Governor Mike,

Since our last cabinet meeting, as you know, I've had a few challenges in my life and some of that has kept me from scheduling visitations. Although it was beyond my control I do hope to get as many visitations scheduled as time will allow depending on those challenges.

All in all, I have still been hard at work for the District trying to accomplish as much as possible for our clubs.

I also published the February District Newsletter with a lot of additional work on the Convention and the Long Range Planning Committee in between these dates.

I look forward to the upcoming zone meetings and getting out the next couple of months with the Lions of District 13-OH5.

If there is anything I can do for you or any of our clubs, please don't hesitate to let me know. I am here to serve!

Yours in Lionism,

Lion 1VDG Jackie Christensen
