

District 36-R Q4 Cabinet Meeting Minutes

Date: June 15, 2024

Location: Albany Regional Museum, 136 SE Lyon St S, Albany, OR 97321

Acknowledgments: Location arrangements by Lion Darrel Scott; refreshments furnished by DG Lynn Coon and Lion Rod Bach.

Call to Order and Welcome: 9 am by DG Lynn Coon, who thanked all who came, for their smiling faces, and their support to him at his last Cabinet meeting as the District Governor.

Pledge of Allegiance: Lion Bill Scheler

Invocation: Lion Diane Bash

Introductions: All introduced themselves, 23 Lions present; see list below

Approval of Minutes: Cabinet Secretary Diane Bash. Lion Rod Bach moved to approve the minutes from Q3 Cabinet Mtg in March, with any corrections needed; Lion Mike Skinner seconded. Approved.

Officer Reports

District Governor – DG Lynn Coon expressed that he has enjoyed this year as the DG, and that he has seen great things happen in the district. He has seen Lions grow within their clubs and coming together. He mentioned the two special grants that have been approved (The Hunger Grant and the Disaster Preparedness Grant. He asked us to keep Lion Michael Cairns in our thoughts and prayers, and thanked him for his work. Lion Danny Jaffer has stepped in to take his place on the grant. He announced also that Lion David Nielson will be the MD Information and Technology person as well as continue for the district.

Next year's DG will be Linda Stent from Mapleton Club, and Lion Karen Norton will be her first Vice. We need a lineup of more Vice DGs so the transitions are smooth. Lions Karen and Fran got special awards at the MD convention and were well deserved. DG Lynn will be working with 4 districts as Council Chair, and he is excited to see membership growth. He will try to stay focused, keep a positive attitude, and work on dreams, and to bring out Districts back to the pre-covid status. His full report is available.

Past District Governor – David O'Kelley was not in attendance; no report.

First Vice District Governor – Linda Stent was not in attendance; no report.

Second Vice District Governor – Karen Norton expressed that she is honored to be the 2nd Vice DG and to follow in the footsteps of those before her.

Cabinet Secretary – Diane Bash – summarized my report, encouraged the use of the District Website; asked how I can best support the members of the Cabinet and their Club Secretaries. Suggestions were to continue to press for Cabinet reports, and work with Zone Chairs when not hearing back from club secretaries.

Cabinet Treasurer/Finance and Budget – Brian Rangitsch was not present. DG Lynn read a summary of his report. General Fund – Still have \$1,174.50 in dues left to collect and report. Start now in gaining sponsors for the convention in February. Lions Quest Grant, any unused funds need to be used or returned.

Cabinet Marketing - OPEN

District Administrator – Michael Ward – Not present. He is stepping down. His report was summarized by DG Lynn. The new portal is not easy and people are still struggling.

District 36-R Q4 Cabinet Meeting Minutes

Global Action Team (GAT) Reports

GLT Coordinator (Leadership) – Fran Sibernagel – Not present but report available. DG Lynn added that training has gone well, and Lion Fran is staying in her position as GLT. She is working with Lions Linda and Karen to prepare for **officers training** taking place in Junction City on July 13th at the Moose Lodge and July 27th in Albany at the Sizzler's. Another **officer training** will be in Keizer on September 7th. Our district has done many trainings, while other districts have done none.

GMT Coordinator (Membership) – PDG Steve Moser – Present – has report – added that we are here to have fun! An idea is to make 5th day in a month a social event. He has over 100 Lion lawn signs if anyone wants them.

- Lion Tom Hilgers – Other MD are down many members all over the states. MD 36 is down 51 members! MD 4 in California has less loss in the last 8 years, and is up 218 members this year, possibly because of positive attitudes. He points out that our District is doing well because DG Lynn is optimistic! Many of our Clubs are in rural areas that are resistant to change. We must be open to change. ID Bob Lee at the MD Convention said the key is to bring young people into the Club and then get out of their way - allowing them to make changes. Reevaluate what your community needs and be willing to address those. DG Lynn added his thoughts about this – being friendly, sitting with different people, get out of the rut of doing things the same way, work together, old and new, share ideas. New ideas can be great ideas!

GST Coordinator (Service) – PCC Rod Bach – This is the best job there is! Service is what counts! On our website, there is a list of 100 service ideas, some simple and some more involved. There is a link on “How to do these projects”, hints on how to do these ideas. Communication – Constant Contact – sends out emails but not everyone opens them (technology shows who opens them). He encourages us to please open and take a look at the emails. Boards and members need to be open and try something new. DG Lynn added that next year, Lion Rod will be the MD Global Leadership coordinator.

Committee Reports

Convention Planning – PDG Tom Hilgers; Craig Urbani – Report available. Oral added Feb 8th will be our next District Convention in Corvallis at the Alumni Center. Foundation and Council of Governors Mtg beforehand. He will be asking for help from nearby clubs (Corvallis, Albany East). Sponsorships made a positive impact for funding the convention. Requests from stores like Home Depot/Costco/WinCo/Jerry's must be done months early (October-November) to get in their budget planning in time. Advertising at the convention helped.

Awards, Honors & Contests – Paula Hilgers – No written report as not much has happened. She also expressed frustration at members not opening their emails regarding Awards and such. When information comes in an email, take it to the Club President. She will be stepping down from this position, and will be working with OLSHF as a school sight screener four days a week.

Constitution and Bylaws – Mike Skinner – Each July LCI adopts new C&B and will post the packets for each level for downloading. Each club needs to look for changes, and bring these back to own

District 36-R Q4 Cabinet Meeting Minutes

club to adopt and make amendments as needed. Will not be continuing in this position, but will offer help as needed. See his report.

Credentials – Susan Pfanner – Not here, no report.

International Understanding and Cooperation – PID Ed Gear – Oral report – It has been several years since our area qualified to elect a candidate for International Director, due to criteria of number of members that we didn't meet. That criteria was recently changed, and we have held an elected at the MD conference and elected ID Candidate Lion Phylis Carlin (outgoing Council Chair), who is in Australia, campaigning to be elected next year, in Mexico.

Protocol/Parliamentarian – Craig Urbani – No report, not present.

USA/Canada Leadership Forum – Chuck Blanchard - No report, not present.

Service Chairperson Reports

Diabetes Awareness & Action - OPEN

Environmental – Susan Pfanner – No report

Hunger Relief – Michael Cairns/(Daniel Jaffer) – Report is available. (Lion Michael is not doing well.) The property was donated; many grants have come through. This food bank is open to many zip code areas, around 5 counties. There is a need for \$995 left to fund, and 15 Clubs have yet to donate. Please consider doing so soon!

Childhood Cancer Committee – Karen Norton – Keeping in touch with the two “Cancer Camps” but don't have much contact or reports from them. DG Lynn added that Lion Mindy Bean joined the Roseburg Lions Club after our District Convention in February. Junction City will have 4 members going to Camp Millennium on June 24th. Tom Hilgers added that the camp lost their 88 yr. old storyteller and need to replace her. DG Lynn added – see recording!

Sight Preservation, Awareness, and Action – Jim Origliosso No report

Canine Services – Betty Levenhagen – No report

Disaster Response – PDG Linda Stent - No report; DG Lynn: *The grant has been approved and the committee has worked for a year towards a goal of preparedness. Donations of goods have been made by stores.*

Hearing Preservation, Awareness and Action- Open

Camp Representative – Bruce Schnieber – Report available. Camp Taloali is the local camp. They recently lost their director. South Salem Lions Club has participated in activities around this camp, but things have been different lately. All of the camps in place that we support are a great help for children and families. There is always a need for camp cleanup. The Hull Foundation is a year-round program, and is for older students.

Other Chairperson Reports

District Honorary – PID Ed Gear – No report

Information Technology – David Nielson – Not present. Report available. Comments by DG Lynn - He is doing a great job, and is moving up to be the MD as the Information Tech.

Public Relations & Lions Information – OPEN

LCIF District Coordinator – PDG Steve Moser – Grants topic was covered before. He is stepping down, and Lion Dale Bachman taking over. LCIF contributes so much back to us in grants. Consider being a model club, please donate! Ask for a grant when needed!

District 36-R Q4 Cabinet Meeting Minutes

OLSHF – Steve Moser – Getting ready next year with a new “Pride” pin. .27¢ a day earns you a pin. Finished screening 168K kids this year, with a referral rate of 15%. Expanding in Salem, hoping to do 200K kids. Your Club can buy a gift card for the Gala coming up. Online auction too! Lion Judy B added about the Helen Keller anniversary, 2025. Our district or MD could do a Helen Keller book for each club in recognition (She has one).

PDG Association Representative – PDG Dale Bachman – Met March 25th in Junction City, and appointed PDG Linda Stent as 1st Vice and Karen Norton as 2nd Vice for 2023-2024. A “Celebration of Life” recognition for those in our District who had passed, happened in Bandon. Also celebrated the 100th Anniversary for the MD, and ID Bob Lee was there, who was in the same leadership class with Lion Dale and Phylis Carlin. PDG met Sunday morning and elected officers for the PDG association, and elected Lion Karen for the 1st VDG for 2024-2025.

Policy Manual – Kenneth Wells – Not present, Report is available.

Lions “HEART” – Debbie Bach – No written report – She thanked DG Lynn for the award she received in Bandon in May. She made and sent out almost 100 cards this year! DG Lynn added that her award was well deserved, that she serves from the heart!

Opportunities for Youth Reports

Leo – OPEN – Will be filled by someone next year. Lion Cassidy from Mohawk Club.

Lions Quest – OPEN

Peace Poster Contest – TiAnne Rios – Not present, but her report was discussed on how to get involvement from local schools/other programs. Packets were ordered and sent out.

Reading Action Program – Judy Bachman; Monica Hinkle – Summarized her report (Judy). Many activities in the communities, including free summer reading program at the Eugene Library, and Tech help (phone, computer) through the Springfield library. Why are some schools not doing SMART but doing other programs? Junction City will be starting SMART this fall. Please let her know when there is news about school programs.

Scouting – PDG Steve Moser – All groups will be getting ready to go to camp. If you sponsor any, offer to help, and ask the groups to come give a hand for service activities, even if you don’t sponsor a group. Get on their calendar early in the year. Their prices have gone up.

Youth Camp and Exchange – Bruce Schnieber – Has no information.

Old Business – Lion Rod Bach presented a gift (a sugar-free strawberry blueberry pie from Blue Raven Pie Company) to DG Lynn and expressed appreciation. He received a standing ovation and many thanks from the cabinet. DG Lynn thanked Rod for the pie, and everyone for being able to serve with them. Lions are like family! He got to choose the cover for the new Multiple District Directory.

New Business – A Council Chair lapel pin was presented to DG Lynn Coon (Council Chair Elect) by Secretary Diane Bash.

12:10 Adjournment – A group photo was taken

District 36-R District Governor Report for June 15, 2024, Cabinet Meeting

Fellow Lions, good morning and thank each of you for attending our cabinet meeting. As I conduct my last cabinet meeting as your District Governor It's been a fun and exciting Lions year in 36-R. I have seen more clubs involved in their communities with service. I have seen clubs excited to grow not only with membership but with one another. As we work together as a district, we have secured two large grants. First with the Central Lions and Lion Michael Cairns spearheading the \$100,000. This grant was signed at our second district 36-R cabinet meeting on November 4th. Several clubs of the district donated to it. We were awarded \$75,000. This is to build the food bank in Independence which will feed thousands. Secondly, we just received word that the Disaster Preparedness grant has been approved for \$10,000. This project has been in the planning stages for eight months. PCC Lion Rod Bach, PCC Lion Steve Thompson from 36-O, Lions Linda Stent, Jon Debo, Jim Origliosso and myself have been meeting regularly to make this happen. Should be up and running before Lions year end. This is a Lions 36-R project, and we will be working with ODART which Lion Jim is part of. ODART stands for Oregon Disaster Airlift Response Team. This project will have representatives from every club in district 36-R and when disaster strikes, we will be there within the first two days.

As I make my report our district is at a positive net gain. I have talked with our clubs in the district of the importance of Mission 1.5 but have also reminded the importance of member retention.

We have been working with our clubs in 36-R on the importance of reporting service and I'm pleased to say we are at 91% thanks to Lion Michael Ward, our District administrator. As I write my report there is only one club out of our thirty-two Lions clubs yet to report , we hope to have them before Lions year end .

District 36-R has a web page& communication that is by far the best I've seen and that the other districts want to follow.

We held a special meeting of Past District Governors of 36-R and appointed PDG Lion Linda Stent as our 2024/2025 District Governor. At the same

meeting we appointed Lion Karen Norton of Eugene Downton Lions as second VDG for the remainder of this Lions Year. At the end of Md 36 convention, we held another special meeting with our PDG's and appointed Lion Karen as the 1st VDG for Lions year 2024/2025.

One thing as a District Governor I wish I could do is give awards to every Lion, but that's not possible. We gave out 10 International Awards this Lions Year.

At this time, I would also like to thank all of you Lions on our cabinet who have served beside me to help our district have success. I know DGE Lion Linda and Lion Karen will continue the success of our clubs and district as we move into the future. Lion Diane is continuing as cabinet secretary and let me say she has helped me so much and has been an added asset to our district.

As I move on from District Governor 2023/2024, I am honored for my new journey & opportunity serving as Council Chair of Multiple District 36 2024/2025 The Lions of Oregon & Northern California. I will be serving the four District Governors of O, R, E, & G.

All of you know me and I believe in being positive. It is our dream as a district to continue forward with positive for our success throughout our clubs & district.

IN ORDER TO BE SUCCESSFUL IN THE NEW LIONS' YEAR, STAY FOCUSED, DEVELOP A POSITIVE ATTITUDE AND BE PASSIONATE WITH OUR DREAM.

Again, thank all of you for your dedication to serve. Thank you for the support you have shown me. Thank you for the friendship we have made. and input you have given to help our district be successful as we serve our communities and our Lions family. Together we have had a great journey!

District Governor Lion Lynn Coon 36-R

Q4 Cabinet Mtg. June 2024
District Secretary Report

At the end of my first year as District Secretary, I realize how much I have learned about the workings of a district, and the roles the Cabinet members play in it. I've been amazed at the far reach we can have, and the difference we can make in strengthening the clubs. It has been an honor to get to know all of you, and it is sad to see some of you leave. You leave with good wishes and a lot of gratitude!

One of my goals this year was to get familiar with the individual Clubs, especially the Secretaries, and while progress was made, I plan to continue working on this goal next year. I see a lot of need for unity, for increased communication and support between clubs, and between the clubs and the district. I'd like to be part of that solution.

Despite many obstacles this year such as membership drops, illness, and accidents, clubs kept meeting regularly, doing fundraising, increasing involvement in their community, and having celebrations! I hope the strength of the members and officers of each club is seen and appreciated by us all.

Seeing the turnout at the MD Convention in May was really an inspiration for me. It was my first time, and I honestly had a blast! I had no idea what to expect, and though important things happened, it was an opportunity for fun, connection, and recognition. Meeting Lions from around the state was the highlight for me!

I want to congratulate Council Chair Phyllis Carlin, now International Director elect, as well as our own DG Lynn Coon who will be our next Council Chair! I am excited to serve this coming year with PDG Linda Stent as our next District Governor. We are in such good hands! There are tough shoes to fill in many positions, but if we pull together with courage and determination, we can make each year a little stronger than the one before.

Please know that I am still learning, and I will try my best to support you in any way I can. My job is to be here for you and those you represent. I am honored to again serve as the District 36-R Cabinet Secretary.

Sincerely,

Lion Diane Bash

District Administrator Report – Cabinet Mtg. June 2024

The new-and-not-particularly-improved Lions Portal finally went live. As a district and club administrator, the inability (as far as I can tell) to do data downloads of full contact information for the creation of mailing lists, merge-print documents, and printed directories is a handicap.

It is also worth noting that a secretary need not (in fact, cannot) “Report No Changes” in membership each month. Just adding/dropping or updating members as changes arise is all that is required for MMRs according to LCI.

As of April 30 (the most recent report as of this writing), 31 of our 32 clubs have reported activities this year. And nearly 2/3 reported since February. Congratulations to all concerned!

I sent links to the training video on how to report service at the new Portal to club presidents and secretaries.

In my waning hours as District Administrator, I could do some last-minute reports for the clubs. The information required is as follows.

Service projects: (1) Name & brief description, (2) dates, (3) number of volunteers, (4) number of volunteer hours, and (5) number of people served

Fund raisers: (1) Name & brief description, (2) dates, (3) funds raised, and, optionally, number of volunteers and volunteer hours

Meetings: (1) Name & brief description, (2) dates, (3) number of volunteers (i.e. attendees) volunteer hours

Donations: (1) Name & brief description, (2) dates, (3) amount donated

Membership: Changes in membership or member contact information

Finally, thank you for the opportunity to have been the District Administrator for the past 3 (?) years.

Addendum

Breaking news. There is a way to do data downloads of full member contact information (perhaps only by presidents, secretaries, and administrators as in the past). Click My Club on the portal home page, then click the Data Download tab and follow your nose. Some trial and error might be necessary. I'll send a bit more detail to the clubs. (Thank you, Lion Karen Norton, whose unrelated question unblinded me at last. She is better than the LCI help desk!)

Respectfully submitted,

Michael Ward

Q4 - 2024

Philomath Lion Club has been busy with music in the park May, June, July, and August and Fireworks sale June 23 thru July 4th. Frolic Breakfast July 13th and Booksale July 25th thru 27.

It's hard to be this busy with 14 members. They are working hard at recruitment. Lion Tom Wright made a new member recruitment display using the recruitment sign provided by 36R. Two flyer holders for the club's prospective member information and a membership application form. Very nice display.

Jefferson Lions are active in the community separating glasses for recycling, collecting hearing aids, and cell phones. Working at getting new officers in line for next year.

Corvallis Lions is getting close to starting it's big celebration of 2024 2025 year. Let's make it BIG.

East Albany lions is busy with end of year programs, presenting 9 scholarships to the 3 Albany high schools, electing new officers and committees and passing out Awards for the year. They are getting lined up for the lumberjack breakfast this year on July 4th, 5th, 6th, and 7th. Our golf tournament is coming back on September 20th at the Twisting Tree.

Zone Chair Report

Region 2 - Zone 1

ALVADORE:

The sad news Donna Korn passed away two weeks ago, leaving the Club down 3 members.

Club News: Happy the Club has done one barbecue and one on Father's Day(Saturday before and the third will be on July 4th). The club continues to support the library and they will be doing a summer reading program.

EUGENE BETHEL:

We have had a speaker at all of our meetings this quarter. We have lost four members. The good news, the membership chair has been doing a lot of recruiting. We will see what the final days will bring. We held a food drive with ABC Comms cities at the Albertson's store and also one at Summerfield Estates, where Edwena lives.

We will be doing just two barbecues this year, August and September. The club will be celebrating. The three seniors received \$1000.00 each for college the 11th of June. Their families will attend also. A potential member has been invited and will be attending also. The Club will continue to meet twice a month through the summer.

CENTRAL LINN:

Always great food before their meetings. They will be installing two new members on the 13th of June. They hosted the circus in Brownsville in May. Pioneer picnic in June. July will be Stand By Me Days with the blueberry pie eating contest that they host. Oh so much fun! Great participation at the meetings, always a fun raffle and wonderful friendships. The Club does not say "No" to any need in their community.

JUNCTION CITY:

Busy, busy, BUSY!!!! They have speakers once a month at their meetings. Barbecues, highway clean up continues, school crossing program and Easter Egg Hunt, Gales Creek clean up. Their membership is up by two. Their biggest event was celebrating their 75th anniversary.

After three years of being zone chair, it is hard to say "Good bye". I've gained many wonderful friendships. I will miss each and every one of them.

Respectfully submitted,

Edwena Matychuck

Marcola Valley Lions

Marcola Lions have been cleaning local park, getting ready for their annual Chicken Barbecue. It was held last Saturday, June 8th. They had wonderful weather and the community turned out to enjoy great food and fellowship. Two scholarships (\$2,000 each) were given out to graduating High school seniors. They also inducted 3 more new members, making their membership 21 members.

Springfield Lions

The Springfield Lions will not be, (sorry to say) holding their annual Golf Tournament this year. Both Lion Paul and Lion Larry had so much going on that they had to pass this year. We are looking forward to doing it next year. The annual Mother's Day plant sale was a huge success. Many lost their plants during bad weather and had to be replaced. We also had a pizza benefit night that had a good turnout. Our Raffle is going well, the drawing will be this month on June 24th during Monday's meeting at 12:30pm. We're selling tickets with a chance of great prizes(16). CASA of Lane County is our beneficiary this year.

COTTAGE GROVE LIONS

The club is celebrating their 100th anniversary with a BBQ on July 20th. I am planning to attend. They have been busy with helping to construct & plant garden beds at St. Vinnies Saginaw Mobile Park. They worked with the local Rotary Club with a goal to have fresh blooms, Herbs and Veggies for people in the park. It is an ongoing project. Because of their regular Facebook postings I was able to follow their participation with Mudslinger Events in the Oregon Grand Fondo cycling race & tour thru open country around Cottage Grove on June 1st. They manned aid station #2 at mile 48. The club now has 38 members.

ELKTON LIONS

The club placed flags on Veterans graves at the local Cemetery on Memorial Day.

They are busy getting ready for Ft Umpqua Days on Labor Day weekend. They will be serving breakfast both mornings. I will be there to help.

On my way back from the MD36 convention I stopped in Elkton to have lunch with Lion Prudy. The other purpose was to deliver reading glasses that I received via Lion Judy Bachman of Springfield Lions. Their town picks up the glasses at the Library & they are very popular.

Elkton Lions has 6 members, but definitely keeps the We Serve motto alive & well!

EUGENE DOWNTOWN LIONS CLUB

The club is busy with all our usual service activities, but are trying to reach out to the public in different ways. We had a display tables at the mall on 4/20 with information on our vision & hearing services in conjunction with Visionworks, who are one of our eyeglass collection sights. We were invited to return to the next event. On May 2nd were invited to have a display table at 1st Methodist's annual Health Faire. We helped 3 people fill out application for vision & hearing assistance. We now have a new Social Director. She organized a Papa's Pizza fundraiser & Bingo event in less than a month. We raised nearly \$1000. She also organized a trip to the Hult

Center in June & a visit to the Science Factory. We had 5 Lions & 2 spouses attend the MD36 convention in Bandon in May. One of the Lions attending is a new Lion. Our speakers at our 2 monthly meetings have focused on who we gave community service grants to at the end of 2023. It's great to celebrate what these organizations contribute to our community. Four Lions helped with camp cleanup day at Gales Creek camp on June 1st and we plan to go to counselor for a day at Camp Millenium on 6/27. We are 57 members strong & working on more new members,

Q4 2024

Mapleton

Second Sunday fundraising breakfasts each month, Easter breakfast, Easter Egg Hunt and games, scholarship interviews and selections, Leprechaun Bingo fundraiser, three kids' birthday party building rentals, flags for 1st and 2nd graders.

Florence-Siuslaw

The past couple of months have been busy ones. We had a diaper drive and our club (along with OSU 4H extension) donated several boxes of diapers and pullups to Florence Pregnancy and Parenting Center in time for their diaper giveaway. We joined with SOLVE to do beach cleanup at South Jetty on a Saturday. We visited Eugene Downtown Lions Club. We began planning and collecting raffle prizes and making several raffle baskets for the big Car Show happening during Rhody Days that Florence Siuslaw Lions are sponsoring this year and held at the Middle School upcoming in May. We did our Lions 5th Tuesday Free Lunch at the United Methodist Church in April.

Gardiner-Reedsport

In February we completed flags for 31 first graders. We are currently selling our hanging baskets for Mother's Day. In May we will clean up the park where our Memorial Day parade and ceremony are held.

Lakeside

No report received. Assuming they continue with their Bingo fundraisers.

Global Leadership Report - Fran Camacho, June 2024

I am working with DGE Linda on the Officer Training and Zone Training. Tentatively, we have Officer Training in Junction City on July 13 at the Moose Lodge, July 27 for Zone Chair training at Albany Sizzler, and Officer Training at Keizer Lions Den on September 7. Working on getting presenters for the sessions.

LCIF

We are finishing up the Hunger grant we got to help the Ella Curran food bank
Thank You to everyone who has been involved with helping us get this grant. Ground breaking will be happening soon. We will let you know when because we want a group of Lions there in vests to be seen as there to help.

Also DG Lynn will have talked about the Disaster Preparedness grant we got for MD36R and what's next.

Next year PDG Dale Bachman will be Mr LCIF but if you want a presentation you can let us know. We would be glad to talk about being a model club and grants to anybody!!!

GMT

Membership is busy, clubs are getting next year p101s reported Leah is hoping to get the next membership book ready before she retires. DG Lynn again will have touched about our latest numbers. Remember more members - more service.

Anyone wanting Lions orientation for your club or new members, just ask any PDG. We are all glad to do this.

Scouting

All clubs sponsoring a scouting group are all getting ready to go to summer camp in July and August. Give and ask if they need a little help. Also many units are involved in community activities during the 4th of July. Also consider using them to help in your community service activities, just give them lots of notice so they can plan. All of usually plan 3 months out for activities.

Just a quick OLSHF note

2025 is 100th anniversary of when Helen Keller asked Lions to be Knights of the Blind in 2025. We will have a new PRIDE pin coming out and your Trustees will be glad to come and talk about your foundation and the activities that will be going on.

See you on Saturday

MD36R GST Report for the last quarter of 2023/2024

In this quarter of the Lions year the GST team tried to continue to offer service projects and ideas to club presidents and officers.

Each Lion member with an email address was sent a copy of the flyer called "100 Service ideas." Club presidents and cabinet members were also sent a copy of the MD36 R Volunteer Projects Guide. The MD36 R Volunteer Projects Guide contains

1. a list of non-profit groups that can use volunteers, food banks, children's camps, and other areas looking for volunteers.
2. a section on how to ask a volunteer group if they need or could use more volunteers and
3. a listing of local resources and materials on the internet that might be useful for starting to volunteer.

There has been no formal follow-up on how effective these materials have been but since our belief is "more service means more members and more members means more service" and we have a positive membership this year I'd like to think we also provided more service to our communities.

GST Coordinator.

CONVENTION PLANNING COMMITTEE

Report to the 36-R Cabinet

June 15, 2024

The 2025 convention will be 2/8/25 at the CH2M Hill Alumni Center in Corvallis. There will be OLSHF and COG meetings in conjunction with our convention. Those meetings will be on Friday, 2/7/25, also at the Alumni Center. I am in the process of arranging a time when I can meet with the Corvallis Lions Club to see if they will be willing to serve as our host club.

As for the 2024 convention that was held in Springfield in February of this year, the event was a success. It was well attended, and we ended up showing a profit. I don't have the latest numbers from Brian, but my records show a profit of about \$1,300. The convention planning committee has not held a debriefing yet, so I can't offer any specifics in regard to attendees' evaluations.

District 36-R
Cabinet Meeting Report
Constitution & By-Laws
11-4-2023 Lion Mike Skinner Chairman

Just a reminder to Region, Zone Chairs, Club Presidents and Club Secretaries. Due to a number of changes to the LCI Standard Club Constitution & By-Laws at the LCI Convention in Boston MA. On July 11, 2023. It is recommended that all District 36-R Clubs adopt the July 11, 2023 version of the Standard Club C&B's that were updated by LCI and has many revisions to our older Club C&B's that most all clubs are currently using.

Also, at the end of July, 2024 I highly recommend each of the above listed Club and District Officers should log onto the below listed LCI Legal Website to review the District and Club Constitutions & By-Laws for any new changes to them. LCI will be voting several changes and/or updates or changes at the June 21-25, 2024 Convention in Melbourne, Australia.

Then, if there are changes or additions that you need to incorporate into the District or Club Constitution & By-Laws, all you need to do is have a District/Club board/general meeting to vote and recommend adoption of the LCI June/July 2024 Version of the updated LCI C&B's.

Then, have a committee review them for amendments your club needs or wants to make. Add any changes you may make and include them with any past Amendments that your club may have made. Attach any Amendment(s) that are voted on (By a full Club Membership present) with the date(s) they were voted on with the Club C&B's, then the club Secretary will keep the records.

To date approximately 76% of all District 36R clubs have updated their individual club C&B's.

This is a very necessary step that needs to be taken to get all club's on the same page when LCI, District 36 or Multiple District send out information that will refer to an Amendment and or Section by roman numeral or sub-section letter or number.

If those numbers and letters are not in sync, you may not know exactly what we may be voting on at future conventions.

To download the July, 2024 Lions International Constitution & By-Laws, the 2024/25 Standard District Constitution & By-Laws, or the 2024/25 Standard Club Constitution & By-Laws at these following website locations.

CHILDHOOD CANCER AWARENESS

Once again, the MD36 committee has not met for some time, however I am always keeping my eye out for opportunities.

The MD36 convention had a great presentation from Lion Mindy from Camp Millenium. She brought a couple of campers & their Mother, which gave a first-hand perspective. Part of the registration was to purchase T-shirts in support of Childhood Cancer.

My club, Eugene Downtown, will be participating in Counselor for a Day on June 27th.

Hull Foundation and Learning Center- Serving adults with blindness and sight loss.

Website: hullflc.org

Peer to Peer Support

This program provides information on resources for those living with sight loss and blindness. We have a team of individuals who will telephone and tell you more about our programs and services. They will also answer questions and provide information on a variety of topics from safety tips, lighting and magnification options, kitchen gadgets, talking books, and other resources to improve a person's daily living experience. We also have team members who assist with apps for phones and computers and other tips on making your electronic devices accessible.

Online Daily Living Zoom Workshops-

They hold classes, chats, and workshops online throughout the year on a variety of topics including technology, exercise, health, safety, travel, white canes, cooking, and more. They also have a book club. These presentations are free.

The Zoom workshops and peer to peer support programs are offered at no cost. Those wanting to participate do not have to be legally blind to attend and participants can include family and friends.

Retreats -

Throughout the year they offer a variety of three to seven day events of recreation and social activities designed to challenge and increase self-confidence. The more active retreats include white water rafting, kayaking, cross country skiing, and hiking. Other retreats include trips to local venues, music, outdoor/indoor games, crafts, swimming, hot tubbing, and more! These retreats offer something for every adult.

Living with Sight Loss Seminars-

These immersive two night, three day seminars provide an introduction to living with sight loss. Workshops provided may include information on the variety of low vision equipment available, lighting options, safety tips, using public transportation, kitchen safety and cooking options, and information on ways to continue daily activities and tasks no matter what a persons level of sight loss. Introductions to use of a guide dog, white cane or other mobility and orientation information is also provided. Guests are encouraged to bring their partner or primary support person so that they can learn tips from being a guide to how to understand more of your experience.

Get away from all the daily hustle and relax while learning how you can improve your daily life, dealing with vision loss.

To find out more, please [contact the Hull Foundation and Learning Center via email](#), or call them at 503-668-6195.

District 36-R Q4 Cabinet Meeting Report
District Information Technology Chairperson
June 15, 2024

My apologies for not being present at this Q4 Cabinet meeting, we are out of state on a road trip.

Positive steps made in 2023-2024 include:

- Creation of District Website using free Lions e-District template
- Secured access to dormant District Facebook page
- Opened District Square account to accept electronic payments
- Established the use of Google Documents for online forms, surveys, and spreadsheets
- Facilitated sponsorship promotion for District Convention
- Created Peace Poster slideshow video for online presentation

Goals for 2024-2025 include:

- Maintain and update website content
- Recruit an additional Facebook page administrator
- Update the IT Committee section of the district policy manual (already submitted for review)
- Identify additional and appropriate uses for District wide surveys and forms
- Possibly conduct a short “101” presentation on club websites or another topic.
- Encourage more communication with other committees and clubs

I’ll leave this past report statement on this, and all future reports...

The biggest issue facing District 36-R Information Technology is, and always will be, getting information. The source of all information is human based. Without this initial communication of information from clubs, the technology platforms are irrelevant. All clubs should be continually encouraged to communicate using the online submission form, or direct email to District36Rit@gmail.com

Respectfully,
Lion David Nielson

PAST DISTRICT GOVERNORS' REPORT

PDG Dale Bachman

District R Cabinet -- June 15, 2024

Past District Governors met on March 25 in Junction City to appoint PDG Linda Stent as the 2024-2025 District Governor. At that time, Lion Karen Norton was appointed 2VDG for 2023-2024.

District Governors of Oregon presented a memorable Celebration of Life at the MD 36 Convention in Bandon, May 2024. May all our deceased Lions rest in peace.

Past District Governors celebrated the 100th anniversary of MD 36 at the May convention in Bandon, OR. The convention was very special because ID Robert (Bob) Lee from Hawaii was in the same District Governor class in Las Vegas as CC Phyllis Carlin, and DGs Dale Bachman, Dan Wolf, and Bryan Longland. What a special reunion of DGs and friends!

Congratulations to CC Phyllis Carlin on being the International Director Elect from MD 36. A very spirited and classy race was run by both CC Phyllis and PCC Brad King.

PDGs met on Sunday morning after the MD 36 Convention to discuss the upcoming year. PDG Kerith Vance is the new president of the PDG Association and Bert Diamond is the secretary-treasurer. The PDGs of District R voted to officially appoint 2VDG Karen Norton as 1VDG for 2024-2025.

Policies and Procedures Report Cabinet Meeting June 15, 2024

Below is the link to the current Standard Form Club Policies and Bylaws for Fiscal Year 2023-2024:

<https://e-district.org/userfiles/1548/file/StandardFormClub.pdf>

I would recommend each club in District 36R read and review the current standard club policies and bylaws, then review/update your club specific amendments you currently have on file.

On Page 29, Article XI, Section 1 details the Amending Procedures and Section 2 details the Noticing process. The time required will depend upon how up to date your club currently is.

Thanks,

Ken Wells

Oregon Kicks Off Statewide Expansion of Dolly Parton's Imagination Library

(Oregon announces goal to make books available to all children ages 0-5 in every county!)

May 8, 2024

Oregon Governor Tina Kotek joins Dolly Parton, Oregon Department of Early Learning and Care (DELG) representatives and state officials to announce the statewide expansion of Dolly Parton's Imagination Library. The program's mission is to inspire a love of reading by providing universal access to free, high-quality and age-appropriate books each month for children ages 0 to 5 years old throughout Oregon.

"Brain science clearly shows that kids start to develop literacy skills from birth," said DELG Director Alyssa

Chatterjee. "That's why here in Oregon, we're making major investments to help kids develop the joy of reading."

The Imagination Library is supported by The Dollywood Foundation, a nonprofit organization founded by Dolly Parton in 1988. Since launching in 1995, the Imagination Library has become the preeminent early childhood book-gifting program in the world, with the mission of inspiring a love of reading in children from birth to age five. Inspired by Dolly's father's inability to read, the Imagination Library Program was launched in her home county of Sevier County, Tennessee. The program's significant impact led to its international expansion and has gifted over 241 million free books in the United States, Canada, the United Kingdom, Australia, and The Republic of Ireland. Every month, the Imagination Library mails over 2.9 million books.

Goals for Expansion

Currently, over 54,000 children across Oregon receive the gift of a monthly book through 55 community programs. Books are free to the family regardless of family income. Dolly Parton's Imagination Library is a voluntary program and parents of children ages 0-5 can sign up to receive a new book each month at no cost to families.

The goal of the statewide expansion is to make books available to children ages 0-5 in every zip code in Oregon. During the 2023 legislative session, under Senate Bill 5506, \$1.7 million was appropriated to DELG to help administer and expand the program statewide. The Department of Early Learning and Care is working with local program partners and The Dollywood Foundation to expand. To learn more about becoming a community partner, contact Rachel King at rking@imaginationlibrary.com.

According to The Dollywood Foundation, 90 percent of a child's brain is developed by the age of five, making that time period critically important for their development that can be enhanced by reading books. The Foundation notes that daily readings by parents or caregivers provide the greatest opportunity to prepare their child for school and that literacy is a major social determinant of health and economic impact in the long term.

Register a Child

The program is free of charge to families and made possible through funding shared by Dolly and local community partners in the state. [Check availability](#) to enroll your child or sign up to be notified when this program comes to your community. Visit back often as we expand across the state.

Youth Camp Reports – Bruce Schnieber June 2024

Camp Taloali, near Stayton Oregon.

I requested a report / update but did not receive a response. I used their posted email address and I also left a voice mail message. I also checked out Facebook website and found the dates of their summer camp. A few bits of important (my opinion) information:

This 2023 - 2024 year there was not a planned camp clean up. (1st Saturday in April) Saturday, March 30th they did not have their annual Easter Egg Hunt. Both events our Lions Club has always participate in. This information shared with me by the current Camp Director, Tim Kirkpatrick. The Camp Taloali board of directors made both above decisions. On April 1st the board met and Tim Kirkpatrick was in attendance. I do not have a report of what occurred at the meeting. The camp's director left the Willamette Valley with his wife and moved to Missouri on the 19th of April.

Last comment made by Tim was the cost of the week long camp for boys and girls who are deaf and/or hard of hearing \$775. Two sessions: session 1 - ages 12-15 July 28-August 3 and session 2- ages 8-12 - August 4 - August 10. For more information use their email address >>>

IT'S FOR THE KIDS!

Camp Millennium is a free summer camp for children dealing with a cancer diagnosis. It is a time for them to be themselves and to share in a variety of summer camp activities, such as hiking, fishing, archery, swimming, arts and crafts, horseback riding, and many other surprises. The goal of this week-long adventure is to provide these children with a camping experience that can be extended into their everyday lives.

Camp Millennium is a non-profit organization that works year-round to create an incredible experience for campers. The camp is a weeklong summer camp retreat for children dealing with cancer within their families. Camp Millennium is for children from 5-16 years of age who are dealing with a cancer diagnosis. (A child can be a cancer patient, a sibling(s), or has a parent died from cancer). Children from the Pacific Northwest apply each year through physicians, self-referral and support groups. Families are never charged or solicited.

Donations of any amount are greatly appreciated. All donations are restricted to the support of the Camp Millennium program. The camp staff are expecting at least 112 campers this 2024 season.

Gales Creek Camp

Gales Creek Camp is a place where children and teenagers with type 1 diabetes from all over the Pacific Northwest have a blast while connecting with other kids living with the same challenges.

Gales Creek Camp Foundation is dedicated to providing camp experiences for children, youth and families directly affected by type 1 diabetes. Through traditional and innovative camp programs designed around fun, we are committed to nurturing a positive attitude toward life and fostering the transition toward independence, integrating diabetes management and self-care skills with social and life skills.

Tax-Deductible Donation to Gales Creek Camp Foundation

By choosing \$575, you are effectively sending another child to camp.

Or choose another amount to help ensure Gales Creek Camp is there for every type 1 kid in your community. Because of our small budget, any amount goes a long way.

Gales Creek Camp is commitment to erasing financial barriers to camp.

Each year more than 130 kids require financial assistance to attend camp. These kids, like all our campers, face the challenges of type 1 diabetes each day—but they do it with the additional burden of financial uncertainty. Ultimately, they may benefit most from Gales Creek Camp because they are the most at-risk. A little camaraderie and self-care education goes a long way for kids in this population.
