From DG Pauline Cooper:

Prattle from Pauline:

Well, here it is – the middle of August already! I can't really say "how time flies when you are having fun" (though I hope YOU are having fun!), I can only say – "how time flies!!" Every day I get more emails, and my list of things to do grow by leaps and bounds – maybe by next August I will get them done! (Okay, I have to admit, however busy I may be, this is what I want to do. I am surrounded by such wonderful people and we do such good work as Lions.)

Our first District Cabinet meeting was held on Saturday, and there are a couple or three highlights I want to share. We had a great presentation with some proposals for reintroducing the Youth Exchange programme into our District. Lions Edna & Arnold Nelson from Cowley and PCC George Takashima are the leading force for this valuable programme and we even found some money in the budget to support it! (And, yes, Lion Bryant, treasurer and keeper of the money, they will have to provide a budget and receipts to use any of it!) Something else that is promising – we have a candidate for the Emerging Lions Leadership Institute (ELLI) to be held in October. Lion Ryan McNeil is the LFC Chairperson and Vice President of the Redcliff Lions Club. Our best wishes and support go to Lion Ryan as he takes advantage of one of the many resources through Lions Clubs International! PDG Steve Hadnagy, Convention Chairperson filled us in on the preparation and plans for the upcoming District Convention to be held in Butte, Montana on November 7th & 8th. Some of you may remember the incredibly successful first Montana Rally held a few years ago? Well, PDG Steve and PDG Ed Malesich had a hand in that and it seems like this convention will be not just successful, but certainly memorable! Registration is very affordable at \$75 US and the room rates at the hotel and adjoining motel are in line with that. When you call to make your reservations, make sure you ask for the Lions rate. There are a couple of things that clubs can think about in terms of helping promote this convention – donation of items for the silent and live auctions, and perhaps you could consider offering to host a coffee break?? Our International Guest is from North Dakota – Director Robert Littlefield and his wife Kathy. It would be really special if he could induct a new member or two at the Convention...Hint! Hint! Hint!

We welcomed 4 guests from District 37-O at the Cabinet meeting: DG Don Eddy and his partner in service, Lion Lin Kent, VDGs Hazel Hiebert and Gail Haight. In May, after the MD Convention we got together to talk briefly and informally about the changes that would be in the works if our MD redistricting proposal is approved

by the Board at LCI. One thing that we agreed to do is to attend each other's District Cabinet Meetings. On August 17th, VDG Cathy Anderson and I will be attending DG Don's first Cabinet meeting. Each District handles the business of Lionism differently and it will be interesting to see how 37-O and 37-N are similar and different. Immediate Past District Governor Monte Weisser drove up from Kalispell, and tried to hide his gloating – for not having to chair the meeting, and for being able to transfer all the boxes, flags and other District paraphernalia to me. Thanks, IPDG Monte. (hmmmp)

So, what else? I said in last month's newsletter that I would explain the design on my personal pin. The explanation is elsewhere in this issue. I have Goals for Membership and Leadership – "I" have – but they are goals I cannot achieve alone. Your help is needed. Each club should have their own set of goals – and I encourage-suggest-ask-beg each club to actually *write* these goals down – and share with the DG Team (me, VDG Cathy, Zone Chair, District GLT – PDG Sharon West & her team, and District GMT – PDG Laura Dickerson & her team), because, maybe we can help you achieve your goals, just as I am hoping you will help me achieve MY goals for the betterment of Lions within our District. There are some great tools to help strengthen a club: Blueprint for a Stronger Club and the Club Excellence Process (CEP) are but two for you to use. My Goals on Membership and Leadership are summarized elsewhere in this newsletter. (The complete package including the action plans/step-by-step to achieve the goals will be uploaded to the District Website.)

Just had a thought – I have been talking about VDG Cathy and while I know some of you know who she is, she hasn't been formally introduced in the District Newsletters or on our website. Well, photos have been taken and she is finding her bio, but she is a little distracted because she is on a 'baby-watch' for her daughter's first child. VDG Cathy's photo and bio will be in next month's issue of this newsletter (and maybe on the website sooner). VDG Cathy and I went to the first MD Council meeting in Calgary at the end of last month. One topic of discussion was the Centennial Committee. PID Dr Patti Hill and PDG Bill Pfeifer are the co-chairs and each District has a representative on the committee. VDG Cathy is our rep. As you know, the centennial anniversary of Lions Clubs International will be in 2017 – and while it does seem way too far in the future, remember how time flies?, clubs are asked to think about projects to commemorate this landmark achievement. 100 years of service to the world – wow! 2017 is also marks a significant date in Canadian history – Canada will celebrate her 150th birthday. So, think about doing something significant to celebrate 100 years of Lionism (and again, let us know!)

There is a 'Centennial Service Challenge' on the LCI website that you should look at. One other item from the Council meeting has direct impact on clubs and finances. (No, it is NOT a dues increase.) LCI has implemented a pre-authorized debit payment process for clubs to use to pay their International Dues. The way I understand it, each club will be contacted to complete the debit payment form with the banking information. When a club receives a bill/invoice for International dues, the club secretary/treasurer will send an email to LCI to authorise them to take the money directly from the bank account. No extra charges for money orders and there should be no more problems with delays and subsequent exchange rate issues. The MD and LCI have been using a similar process with automatic deposit for reimbursement of expenses for the District Governors. I think that with the implementation of this debit/withdrawal process, many of the current issues with late or short payments will be eliminated.

Well, you would think I have nothing better to do than sit here at my computer and tap away – babble-babble-babble. But, there is sooo much going on in Lions and with Lions, it is important that I share with you what I can. Knowledge is power. Each Lion in each club has the power – and I know you have the heart. International President Joe Preston’s theme is something we all can embrace – “Strengthen the Pride” – EVERY Lion has a role to play and is valued. Share your commitment to the ‘Pride’ and invite others to experience the experience of being part of this wonderful organization – Just Ask – someone who has a heart like yours.

Yours in service (and proud of it!)
DG Pauline

District Governor Pauline’s Personal Pin:

So, it is a pin with a lot of stuff going on – let me explain from the top down! But first, I must give special thanks to my ‘brother’ PCC Ben Pond for the initial design of the pin, and Laurie Artiss, The Pin People, who have such talented artists.

Easy part – very top - my title and name, far left – our District 37-N, in the middle of the mountain - Lionistic year 2014-2015 and on the far right - the Lions clubs International symbol

Now, the mountain is a representation of Chief Mountain – quite a distinctive shape in the southern Alberta Rockies – the mountain is actually in Montana – but as we say on this side of the border ‘they may have the mountain, but we have the view’! I like the symbolism of the mountain being so much a part of both Alberta and Montana – and being a Lion in our District truly represents the international flavour of our wonderful organization. We can proudly wave both flags and sing the national anthems (with enthusiasm, if not always in tune!)

Snow at the base of the mountain – yeah, we have snow and we know how to deal with it. The river represents the border and the bridge over it, represents us – the Lions in our District – showing that borders do not stop our desire to serve. Left hand side of the bridge is a star to represent the US side of our district and the maple leaf on the right, represents the Canadian side. My ‘motto’ for this year is: “We Serve – From Prairies to Peaks” and it is placed under the bridge – to show we have to support the service provided by Lions in our District – and everywhere from the prairies in the east to the peaks in the west. The colours are kind of symbolic of the blue and gold in the Alberta provincial flag – just so you know that I am an Alberta girl!

To some, my personal pin may be just that – an ordinary pin – but I hope when you look at it, you will see the pride we have as Lions in an International District, in an International Organization – dedicated to the service of others. And whatever happens to our District boundaries, WE SERVE...FROM PRAIRIES TO PEAKS.

MD 37 Pin for the International Convention in Toronto (July 2014) are available!

I have 120 MD 37 Pins available for sale. For ease of accounting (and to keep the treasurer relatively happy!) the pins cost \$3 each (Canadian \$) or \$2.50 each (US\$).

Please contact me, VDG Cathy or Cabinet Secretary Ardith.

(Projected date for the information to be on the website and with the District GMT/GLT Coordinators is September 2014).

A final note:

This newsletter and our District Website is for the use of the Lions in District 37-N. Advertise your club events and activities and successes. Photos are great. Articles and photos may be sent to the Newsletter Editor, PDG Ed Malesich at edsich@bresnan.net .

And... We have already lost some loved and beloved members of our Lions family. I do look at the deceased listing on the LCI website, but I would appreciate it if you could let Secretary Lion Ardith, VDG Cathy or me as soon as one of our Lions passes away. We can let the District know of the loss – and perhaps one/ some of us would want to pay our respects to the club and the family.

WWDRD

The young man stood at the front of the room, took a moment to compose himself and started to talk. He had a tattoo on his wrist – **WWDRD**. He showed us and then told us what it means...to him, his family and I think it should be significant to all of us. The young man's mother had passed away just 4 months before we gathered to commemorate and celebrate the life of his father. Legion members and Lions members sat side by side in the front rows. It wasn't just the family grieving this loss of a remarkable man. For more than 40 years this man had been known as Santa to many in the area – and as one of the speakers said – “He was no saint – except when he was St Nick!” He was a dedicated family man and a loving husband (and I guess he was sometimes a little stubborn). His commitment to his family extended to the entire community. For example: he saw a need for something – like a girls' hockey team – and made it happen. When I was in Toronto in July at the International Convention, there was a logo/motto I saw that perfectly fits this fine gentleman – “Where there is a need, there is a Lion”. And our new International President Joe Preston was promoting getting new members by saying something along the lines of ‘Just Ask...ask someone who has a heart like yours’.

WWDRD?? - What Would Doug Raffan Do? – Lion Doug exemplifies all we try to do and be as Lions – we aren't perfect but we care, and try to make the world a better place. I won't suggest that we all get tattoos to remind us how vital it is to our own well-being and that of our communities to live our motto “We Serve”, because wearing our Lions pin should be signage enough. I will suggest that we all try a little harder to find those who have caring hearts like ours, and welcome them into this Lions family, so they can share the incredible, wonderful feeling of making a difference in the lives of others. And I would like to think Lion Doug would agree that “Where there's a need, there's a Lion”.
