

Lions Clubs International District 13-OH5

To: Lion DG Mike Kerek and the District 13-OH5 Cabinet
 From: Lion PDG Bill Christensen, District 13-OH5 OLERF Trustee
 Subject: F-3 -- Ohio Lions Eye Research Foundation (OLERF)

Our last OLERF Trustee meeting was on Sunday, February 17, 2019. Due to the resignation of Lion PCC Jeff Hillis as our Executive Director due to health problems, Lion DG Lydia Houser was appointed as our new Executive Director. Lion PCC Jeff had been our Executive Director for almost 7 years.

Donations have been coming in steady from the Clubs since the Ohio Lions Winter Retreat. At the time of the writing of this report, 56 percent of the funds raised last year in the District have been donated by 48 percent of the Clubs. Our District always does great in supporting OLERF.

OLERF now has a new website designer and maintainer, so look for the new website sometime this summer.

We now have a new table display and are updating our brochures. The display is at this convention.

The next OLERF Trustee meeting is Friday, May 17, 2019, before the Ohio Lions State Convention.

Remember contributions of **\$500** would allow your Club to present a member with a **Leadership Award, Bryan Fellowship**, or a **Neiderhauser Fellowship**. There are additional awards for contributions over \$1000.
