from the desk of

DG GARY LIKENS

Greetings Fellow OH5 Lions,

Well it's been a busy month. It started on August 1st with the Council of Governors (COG) meeting at the State Office in Grove City. Myself along with the other six District Governors and all of the 1st and 2nd Vice-Governors met to handle the business of Ohio Lions(MD13). It was the first COG meeting that I have been able to speak and make motions on important issues. As 2nd and 1st Vice-Governor all I could do was watch and learn. It is great to be able to have a voice as to the direction of Lions in the State of Ohio.

On August 11th, Central Ohio was hit with multiple storms including tornados and derechos (severe straight-line winds). An EF-1 tornado cut a 1.8 mile swath through the southeast side of Columbus. Many homes, businesses and a community center were damaged. I worked with Columbus Southeast President Ashley Ballard to get an LCIF Emergency Disaster Grant for her community. It took LCIF less than a day to process and approve our application for assistance.In another 24 hours, the funds were deposited in the District account and Cabinet Treasurer Loretta Sweeney cut a check to the Columbus Southeast Lions to cover meals for Team Rubicon. They are a group of Veterans who go into disaster areas and lead clean-up operations. The funds were also used to purchase items such as tarps to cover damaged roofs, clean-up items, water and sports drinks for the volunteers. Several Lions Clubs also donated funds and food to the cause.

What I learned first-hand was that the money each club and individual sends to LCIF truly comes back to your neighborhood when needed. It's an important part of the Lions that helps people everywhere including your backyard.

(*continued on next page)*

from the desk of

DG GARY LIKENS

A few days after the storms, the Reynoldsburg area was hit with floods. This time, Lion President Amanda Jones along with PDG Joe Jackson applied for and received an Ohio Lions Foundation (OLF) grant to aid in the Reynoldsburg community. This aid came in the form of Wal-Mart gift cards which are currently being distributed to the affected individuals and families. There are OLF funds out there. If your community was affected by these storms, contact myself or PDG Joe Jackson and we will work to assist you.

Hopefully September will be much calmer weatherwise, but I'm almost certain other OH5 Lions emergencies will present themselves.We will continue working hard to make this Lions year a great one. I plan to visit as many clubs as I can. Instead of Club meeting visits, I would prefer to attend service projects or fundraisers. If you have an event coming up let me know, you can even put me to work.

Yours in Lionism,
DG Gary Likens OH5

News Around the District

Remembering PDG George “Ray” Empson

PDG George "Ray" Empson was laid to rest at Arlington National Cemetery on July 17, 2026. Former Columbus North East Lions Jennifer and Darrin Lee, Rick Higgins, Jeff Higgins and Jeff Craig attended the services along with Ray's niece and other extended family members. PDG Ray served his country in the US Army and his service was conducted with full military honors. You can watch the service at https://my.anc.media/4bQDyEr

When: Sunday, September 27, Registration starts at 12 Noon
Where: Locust Hills Golf Club, 5575 N. River Rd., Springfield, Ohio
Details: Only $80 per golfer. See attached flier for more information.

Worthington Noon Lions Club
visits Stratford Ecological Center

The **Worthington Noon Lions Club** recently visited the **Stratford Ecological Center in Delaware, Ohio**, where members had the opportunity to learn more about the center's outstanding educational programs and its commitment to connecting children with nature, agriculture and the sources of the food they eat.

Pictured left to right
Lion Marcia Snell, WNL Club President, Jennifer Rhoads, Director of Development at Stratford Ecological Center, and Lion Dr. Brenda Toler, WNL Club Community Service Chair.

During the visit, the Worthington Noon Lions presented a charitable contribution to the Stratford Ecological Center to help provide financial assistance for a student to attend Farm Camp. The camp offers young people a unique, hands-on learning experience where they can explore farm life, interact with animals, learn about gardening and agriculture, and develop a greater appreciation for the natural environment.

Club members were impressed by the many educational opportunities Stratford provides for children and families throughout the community. Supporting a student's participation in Farm Camp reflects the Lions' longstanding commitment to youth, education and community service. The Worthington Noon Lions Club is proud to support organizations such as the Stratford Ecological Center that provide meaningful learning experiences for young people. Through projects and partnerships such as this, club members continue to live the Lions motto, "We Serve."

The Battle of Hard Road RETURNS

The Worthington Noon Lions Club invites the community to help tackle food insecurity by supporting the annual “Battle of Hard Road” Community Food Drive benefiting the Worthington Resource Pantry. The drive will culminate during the Worthington Kilbourne High School Homecoming football game against Dublin Scioto High School on Friday, September 18, 2026, at 7:00 p.m. at Worthington Kilbourne High School.

The annual food drive is a friendly competition between Worthington Kilbourne High School and Dublin Scioto High School held in conjunction with the “Battle of Hard Road” football game. Each school works to collect the most food and monetary donations for its respective community food pantry. The event combines school spirit with an important mission—helping address hunger and food insecurity in our communities.

Throughout the week of September 14, Worthington Kilbourne students and the Worthington Noon Lions Club will collect food and monetary donations. Community members may drop off canned and nonperishable food items at Worthington Kilbourne High School during the week prior to the game to the attention of teacher Lauren Glaros. Donations will also be accepted at the football game on September 18.

According to Nick Linkenhoker, Executive Director of the Worthington Resource Pantry, items currently needed include peanut butter, canned fruit, tuna and other nonperishable foods. Community members who prefer to make a monetary contribution may also donate online through the Worthington Resource Pantry.

On game night, both schools will have collection tables outside their respective ticket booths. Be on the lookout for Worthington students and Worthington Noon Lions Club members carrying their silver donation buckets as they work to collect as many contributions as possible!

The friendly competition will conclude after halftime, with the winning school scheduled to be announced between the third and fourth quarters of the Homecoming game. Regardless of which school wins the competition, the true winners will be the individuals and families who receive much-needed assistance from their local food pantries.

Hunger affects children, senior citizens and families in communities everywhere, making local efforts such as the Battle of Hard Road Food Drive especially important. The Worthington Noon Lions Club is proud to partner with students, schools and community members in addressing this critical need and putting the Lions motto, “We Serve,” into action.

The Worthington Noon Lions Club thanks the community in advance for its generosity and encourages everyone to bring food, make a monetary donation and help fill those silver buckets!

Online monetary donations:
https://www.worthingtonresourcepantry.org/battleofhardroad

Come out, support our students, cheer on the teams and help us score a victory against hunger!

Westerville Lions Club 4th of July Parade

Event & Marketing Spotlight

The Westerville Lions have had a presence at the Westerville Saturday Farmer's Market all summer. Two Lions welcome folks to the market from our tent located near the entrance. We collect plastics for our very successful bags to benches environmental project. We've found this to be a good way to make our presence known in the community.

Our website has been updated and provides a lot of information to our current and prospective members.

We have also improved our Facebook page, adding a lot of pictures and highlighting different projects we are involved with.

https://westervillelions.org/

https://www.facebook.com/westervillelions

Strong Start to the Year

Worthington Noon Lions Club proudly kicked off its new Lions Club year with a meaningful community service project focused on supporting local students and educators. They conducted a School Supply Drive benefiting the fourth-grade students and teachers at Slate Hill Elementary School in Worthington.

Pictured left to right is WNL Club community service chair, Lion Dr. Brenda Toler, Miss Karlie Severance, Mrs. Alysssa Srail Gaydos, Principal Mrs. Julie Gulley, Mrs. Taylor Rankey, and Mrs. Elaine Wilson and Lion Marcia Snell, WNL Club President.

Through the generosity of Club members, a variety of much-needed school supplies were collected and delivered to help ensure students have the tools they need for a successful school year, supporting 108 fourth-grade students and their four teachers, demonstrating the club's continued commitment to education, youth and service within the Worthington community.

As Lions, we believe that strong communities are built by investing in our children and supporting the educators who help them learn and grow. Beginning the new Lions year with a project benefiting students was a wonderful way to put the Lions motto, "We Serve," into action.

Worthington Noon Lions Club LCIF Donation

The Worthington Noon Lions Club is proud to share that it donated $500 to LCIF for "disaster relief" to assist those in need. Community Service Chair, Lion Dr. Brenda Toler shared that the WNL Club always rises to answer the call to meet the needs of people not only here in our nation, but also around the world who are faced with so many disasters.

Lions Clubs International FOUNDATION

Urbana Lions Club Golf Scramble

On Wednesday, September 16, we'll be hosting our 15th Annual Urbana Lions Club Golf Tournament at the Urbana Country Club, and I wanted to personally pass the information along to our fellow Lions throughout the district. If you haven't played UCC, it's a Dye Course that is kept in great condition!

We'd love to have some other Lions Clubs put together a team and join us for the day! And even if golf isn't your thing, clubs or individuals are also welcome to sponsor a hole for just $100 or simply share the information.

A few details:

Wednesday, September 16 – Urbana Country Club
4-person team – $500
Hole sponsorship – $100
Check-in – 9:00 AM
Shotgun start – 10:00 AM
Lunch, prizes, competition and plenty of fellowship throughout the day

You can reserve a team or sponsorship through our quick online form here:

https://forms.gle/sRkyCAsQXG9SRc2i8

There is no payment required through the online form, it simply reserves your spot and lets us know how you'd like to participate. Questions? Contact Lion Past President Nick Redavide at nredavide@fm.bank

Tournament flyer and paper registration form are included with this newsletter who would rather register that way or would like something to share with their club.

Thank you for reading!

Lions Answer the Call After Columbus Tornado

When disaster strikes, Lions respond with compassion, teamwork and action. Following a tornado in Columbus, Ohio, Lions Clubs International Foundation (LCIF) provided a grant to support disaster relief efforts in the affected community.

With this support, the Columbus Southeast Lions Club continue helping in the relief efforts of those impacted by the storm. Club members worked to identify needs, connect with community partners and provide meaningful assistance to individuals and families as they began the difficult process of recovery.

DG Gary Likens and LCIF Coordinator Jackie Miller presenting
*LCIF check for **$15,000** to Columbus SE Lions for tornado relief efforts*

The LCIF grant helped make it possible for Lions to respond where help was needed most. Through **cleanup supplies, fans, food, and other needs for Team Rubicon who is working hard to cleanup from the devastation caused by the tornado**. These folks don't get the assistance the residents do from volunteer organizations. That's where the Columbus Southeast Lions stepped in! They have been feeding this amazing group every single day, 3 meals a day, and providing practical support while reminding survivors that their community had not forgotten them!

"It takes a lot to feed an organization like Team Rubicon who otherwise would be on their own for food, and that's one of the ways our foundation can quickly step up to the plate and help!" ***Jackie Miller, LCIF Coordinator.*** This effort demonstrates the power of Lions working together. Local clubs understand the needs in their communities, while LCIF provides resources that can help turn compassion into action. Together, Lions can respond quickly, support recovery and help communities move forward. **Many thanks to the numerous other Lions Clubs who have also donated to the Columbus Southeast Lions Club in support of this effort as well!**

LCIF Makes Our Service Stronger

LCIF is the foundation that helps Lions expand their humanitarian service around the world. Its grants support communities affected by disasters and help Lions address urgent needs related to hunger, vision, childhood cancer, diabetes, the environment, youth and other humanitarian priorities.

Every contribution to LCIF strengthens our ability to serve. Whether disaster strikes close to home or across the globe, LCIF helps ensure that Lions are prepared to answer the call.

Team Rubicon cleaning up after disaster

The Columbus tornado response is a powerful reminder that when Lions invest in LCIF, they are investing in the future of service. Our support helps provide relief, restore hope and make an even greater difference for people facing challenging circumstances.

Thank you to the Columbus Southeast Lions for leading this important relief effort, **and to every Lion who supports LCIF**. Your generosity and service show what is possible when we work together.

Where there's a need, there's a Lion—and LCIF helps us meet that need. Here's how:

- Tornado occurred 8/18/2026
- Disaster relief grant for $15,000
- Helping over 300 residents in the community
- Relief supplies include all food for the volunteers, water and Gatorade for volunteers and the community, cleaning supplies and fans
- Team Rubicon hired by the City of Columbus to lead the relief efforts. The American Red Cross opened a temporary housing and meals for affected families. City opened shelters for those who can't return to their homes. The Reeb Center, the Open Shelter and South Side Thrive Collaborative are all involved in the relief efforts.
- Donations from other Lions Clubs, as well as community members and organizations, and LCIF. Columbus SE is the only organization leading the charge to provide food for Team Rubicon as they do not live in the area and are not entitled to get support from the Red Cross. Way to go Columbus SE!!

To: OLF Board of Trustees

From: Lion Jim Faust, Trustee for OH-6

Re: Information regarding the OLF Cody Fund

Fellow Trustees:

It came to our attention in our OLF Board meeting today that we need to do a better job of informing the Lions of Ohio about the OLF Cody Fund. Several years ago the Cody Family donated more than $300,000.00 to OLF through Mr. Cody's will and estate. This money was happily accepted by the OLF Board. It was named the Cody Fund and placed as a line item in the OLF Budget. There was a requirement in the will that stated that any grants or financial assistance from this fund could be given only to individuals who were legally blind as defined by the US Government.

As a result, OLF has distributed numerous grants to individuals for various kinds of vision equipment. In addition, OLF has used the Cody Fund for purchasing Pilot Dogs, funding self-defense and specialty seminars for blind persons, and purchasing other types of visual aids for schools that use the equipment for blind students. All the funding was given to legally blind persons who resided in Ohio and who had filed applications for the assistance. This application has always been available on the OLF website and/or from OLF Trustees.

It is important to let all Cabinet members and local clubs know that these funds are available. Any legally blind person who has a special need for vision assistance should contact the local Lions Club and also obtain an OLF application. The club should then contact the local OLF Trustee who will then assist in processing the application. Please note that there are financial standards that need to be met and the OLF Board will then act upon the application.

OLF also has funding available for vision-impaired persons who are not legally blind. The Roberds, Oyer, and Shoaf funds are usually used for these types of grants. The application process is basically the same.

Please pass this information on to your Districts and local Lions Clubs. Let me know if you need more information.

Jim Faust, OH-6
