Eugene Downtown Lions

**WE SERVE
since 1924**

yesterday

The first Lions Club was established in 1917. In 1925, Helen Keller challenged the Lions to be “Knights of the Blind.” Since that time, Lions have been most closely linked to sight and hearing related causes. However, Lions have responded to a wide variety of needs including hunger, diabetes, the environment, and childhood cancer.

The Eugene Downtown Lions Club has served continuously since being chartered in February 1924 at the Hotel Osburn, pictured above.

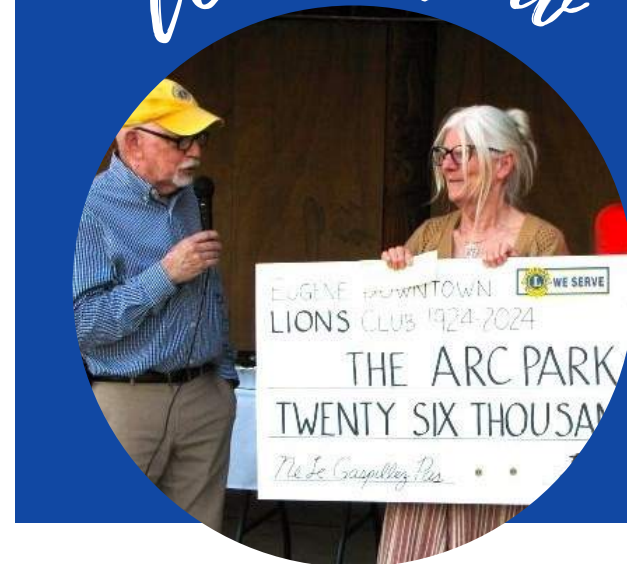

OUR MISSION is to empower volunteers to serve their communities, meet humanitarian needs, encourage peace, and promote international understanding.

- At 1.4 million members in over 200 countries, Lions Clubs International is the largest service club in the world!
- Eugene Downtown Lions members serve our community through:
 - School Vision Screenings
 - Lions Eyeglass Recycling
 - College scholarships for local students
 - Financial assistance for vision, speech, and hearing
 - Grants to local non-profits
 - Deliver Meals-on-Wheels and assist with Food Rescue
 - Host Breakfast with Santa and Mrs. Clause,
 - And much, much more!

The Eugene Downtown Lions Club is growing and becoming more diverse. we will continue to seek younger men and women to combine the club's great traditions with new ideas and viewpoints.

We will endeavor to maintain and build upon our relationship with the ARC PARK and to support its important work.

The club aims to broaden its environmental mission by helping maintain and improve the area's outdoor areas. We will attempt to involve other local non-profit organizations in this important work.

The Downtown Lions will continue to work closely with the Heartfelt House in its mission to serve the families of children who are served by Sacred Heart Riverbend Hospital.
