

Governor Lynn's Monthly Newsletter- July 2023

Fellow Lions of District 36-R,
Governor Lion Lynn here reaching out with great news about new communications within our Lions district. This Lions year we will have two ways to connect with Lions throughout the year, through a district web page and a monthly newsletter sent out to all members.

Governor Lynn Coon and wife Kathy

NEW DISTRICT 36-R WEB PAGE - First, Lion David Nielson and Lion Tom Hilgers are developing the 36R web page. This will be for our thirty-two Lions clubs, Leos and all Lions in District 36-R. The web page will be updated on a monthly basis with information on events, happenings, club and district activities.

The new district service calendar can also be found on the web page. Your club is encouraged to put your activities on the calendar. Directions for submitting your club activities can be found on the new web page. This will be a great way to share and see what other clubs are doing. Our web page is at:

https://e-district.org/sites/district_36_r/index.php

UP-TO-DATE NEWSLETTER - Second, there will be a monthly newsletter distributed to all Lions in our district. The newsletter will have directions to the district calendar with service project information, a message from the Governor, and information on current projects. Thanks to Lions Tom & Paula Hilgers for making our monthly newsletter possible.

WHAT WILL HELP - We need every club to get us the email addresses of their members. We are looking forward to being able to communicate with every lion out there. I've always said the best way for our lions to stay connected is to COMMUNICATE, COMMUNICATE, COMMUNICATE.

Watch for more to come as we prepare and move forward to Lions Year 2023-2024. Always remember that as you serve from your hearts, you Lions are making a difference to those you serve.

SERVICE FROM THE HEART, I BELIEVE LIONS CHANGE LIVES TODAY AND FOREVER.

DG Lion Lynn Coon 36-R

Governor Lynn's newsletters will be available on the new district web page, or you can click on the button below to download and print it.
