Governor Lynn's April Newsletter

Lions of 36-R, first let me say what an honor it is serving with all of you as your district governor. I feel we have had a great Lions year so far. Though our membership is down a little, we continue to serve our communities. We need to continue working together as a team both in our clubs and the district. We need to continue serving from our hearts not only our communities but our fellow Lions. I'm asking you to take the time before we drop a member to reach out to them to see why they want to drop. Reach out to them with a member satisfaction question sheet. Have we offered to pick them up to attend a meeting if we haven't seen them? Have we made that phone call just to see how they are doing? This is where I ask all our Lions, are we serving our fellow Lion as well as our community? If not let's change that and see what we can do for them as well. Kindness goes a long way. It's part of who we are as Lions. As the late Haynes Townsend said and was known for KINDNESS MATTERS. This is both towards our

communities but also our fellow Lions. Thank you again Lions of 36-R, Lets finish our Lions year with a positive net gain in membership growth and let's retain the Lions we have. Let me remind each club you can receive a club Excellence award with just a short list to check off including club membership growth. SERVICE FROM THE HEART. I firmly believe that when we Lions serve from our hearts, we go beyond making a difference in our communities. We are in fact CHANGING THE WORLD. In service District Governor Lion Lynn Coon 36-R
