

2020 – 21 District 32 C Project

“Sight for Mozambique”

Your District Governor team has selected a project this year that every Lion in the district can join in and be part of its success. Used eyeglasses that we collect will be forwarded to the Darlington Lions Club, read and catalogued. These glasses will then be shipped to Mozambique to be distributed by Darlington Lions George and Sandra Chace.

We’re asking your club to help defray the cost of the shipment, travel and other equipment necessary to make this project a success. Please consider making a tax-deductible donation to: Sight for Mozambique [a 501 (c) (3) organization] Tax ID # 82-252-6582

379 West Broad Street
Darlington SC 29532
