Fellow Lions:

The International Convention Committee met Saturday August 3, 2019 with six of the seven members present. Disbursement of the 2020 Ohio State pins for Singapore were distributed to all Committee members who will be selling them for \$2.00 each.

Discussion was held of the recent Milan, Italy Convention where 42 Ohio Lions attended and enjoyed a great time with a wonderful parade and events.

Much discussion was held regarding the elimination of the BAND COMMITTEE and what "MIGHT" happen to their duties and the funds. This will be discussed during this Lions year and the Council of Governors will be working thru this situation.

Lion Merle Dutt, Chairman
International Convention Committee
