, offering valuable information, resources, and ideas to help your club succeed.

Please keep a look out for upcoming emails with additional details and information to share with your clubs. We have some excellent speakers lined up, and as always, we promise plenty of learning, great conversation, and a fun time together.

I look forward to serving alongside all of you as we continue to grow our leaders and strengthen our clubs through service.

Yours in Lionism,

Amanda Jones

# PARTNERS IN SIGHT- SVOSH AND LIONS

## Marysville Lions

The Marysville Lions Club completed a meaningful service project during its regular meeting, sorting and boxing over 4,000 pairs of eyeglasses for delivery to SVOSH

## Dropping off to SVOSH

There has been some questions and confusion raised about delivering eye glasses to SVOSH. Send a message to: OSUSVOSH.donations@gmail.com. They will contact you with a date, time and directions for delivery. Remove the cases and retain them. Only eyeglasses, even if they are broken as they can be recycled. Sunglasses are accepted too. Box them up. Bags make it difficult to handle and to store. Students will meet you at the drop off location and help you unload and you'll be on your way in a flash.

SVOSH Lions need our help financially. Mission trips like the one coming up are expensive and the cost for such trips is increasing. 20 students are headed to Peru August 8-15 to provide vision screenings and glasses to those in need. Airfare is $30,000 and accommodations and meals another $10,000 plus. Please keep them in mind when planning your budget for this new Lion year. SVOSH are Lions and they need our financial support!

## Grove City & Reynoldsburg Lions

SVOSH advisor Dr. Bradley Dougherty along with OSU optometry students, Grove City Lion Dr. Eric Hall and staff, Lions from Reynoldsburg and Grove City all joined together to provide vision screenings for 38 children and several adults at the Grove City Library's summer reading program. 6 of those children were identified as needing help with their vision. A special thanks to SVOSH for volunteering to make this possible. Future plans are in the works for additional screenings.

# Worthington Noon Lions Club- Active in SERVICE!

Our Worthington Noon Lions Club July meeting was truly inspiring as we had the privilege of welcoming Dr. Alison LaBarre as our guest presenter. She delivered a phenomenal and informative presentation about the Ohio State School for the Blind (OSSB), providing our members with valuable insight into the school's outstanding programs, educational opportunities, and scholarship resources available to its students.

While the Worthington Noon Lions Club has proudly supported OSSB over the years through donations for musical instruments and the school's annual Christmas Party, Dr. LaBarre's presentation broadened our understanding of the many ways we can continue making a meaningful impact. Her passion, knowledge, and dedication to serving students who are blind or visually impaired left us both inspired and eager to expand our support of this remarkable institution.

Thank you, Dr. LaBarre, for enlightening us and reminding us of the importance of empowering students to reach their fullest potential. We look forward to strengthening our partnership with the Ohio State School for the Blind and continuing our mission of serving our community where the need is greatest.

A heartfelt thank you to Worthington Noon Lions Club Vice President, Lion Tim Lee and his wife, Patty, for their generous donation of fans to LifeCare Alliance to help individuals and families stay safe and cool during the recent heatwave this summer. Their kindness and compassion are a wonderful example of "We Serve" in action. As temperatures have continued to soar throughout this summer, this thoughtful donation will provide comfort and relief to those who need it most.

# PRIDE IN SERVICE

Celebrating Service • Fellowship • Leadership

## Serving with Pride on Independence Day

The Troy Lions Club was proud to once again participate in Troy's annual Independence Day Parade, celebrating our nation's birthday alongside thousands of friends and neighbors.

Our patriotic float, featuring the Troy Lions' iconic lion, reflected the spirit of service and community that has long been a part of our club. Lions members, families, and friends enjoyed waving to the crowds, sharing smiles, and representing the values of Lionism throughout the parade route.

Community events like the Fourth of July Parade remind us that service is about more than projects; it is about being visible, building relationships, and demonstrating our commitment to making Troy a better place to live, work, and raise a family.

Thank you to everyone who helped decorate the float, walk or ride in the parade, and support another successful community tradition. Together, we continue to show what it means to serve with pride.

Troy Lions Club members and families represented the club during Troy's annual Independence Day Parade.

## Leo Club Connection

Our Leo Club continues to inspire us with their energy, ideas, and commitment to service. These young leaders are the future of our community and they are already making a difference today!

Thank you to our Leo members and to Scott Davis, advisor for all that you do!

## Celebrating Tomorrows Leaders

Supporting the next generation of leaders is one of the most rewarding traditions of the Troy Lions Club.

At our July picnic, Lion Scott Davis presented the 2026 Troy Lions Club Scholarships to Ava Velkoff from Newton School and Briana Stevens (not present) of Miami East High School. Both students were recognized for their academic achievement, leadership, and commitment to serving others.

The Troy Lions Club is proud to invest in outstanding young people who demonstrate the character, dedication, and community spirit that will help shape tomorrow's future. Scholarships are one way we encourage students to pursue their educational goals while recognizing the positive impact they have already made in their schools and communities.

Congratulations to
Ava and Briana on this well-deserved honor. We wish both of them continued success as they begin this exciting new chapter in their lives.

# KEEPING HISTORY ALIVE

Your paragraph text

Lion Steve Kaplan participates in Miami County's annual Declaration of Independence ceremony, helping preserve an important community tradition as America celebrates its 250th anniversary.ragraph text

For many years, Lion Steve Kaplan has helped bring history to life by portraying a Revolutionary War patriot during Miami County's annual Declaration of Independence ceremony on the courthouse steps.

Dressed in authentic period clothing, Steve joined community leaders and historical reenactors in commemorating the signing of our nation's founding document. As our nation begins commemorating the 250th anniversary of the Declaration of Independence, ceremonies like this remind us of the principles of freedom, civic responsibility, and service that continue to shape our communities.

The Troy Lions Club is proud to have members like Steve who generously share their time and talents to preserve local traditions and educate future generations. Thank you, Steve, for representing both our community and the spirit of Lionism with pride.

While Steve participated in this event as a member of the Sons of the American Revolution, the Troy Lions Club is proud to recognize his dedication to preserving our nation's history and serving the community.

# Sweet Service

Lion Chris Waller shared her baking talents by creating beautifully decorated patriotic cookies for guests at St. Patrick's Soup Kitchen. Thank you, Chris, for reminding us that even the smallest acts of kindness can make someone's day a little brighter.

# Welcome New Members!

We are pleased to welcome Chris and Jo Lynn Englert as our newest members of the Troy Lions Club. They will be officially inducted during our Annual Summer Picnic in August, and we look forward to serving alongside them as we continue our tradition of service to the Troy community.

# August Birthday Wishes

Amy King – August 9
Happy Birthday! Wishing you a wonderful year ahead.

# Remembering Lion Fred Wackler

The Troy Lions Club mourns the passing of Lion Fred Wackler, a dedicated member for 56 years. Fred served as Club President, chaired the Sight Conservation Committee, and was honored with the Melvin Jones Fellowship Award. Through his leadership, he helped provide eyeglasses to more than 500 people in need and faithfully supported countless club projects, including Rose Day, the Strawberry Festival, and the Chicken Barbecue.

# Did you know?

Lions Clubs International has more than **1.4 million** members serving communities in over **200 countries** and geographic areas around the world.

# President's Thought

*As I looked through the stories in this month's newsletter, I realized they all have one thing in common—people. From celebrating scholarships and welcoming new members to honoring Lion Fred Wackler's lifetime of service, this issue reminds us that the heart of our club has always been its members. Thank you for continuing that tradition every day.*

THANK YOU FOR SUPPORTING OUR SENIORS AND THEIR BELOVED PETS!

**Brainstorming Ideas for discussion.**

This is a great "framework" for planning our club year. The **Lions International Weeks of Service** campaign focuses on three global causes:

- **Vision** (October 8–18, 2026)
- **Youth** (February 13–21, 2027)
- **Environment** (May 29–June 6, 2027)

As leaders of our **Lions Clubs we** could organize projects that are visible in the community, encourage member participation, and attract potential new members.

**Vision Week (October 8–18, 2026)**

**Theme:** *Opening Eyes. Changing Lives.*

Ideas:

- Host a community eyeglass collection drive at local libraries, churches, grocery stores, and schools.
- Offer free vision screenings with a local optometrist or vision center.
- Assemble vision care kits for homeless shelters.
- Read to children at elementary schools while discussing eye health.
- Donate large-print books or audiobooks to senior living communities.
- Partner with the Ohio School for the Blind or another vision-related organization.
- Sponsor a child who needs eyeglasses.

**Youth Week (February 13–21, 2027)**

**Theme:** *Empower Today. Lead Tomorrow.*

Ideas:

Hold a youth leadership workshop.

- Sponsor a career day featuring local professionals.
- Read in elementary classrooms during Read Across America activities.
- Collect backpacks and school supplies.

- Provide college scholarship or trade school information sessions.
- Organize a mentoring breakfast for middle or high school students.
- Host a youth service project where students work alongside Lions members.
- Recognize outstanding student volunteers.

**Environment Week (May 29–June 6, 2027)**

**Theme:** *Protect Today. Preserve Tomorrow.*

Ideas:

- Plant trees in a community park.
- Adopt a roadway for litter cleanup.
- Beautify a local school or community garden.
- Organize a community recycling event.
- Distribute reusable shopping bags with Lions information.
- Plant pollinator gardens.
- Collect used batteries and electronics for recycling.
- Create a “Keep “Your Community Beautiful” neighborhood cleanup day.

**Projects We Could Do All Year**

- Monthly food pantry collections.
- Community blood drive.
- Hearing aid collection.
- Winter coat and blanket drive.
- Thanksgiving meal baskets.
- Holiday toy drive.
- Diabetes awareness walk.
- Senior appreciation visits.
- Veterans appreciation projects.
- Community health and wellness fair.

**Signature Lions Club Events**

A Club might even create a yearlong calendar like this:

| Month | Signature Project |
|---|---|
| September | Community Membership & Service Fair |
| October | Vision Screening & Eyeglass Collection |
| November | Thanksgiving Food Drive |
| December | Holiday Giving Tree |
| January | MLK Day Community Service Project |
| February | Youth Leadership & Mentoring Week |
| March | Diabetes Awareness Program |
| April | Volunteer Appreciation & Earth Day Cleanup |
| May | Environment Week Tree Planting |
| June | Summer Reading Book Giveaway |
| July | School Supply Backpack Drive |
| August | Community Picnic & Membership Celebration |

These projects align well with Lions International's global causes while making a meaningful impact in your community.

One idea that ties all three Weeks of Service together is to launch a **"Rooted in Service: "Your Club Name Cares"** initiative. Throughout the year, your club could:

- **Collect 500 pairs of eyeglasses** for Vision Week.
- **Mentor or serve 100 local students** during Youth Week.
- **Plant 100 trees or native plants and remove litter** during Environment Week.

This creates measurable goals, generates positive publicity, and gives members a shared mission throughout the club year. It could also become an annual tradition for your Lions Club.
