

Governor Carl and District Cabinet Secretary PDG Jeff,

The Muirfield has been contacted by the Service Project Committee request Funds from The Muirfield Account for the project that will happen at the district Convention.

Unfortunately will not be able to attend tomorrows meeting.

I would like to Motion to the Cabinet to approve \$1,200.00 from the Muirfield account for the service project at the District convention.

This could be in my report or as new Business which ever you feel is better at.

Thank You PCC Jay Gray Memorial Chair
