Governor Mike

It is a honor to be asked to serve on the International Relations committee during this 2018-2019 Lions year.

During these past several months I have received several checks from the following Lions Clubs for the International Relations --

Gettysburg Lions

Marysville Evening Lions

Troy Lions

I also received a check for Student Volunteer Optometric Service to Humanity from New Albany Lions.

All these checks have been forwarded on and wrote and sent thank you cards to each of the clubs for supporting these worthy Lion projects.

A Lion Servant,
Lion Peggy Sue Myers
