 Report to the Governor – Ohio Lions Eye Research Foundation
 November 8, 2020

Dear Governor Jason and the OH5 Cabinet

I learn something new about this foundation all the time. I am proud that this is one of very few Lions charities that is pro-active in making people’s lives better through better sight.

There are other charities devoted to researching eye care issues, however all donations donated to OLERF stay in Ohio, this is another fact that we all can be proud of!

Statewide, donations are down around 1/3 from where they were this time last year, and as you can see from the chart below, our district OH5 is not yet doing very well. 😞

Please let me know if you have any questions about our foundation and some of the great things we are doing. Please also look at the color OLERF brochure.
