

# Centennial Celebration Homecoming

Dear

This Fall, Lions in Ohio prepare to celebrate the 100<sup>th</sup> anniversary of Lionism in our state. The Lions of Ohio MD-13 will be celebrating our past and our future. Lions Clubs all across Ohio will hold HOMECOMING events, welcoming back folks in the community who were Lions in the past, and those who have had a close association with Lions through family members and friends. It is not just Lions who celebrate our past achievements – it is all those in the community who have been touched by the commitment of Ohio Lions to service throughout the last 100 years.

These HOMECOMING celebrations are a way to honor the service of Lions in each community over the years, and to get a glimpse of the future of Lionism as MD-13 enters our second century. As our numbers grow, so does our impact. As Lions Clubs reach out to women, family members, and those of all ages committed to service, we are reminded that for every one additional Lion, an additional 50+ people are served each year. We invite you to join us in acknowledging our past, and encourage you to (re!)join us for our future. Remember...

Yours in Lionism,
