F4 – Sight and Hearing Foundation report August 2026

The Sight and Hearing Foundation met July 19th by Zoom. This meeting conflicted with another Lions Foundation meeting and so I missed the S&H meeting. No minutes have been produced as of yet, so I have nothing to report.

This is the second Sight and Hearing meeting I have missed due to other Lion responsibilities. I am not doing a good job balancing other Lion duties and service to the people in OH5 are suffering. For this reason, I have requested that 2027-2028 Governor Fred Porter replace me on his cabinet.

Yours in Service,

PDG Dave Luttrell, OH5 rep
