

Report: J3

Report to Governor- 2VDG

October 31,2025

Dear Governor Carl,

Over the past several months, I have had the pleasure of visiting seven clubs within the district. During these visits, I was honored to induct three new members at two of the clubs, marking a positive step in our membership growth efforts. I am happy to report that all clubs appear to be doing well, with strong leadership and good fellowship among members.

Many of the clubs are just now resuming their meetings and projects after the summer break, and enthusiasm is building as they plan upcoming service activities for the fall and winter months. It's encouraging to see the commitment and renewed energy throughout the district as clubs re-engage with their communities.

In addition to club visits, I attended four Zone Meetings, serving as guest speaker at two of them. These meetings provided an excellent opportunity to share district goals, discuss membership strategies, and encourage collaboration among clubs within each zone. The exchange of ideas and fellowship was inspiring, and it's clear that our zones are working together effectively.

I also had the privilege of attending both the USA/Canada Lions Leadership Forum and Regional Lions Leadership Institute (RLLI) training. Each provided valuable learning experiences—the Forum offered great networking and best practices from across North America, while RLLI focused on developing stronger leadership and communication skills to better serve our clubs and district.

I also had the privilege to attend Tri-Village's 75th Charter Night, which was a very nice event and was amazed at their 75 years of service.

Overall, the district is moving in a positive direction, and I am excited about the momentum we are building as the year progresses.

Respectfully submitted,

Fred Porter

Second Vice District Governor
