## Calling all Lions and Leos

Have you heard the great news about the **"USA Canada Lions Virtual Leadership Experience: Racing into the Future with Kindness and Diversity?"** This new presentation will be held September 25-27. It will begin with a General Session on Friday evening, with Chairperson PIO Harvey Whit- ley welcoming everyone, followed by a tribute to the late VP Haynes Town- send, and keynote speaker Katherine Greenland.

Although we are not able to facilitate the 80 wonderful seminars that were originally scheduled, the committee is excited to present 19 sessions which focus on the North American Membership Initiative, Individual Enhancement Plans, Building Success, Dealing with Contentious Members, Attracting Younger Members, and suggestions for Attracting and Retaining Members, as well as Projects for Women and Families. In addition, we will learn how to charter a Leo Club and successfully sponsor a Campus Club. There will be in- formation on LCI's Digital Programs and Legal Issues. If you feel uncomfortable Approaching the Younger Generation or if your Zone Meetings need a make-over, you'll definitely want to tune into these seminars.

Our International President Dr. Jung Yul Choi will speak at the General Session on Saturday, followed by LCIF Chairperson PIP Gudrun Yngvadottir and KaSondra Byrd who will share information on LCIF's grant programs. Besides several educational seminars on Saturday afternoon, Four Diamonds will sponsor a Childhood Cancer Symposium, while the City of Hope will present the "Faces of Diabetes Innovation" on Sunday. Furthermore, there will be up- dates on Campaign 100.

If you ever wondered how the Forum began, join VP Brian Sheehan as he talks with three of our Founding Fathers: PIP Joe Wroblewski, PIP Judge Brian Stevenson, and PID Lacy Presnell, who will not only educate us, but will surely entertain us with their humorous personalities.

To wrap things up on Sunday afternoon, we will hear from our other keynote speaker, Striker Corbin, and get a sneak peek at next year's Forum Venue: Des Moines.

Watch for more information about this new and exciting Virtual Experience because you won't want to miss it!
