

# The Service Journey

Every journey begins with a single step. One act of service, one encouraging word, one gift of generosity is often all it takes to bring hope where it's needed most.

Over the last 100 years, the kindness of Lions has multiplied across borders, oceans, and continents. With over 1.4 million members, we now have an opportunity to truly change our world.

That's why we're uniting our global service around five areas of need. These Global Causes present significant challenges to humanity, and we believe it's our turn to meet them.

# Our Programs

## Vision Screening

Each year the club screens over 1000 elementary school students in the South Lane School District.

## Food Drive

During the summer months when donations are low at our local food pantry, the club holds a food drive to help offset some of their food needs.

## Radio Days

Club members take over the local radio station KNND AM1400 and become radio DJ's while raising funds for our locally held sight and hearing fund.

## Hearing & Vision

The club provides low to no cost eye and hearing exams, eyeglasses, and hearing aids for those in need. We also collect used glasses and hearing aids.

## Club Meetings

Twice a month we have regular club meetings. We have fun, eat lunch \$12\*, and hear from a guest speaker. Once a month we have business-style board meeting.
