

GMT REPORT/PDG Joe Jackson

Ethnic Clubs:

A group of OH5 Lions, including IPDG Mike Kerek, had a discussion with Dr. Liu, representing interest in the Columbus Asian community. Our plan is to host an information booth at the Asian Festival during the Memorial Day weekend.

License Plates:

Lions purchased 177 Lions License Plates; we needed 150; please renew your plates on time. In addition, I understand that at the Winter Retreat, only 27 cars had a Lions License plate! We need to do better!

Compliance remains a challenge to several clubs: Columbus Inner City, and Columbus Northern.

There are 17 clubs that earned membership plus badges from LCI last year; clubs can ask for help from the district if they see a need.
