C16 – Eye Care Fund report August 2026

The OH5 Eye Care Fund currently holds $37,810.82 and resides as a restricted fund with the Ohio Lions Foundation (OLF). There is one case in work that has been approved and we are attempting to get payment.

Unfortunately, continues to not respond to the committee's requests for payment. On Monday August 3rd, I Emailed the OLF President PDG Dan Oconner in an attempt to get things moving. So far, I have received no response.

I have misgivings about this recommendation, but I suggest that the cabinet approve opening discussions with the Ohio Lions Sight and Hearing Foundation with a goal of S&H managing the eye care funds as a restricted fund. I have had a preliminary phone conversation with PDG Lilane Fox, S&H Foundation executive director and she is agreeable in discussing details on moving forward.

Yours in Service,

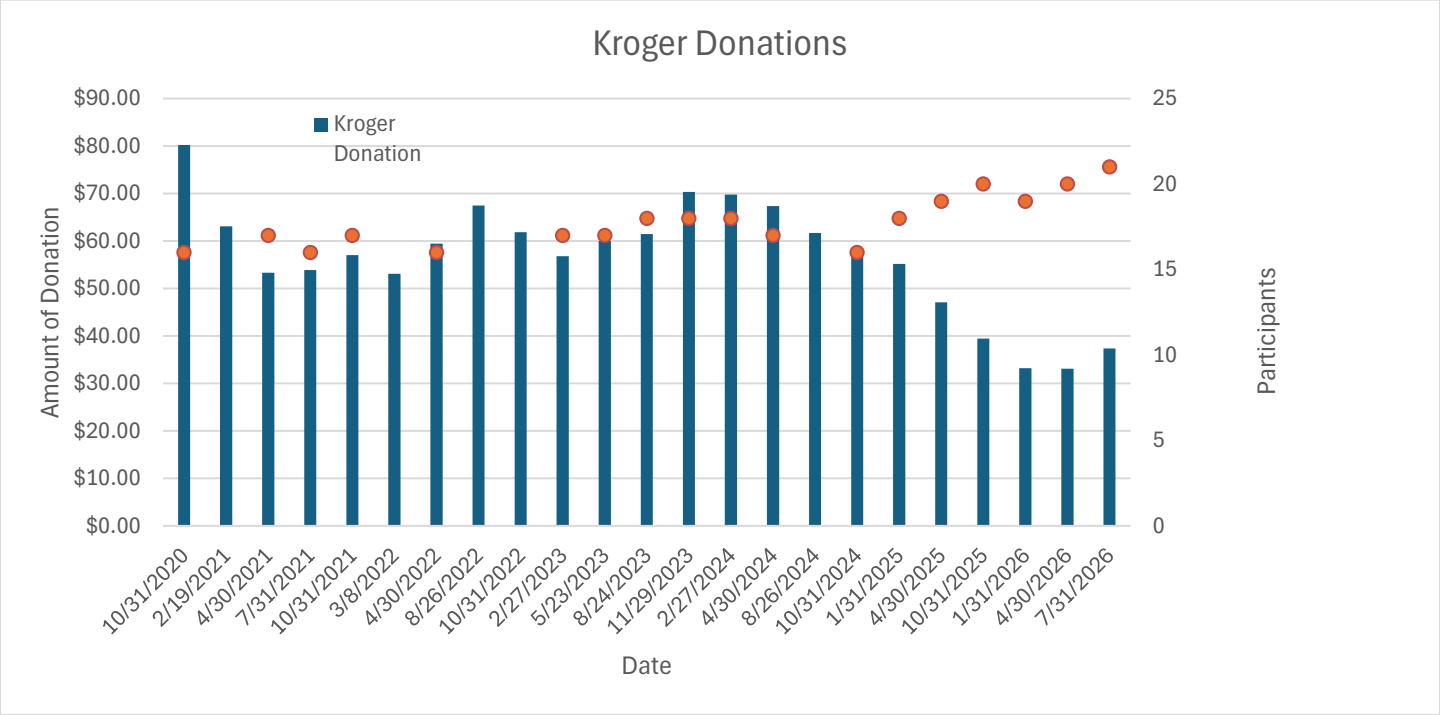
PDG Dave Luttrell, Chair

C16

Look! For the first time in three years the Kroger Community Rewards program is trending in a positive direction! …and the most participants in six years.

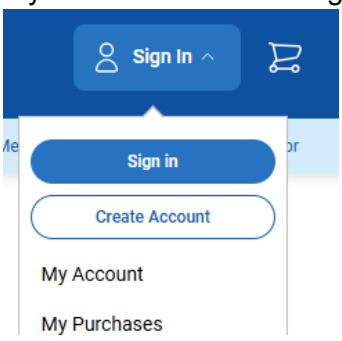
This quarter's contribution - $37.35

If you shop at Kroger consider enrolling in the Kroger Community Rewards program. It's easy to do and the donations are automatic. Money goes to the Eye Care Advisory Fund to pay for surgeries and other needs. Please help and enroll!



Go to: http://www.KrogerCommunityRewards.com

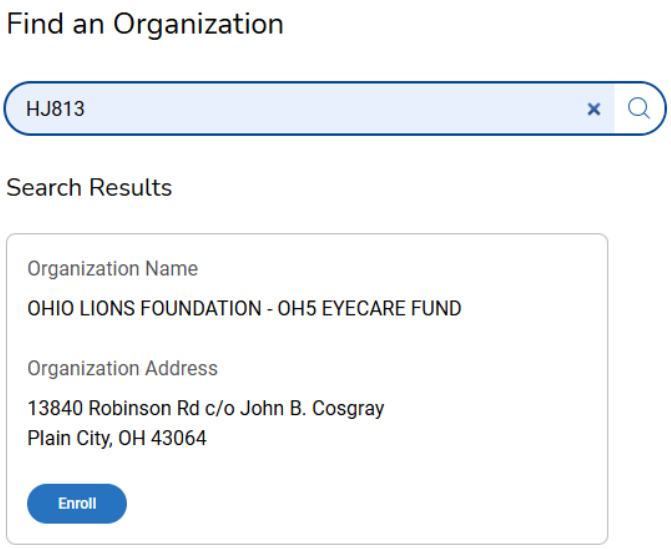
If you have an account sign in, if you do not have an account create one.



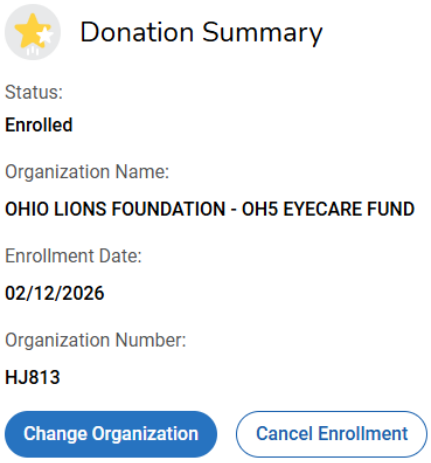
If you get taken back to the Kroger home page, just go back to http://www.KrogerCommunityRewards.com, you should stay logged in.

Find the section "Link your Card to an organization" and find a link saying to search for your organization.

Look for an "Enroll" button. Search for HJ813



Click the “Enroll” button. If you did it right, you should see something like this:



Then from now on look at the bottom of your Kroger receipt. It should remind you that you are enrolled and have the Eyecare fund listed.
