OH5 Pride Report

District Governor Jackie Miller

Happy New Year all! Here's to a great 2020 and an exciting reminder to Ohio Lions and our 100th Year in celebrating our service to the world!! It truly is GREAT to be a Lion and know that we have all made a difference in our world by all we do for others.

I know I did not "officially" get this out to all of you but we are still doing the **Cub Excellence Program**. See the info for that in this newsletter (page 7) or you can find a form to complete this info on the District's website. For those clubs who have Cubs in your club, and I know quite a few who do, get

them in on this and let's keep our future Lions knowing what service to others is all about. We are also still doing the **Communications contest!** Please see those items in this newsletter for information (page 8). I need to have those clubs who wish to be in on the communications contest to please **notify me ASAP** so we can get you on the list and review your clubs activity to date, then keep up with what you do for the next couple of months until the convention. Please forgive my oversight in not getting this out to all of you sooner. It was a great contest last year with some surprise winners and clubs getting in on it who didn't before so I hope we can continue that again this year. Take a look and let me know if your club wants in on this again this year. The Convention will be upon us soon and there's still so much to do. We are planning so much fun and a lot of activity so please consider joining us...especially if you are a new member, come meet other Lions from around our District and get to know more about what Lionism is all about...and, of course, have some fun while you're at it. See pages 13-15.

Speaking of the Convention, my NOT wearing that jersey from the state up North isn't looking so good. District 13-OH5 Lions, we are down **(-37)** members from July 1st!!! You are still doing good adding members – thank you so much for that! – **58 added** this year!! However, we **lost 95** to death or resignation from Lions. I am asking for just +1 member from where you started in July. How can we help you with that? How can we help you keep

Lions from leaving your club? Please let us know.

Our Peace Poster winner came from the Sunbury Lions Club. She was Brea Lane from the Big Walnut Middle School. I hope you join us for the convention to see this beautiful poster. Help us get more posters next year and bring back someone doing the peace essay next year. I would love to see a poster from 10 clubs next year!

At this year's convention, we also have more to vote on than usual so I hope many of you consider joining us and casting your votes. We have Constitution updates to vote on and the election of candidates for OLERF, 2VDG (if we get a candidate), 1VDG and DG. We still don't have a 2VDG candidate yet, there are many who are qualified to do the job, (continued on Page 2)

(DG message, continued)

we just need someone to step up and say "Let's do this!" You would have a lot of help from many knowledgeable Lions throughout the District, please consider taking on this rewarding position. Remember...volunteering is hard work, but the rewards are phenomenal, and the joy is incredible. The Constitution updates that need voted on will be mailed out to all club Secretaries soon, along with other convention materials.

How can we help your club? If you need anything, please don't hesitate to let us know. We have many District Officers willing and able to help. I look forward to seeing you all soon. Thanks so much for all you do and all you have helped in the name of Lionism!!

Yours in Lionism, DG Jackie

FROM 1ST VDG LION JASON GRAY

Happy New Year! As we start a new year and set our resolutions, I encourage you to include a resolution on working together; your club can grow and reach new heights by working together with others. Please remember you can reach out to your district if you need guidance and I would also love to see clubs reach out to a nearby club if you need support. As we visit clubs, one of the constant messages I hear is "we are small but mighty." I love when someone says that, and it is so great to see the difference each club can make, but if you find you or your club needing assistance, please ask and embrace the help from other clubs; together we can make a larger impact on your communities. I recently came across the following quote and thought it fit perfectly with our message.

Please have a wonderful and safe New Years!

1VDG Jason

FROM 2ND VDG LION JOE JACKSON

It is with great sadness that we note the passing of IPP Elect Haynes Townsend, who was scheduled to become IPP in Singapore, in July, 2020. You will find a memorial tribute from IP Dr. Jung-Yul Choi on the next page. It is a reminder that we follow our own traditions in honoring Lions who have passed with the necrology service at the District Convention each year. If you have not already done so, please make sure that 1VDG Jason Gray is provided the names of Lions who have passed from your club, so that they may be honored at the convention.

How many clubs sponsor the Imagination Library, founded by Dolly Parton? Ohio's First Lady, Fran DeWine, is promoting the program in every Ohio County: OH5 has eleven counties. Here's hoping a club in each county will participate.

Please don't hoard donated eyeglasses. If you have having trouble getting them delivered to a student VOSH program, please don't hesitate to contact any District officer. We can come and pick them up from you for delivery.

Happy Holidays!
PDG 2VDG Joe

Remembering International First Vice President Haynes Townsend

Dear Lions,

It is with great sadness that I am writing you today. We have experienced an incredible loss to our Lion family. On December 17, International First Vice President Judge Haynes H. Townsend passed away. We are heartbroken by this tragic loss to our Lion family, to the Townsend family and his loving wife, Donna.

Judge Townsend was a capable man, a humble man, a man who believed in the power of kindness to help and to heal. He was a judge who presided over his courtroom with integrity and heart, knowing that lives and destinies hung in the balance. He was a leader who believed that big ideas should drive us but that compassion should guide us. And above all, he was a Lion. For 40 years, Judge Townsend served. He was an active member of the Dalton Noon Lions Club in his home of Dalton, Georgia, USA. He believed that acts of kindness, both big and small, could change lives. And that's just what he did as a Lion.

It is difficult to lose an international leader of such importance. But it is even harder to lose a man of such character. We will always cherish the time we had with Judge Townsend, and we will continue to move forward, working to bring his vision for Lions, and a world of kindness, to life.

Regards,
Dr. Jung-Yul Choi
International President

CLICK-TO-DONATE VISIT GREATERGOOD.COM

If you find yourself with time on your hands during this holiday break, you might use it to explore the GreaterGood.com website and learn how you can make a difference in 2 minutes every day, without leaving your computer screen. It started, 20 years ago, with the Hunger Site. The folks behind this idea gathered corporate sponsors willing to donate money to buy food for the hungry in exchange for a show of interest/support by folks surfing the internet. You can only donate once a day, but at the current sponsor rate (1.13 cups of food/click), if you visited the site daily, you would be sending out more than 400 cups of food for those in need. In the last 20 years, almost *720 million* cups of food have been donated to fight hunger worldwide.

The next click-to-donate site was the Rainforest Site. Every click there helps to protect the environment. Over the years, folks clicking on that site have protected more than 150,000 acres of habitat.

About that time, other websites were created to fund worthy endeavors, and they joined together under the heading of "Greater Good." Today, you can visit

<https://tinyurl.com/greatergoodcommunities>
and click through to:

- The Animal Rescue Site – contribute toward bowls of food for hungry shelter animals
- The Breast Cancer Site – contribute toward funding a mammogram
- The Veteran's Site – contribute toward feeding a hungry vet
- The Alzheimer's Site – contribute toward funding Alzheimer's research
- The Diabetes Site – contribute toward funding diabetes research
- The Literacy Site – buy books for kids in need
- The Autism Site – fund hours of therapy for children with autism
- The Rainforest Site – fund acres of protected habitat every Day
- The Hunger Site – fund cups of food for the hungry

Bookmark the site, visit once a day, click your way through to those causes that are of interest/concern, and make a difference! *WE SERVE!*

NOTES FROM LIONS SIGHT & HEARING: STATE AGENCY DONATIONS

It's the time of year for Lions Clubs to make their annual donations to the State Sight & Hearing Agencies. These are important activities for a club and need to be prepared properly.

First, if you want to donate to a specific agency the check should be made payable to the name of the agency. Second, if you want to donate to the state "umbrella" fund where all such donations are divided up between the agencies, the check should be made payable to Ohio Lions and "Sight & Hearing" should be entered on the memo line.

Whichever you choose, the checks should be sent to the current District Sight & Hearing chair for recording and forwarding to the proper destination. Right now, that is Kathy Cosgray from the Plain City Club. Her address is in the District directory.

If you send the checks to me, Lion Robert Medley, two things will happen. First, your check will be delayed in reaching the appropriate agency. Second, it forces me to spend money on an envelope and stamp to get the item(s) to Lion Kathy.

I was honored to serve as your District Sight & Hearing chair for six years. My time is over, and Lion Kathy has assumed that mantle of responsibility.

NOTES FROM THE SENSORY GARDEN: THE BEGINNING

The International Horticultural Exhibition opened in Columbus in 1992. It ran from April 20 through October 12 and was held at the Franklin Park Conservatory. Horticulturalists came from around the world to design various areas with flowers and other items all with a garden theme. One of these areas was the Sensory Garden sponsored by Lions. The garden consisted of chimes hanging from trees (hearing), plants that had a fragrance

(smell) and plants that were soft to the touch (feel). (Thus the name Sensory Garden) This garden area was especially designed for the visually impaired and gave them an opportunity to use their senses of hearing, smelling, and feeling to enjoy the garden which they did not have in other areas of the exhibit.

When the exhibit was closed, it was decided to move the Garden to the Ohio State School for the Blind.

In the next few months, you will find out more about the Garden.

LIONS INTERNATIONAL TRADING PIN CLUB: YOUTH SCHOLARSHIP

The Lions International Trading Pin Club is proud to announce a Youth Scholarship of \$2500 for a graduating senior who is the child or grandchild of a Lion, Lioness and/or a member of a LEO Club. The most important aspect of the Youth Scholarship Program is to help a young person pursue his/her education and follow their dreams.

The LITPC takes great pride in fulfilling the motto of Lions Club international, "WE SERVE." During the SightFirst II Campaign, the pin traders contributed US\$144,000 to LCIF. Our Scholarship Program is another example of the pin traders; slogan, "Lions First."

Selection of scholarship recipient will be based on academic achievement, an essay stating the student's goals, a statement of reason(s) for applying and an overview of work, community and school service, and letters of recommendation. Applications and supporting documentation are to be completed and submitted to the pin trading club scholarship chairman named below by March 1, 2019.

We encourage all graduating seniors who are the children/grandchildren of Lions or Lioness members or who are members of LEO Clubs to participate in our Scholarship Program.

The Scholarship guidelines, Application Form and Acknowledgement form can be found on the LITPC web site at www.litpc.org or on the OH5 website at <http://e-district.org/userfiles/1080/file/Resources/2018%202019%20LITPC%20Scholarship%20Information.pdf>.

CUB Excellence Award

This award is to recognize those junior members, who have been inducted in as Cubs to any club in District 13 OH5, or are a member of a Junior Lions Club sponsored by an OH5 Lions Club, who accomplish the criteria identified in this document. Participants must be between the ages of 8-12. Parental written reporting of accomplishments is adequate except for Item 1, which will need to be said to the DG from memory prior to the 2020 convention. Parents are asked to document events, dates, and times, and submit no later than March 1, 2020 to DG Jackie at cwpaws13@gmail.com for consideration.

Anything from July 1, 2019, to March 1, 2020, will be eligible for consideration, but must be documented. Both Cub and parent must sign submission.

1. Memorize the Pledge of Allegiance and state from memory (be prepared to present this to the DG)
2. Attend a minimum of two regular Lions meetings.
3. Participate in a minimum of 10 hours of community service. (Does not have to be Lions related, but must be helping people or the environment. If this is a Lions event(s), it must be a service project, not a fundraiser. Time can be spread out over multiple events. Can be done with family members or with an organization.)
4. Participate in at least one public event or project that addresses one of the five Lions initiatives: Diabetes, pediatric cancer, hunger, vision, or the environment. **(Any hours accumulated here cannot be used for Item #3)** This does not have to be a Lions related event, but must involve some organization. (Club, church, civic or community organization, etc.)
5. Assist in own home with a minimum of 2 chores for a period of not less than one month, as agreed upon between parent and Cub. Chores should be ones that happen at least 3 times a week to accomplish. (i.e. cleaning room, feeding animals, washing dishes, helping with laundry, etc)
6. Have at least 30 consecutive days without getting in trouble at school. (No notes from teacher!) This includes homework turned in on time and an effort made toward studies to the Cub's best abilities.
7. During the course of the contest time, do at least 1 nice thing for 10 different people and report to parent. (If parent didn't witness it.) This can be anything, big or small, from holding the door for someone, picking up something that was dropped, helping a friend figure out a problem, sharing a snack, etc. Do not do anything that would be considered unsafe or unwise!
8. Participate in a minimum of two family-type activities involving at least one parent or guardian. (This does not include watching TV together, or any other type of activity where there isn't interaction. Other family members may be a part of the same activities.)

This list seems to be a lot, but all the requirements (with the possible exceptions of #'s 1 and 2) are things that all Cubs and Junior Lions should be doing anyway! Best of luck. We hope to have some award winners to honor at the OH5 District Convention. These awards will be presented at the Friday Night Fun Night on March 14, 2020, at the Doubletree in Worthington, approximately 7pm.

District 13 OH5 Communications Contest

1. This contest will replace the Newsletter contest.
2. Final judging will be done by the DG, IPDG, VDGs, and the Marketing and Communications Chair.
3. There will be 1st and 2nd place awarded for clubs 29 members and under, and 30 members+.
 - a) Any club participating must have at least two forms of communication, including at least one that is electronic. (i.e. website, Facebook, Twitter, etc.) Clubs should identify these when they submit for participation. MAKE SURE club is easily identifiable with all communications!
 - b) Communication must have at least one form for member information, and at least one form for public information. These can be combined in each type of communication but do not have to be.
 - c) Websites should be regularly (at least once every two months) updated; Facebook and other social media should be updated at least once a month; newsletters (emailed and mailed) should be monthly. Promotional brochures highlighting the club will be acceptable as well. Flyers highlighting special events will also be viewed favorably. Email communications with simple notes to members are considered, but do NOT simply copy DG Jackie on a thread – this will be deleted without consideration. Relevant communications of this nature should be forwarded only, as a sample.

Criteria include regularity of updates; appearance; content; ease of navigation; and promotion.

4. Contest will run from October 1 to March 1. Final results and awards presented at the OH5 Convention Lunch.
5. Any club wishing to participate needs to submit an email to DG Jackie at cwpaws13@gmail.com. Specify the methods of communication your club wishes the panel to take into account, and provide account name (in the case of social media), website address, and/or newsletter if this is something used. An email will be sent to acknowledge. DO NOT ASSUME you are registered until the response email is received!
6. Send all newsletters to the above email, where DG Jackie will forward to the other judges. Websites and social media will be regularly monitored.

Feel free to contact DG Jackie with questions prior to or during the contest

The Barn

Schiebel's Museum of Pins

If you're in the Upstate New York area around Rochester, and you have a couple of hours to spare, you might want to call LITPC PP Jim Schiebel, PCC, to see if he's available to show you "The Barn." Based on what we've heard and on conversations with Lion Jim, it sounds more like a museum of Lions pins, banners, and other memorabilia.

Several years ago, one of the founding members of Lions International Pin Traders Club (LITPC), the late Andy Zlomsowitch, had a poor man's version of what we think "the Barn" represents. Lion Jim admits that although he has a collection that many would like to own, he may not have as many unique items as Andy had. However, if he continues to be the successful bidder on Lions memorabilia that at many pin swaps, he will certainly match or even exceed Andy's display. The appearance and the manner in which the items are displayed are probably what Andy had in mind, but he just didn't have the resources or the physical stamina necessary to realize his dreams. Andy always referred to his setup as "Andy's Museum." Others who visited the site marveled at the collection but were not impressed with the physical plant itself. From a distance, Lion Jim's barn looks like just that – a barn. The inside is obviously another story.

Ohio's own PID Lion Steve Sherer currently serves as the Vice President of the LITPC. Lion Steve visited The Barn in 2016 and was able to share the photos here.

The pins are displayed in the glass frames like so many pin traders use to maintain their collections. Turning them on their sides like this is interesting, to say the least. Lion Jim claims he has little or no problem in having the pins stay in place inside the frames. Not shown is the ladder that it obviously takes to reach the upper levels on the walls. Keep in mind, these snapshots represent just a small space in a very large "Barn." It's certainly impressive and no doubt takes a lot of time to maintain the collection. Something to put on your "to do" list?

The Lighter Side of Life...

Warning. I'm exercising, eating right, and watching my alcohol intake. That means I'm sober, I'm cranky, and I'm sore. Proceed with caution.

I don't need a personal trainer. I need someone to follow me around and slap unhealthy food out of my hand.

Based on how much my body cracks and pops when I work out, I'm pretty sure I'm about 74% Rice Krispies.

Taking naps sounds so childish. I prefer to call them horizontal life pauses

I don't trip. I do random gravity checks.

I just don't want to look back and think, "I could've eaten that!"

I have been putting a lot of thought into it, and I just don't think being an adult is gonna work for me.

Without sleep, we become tall two year olds.

Again, may I say congratulations? You are an inspiration to all the crabby people in the world.

MAKE THE RIGHT MOVE!!!

Turn in the names of potential leaders.

Leadership Development is critical to the overall success of any organization. Your club, zone and district cannot prosper without good leaders. Once a potential leader is identified, he or she can be provided with information, training, mentoring, and motivation to advance. All Lions are encouraged to be on the lookout for potential leaders and to turn their names and contact information into the District Leadership Committee: Steve Kaplan: skpk1984@aol.com.

FUNDRAISING OPPORTUNITIES AWAITS

Is your Lions Club thinking about a new "turn key" way to raise funds for that next community service project? Maybe the Millersport Lions Club can help your club achieve its goal.

There is no investment on your part. For every ticket your members sell you keep 1/2 of the proceeds and only have to return the other 1/2 of the proceeds, all ticket stubs and any unsold tickets before opening day of the Sweet Corn Festival. It doesn't get much easier than that for a way to raise big dollars quickly. The tickets sell easily because of the top prizes, the funds benefit worthy causes and the event has been around for over 73 years.

If you want to learn more about this proven fundraiser or want to place an order for an allotment of Major Prize Tickets, contact Lion Kelvin Hite at 614-354-3159 or kelvinhite@gmail.com today. Kelvin serves as the Chairman of the Major Prizes for the Sweet Corn Festival and is President of the Millersport Lions Club.

The Sweet Corn Festival is the oldest and largest annual project of the Millersport Lions Club which was founded in 1946 and will be held on September 2-5, 2020 at Historic Lions Park in Millersport. Patrons can enjoy hot dripping ears of sweet corn, a large midway, tractor pulls, square dancing, contests, clogging, our heritage village, and lots of festive foods. There is a grand parade on Wednesday at 6:00 pm; Nashville Country Artists appearing on Friday and Saturday at 8:30 pm; a 5-K Run on Saturday at 9:00 am. Come see why we are ear-resistible fun! Admission is free, \$10 per vehicle parking fee.
