NOT JUST CLOWNING AROUND - ARE YOU DOING SOME GOOD and HAVING SOME FUN?

Hello fellow Lions ,
As a good friend of mine often says " It's a great day to be a Lion ". It's all about seeing the joy in the faces of those we serve. We as Lions take pride in the service. I know as I see the smile of a child we helped with eye screening or the child we get across the street safely for school , the person we help with their hearing, Helping at a food bank to feed and nourish someone down on their luck and many other services we provide.

Let's share that joy with family , neighbors , co-workers and friends, If Lions and serving others makes us feel so good let's encourage others to feel equally as good . We should encourage those non-Lions around us to put their kindness into action as a Lion. It's easy to ask "want to feel good about yourself, want to help others, want to be a Lion?"

**From the Heart,
Governor Lynn**
