

**OH5 Past District Governors Association**

**February 2020**

**Governor Jackie Miller,**

The third meeting of the OH5 PDG Association was held January 29, 2020 at the Pilot Dogs' facility. The Association decided at the October meeting that we would sell raffle tickets for the Hall of Fame Football Helmet donated by PDG Jeff Hatfield. Proceeds from the ticket sales will be used to help defray the cost of the DGe's spouse to attend the International Convention and to help with presenting a Melvin at this year's District Convention.

Association President Cosgray donated the purchase of a ticket generating software package and a package of 100 sheets perforated raffle tickets. This was less expensive than finding a printer to produce the tickets. A package of five (5) tickets and a letter explaining the use of the funds and who can purchase the tickets was distributed to each PDG present. Those not present will be mailed a packet. Please help us reach our goal of sell all the tickets by either selling the tickets sent to you or buying them yourself. The winning ticket will be drawn at the District Convention.

The helmet and raffle tickets were taken to the Winter Retreat and 47 tickets were sold at \$10 each. Six more were sold prior to the ticket packets being distributed. As of the start of the meeting, we had sold 25% of the available tickets.

The PDG members present voted to donate \$100 in memory of PDG Don Caprino to Pilot Dogs and donate \$75 in memory of Lion Pauline Rogers to Pilot Dogs. They also voted to send the State PDG Association a check of \$50 in lieu of a gift basket to support their efforts

in funding of raising \$1000 to sponsor the 2020 State Convention  
Saturday noon luncheon.
