SPOTLIGHT ON SERVICE

Lions in District 36R do a wonderful job providing service to our communities. But this might be the year to do just a little bit more? One more service project? One more fund raiser?

Maybe now's the time to step up with a new project. Even the smallest service project makes a difference in someones life!

JOIN THE YES CLUB!

Do the members enjoy the club projects? Have the club members been asked what projects they like? What projects they would like to see changed or deleted? What new projects would they like to start?

Now's the time to survey the members for their ideas. Here's the key to member involvement. When suggestions are made the responses need to be positive: "yes, let's try it!," or "Maybe, can you give us more information?" or some other positive answer. Never answer with the Are you kidding? We did that 20 years ago and it didn't work then and it won't work now!" Do not start with "NO!" or negative answers.

Can you stay open to NEW ideas? GREAT - Welcome to the District YES club!

Governor Lynn's September Message

SERVICE FROM THE HEART and we will CHANGE THE WORLD!

In 1925 Helen Keller addressed the lions and said to them ,
"THE BEST THING YOU CAN DO FOR YOURSELF IS DO SOMETHING FOR SOMEONE ELSE."

How true this statement is. When we are serving others and giving back to our communities , it does more than make a difference to those we serve it makes a difference in our lives . When serving others it makes you as a lion walk a little taller , makes you feel a little prouder and I know makes you feel a whole lot happier ,

Our service journey encompasses four simple phases .
LEARN,DISCOVER, ACT and CELEBRATE . These four words are simple yet powerful because they are the words of lions service .

*LEARN- We learn of our communities needs .

- * DISCOVER - It helps focus and prepares us for action .
- *ACT- Take action according to what needs to be done .
- *CELEBRATE- Do something to mark the success of the service.

Our International President Dr. Patty Hills theme this lions year is CHANGING THE WORLD . My theme is SERVICE FROM THE HEART . So fellow lions as we serve remember to serve from the heart , because I believe when we serve from the heart we not only make a difference in our communities , WE ARE CHANGING THE WORLD .
