

Newport Lions Club

New members welcome!

Interested in serving the local community throughout Newport Lions Club? New members are always welcome and can join through Lions' invitation process. Email newportlionsclub@gmail.com (or contact any current member) to express your interest and a member sponsor will contact you.

Your sponsor will invite you to attend a meeting with them so you can see what Lions are about. Members participate as little or as much as they want in club activities. If you choose to join you will then need to fill out an application for membership that is submitted to Lions International.

Bringing kind-hearted people together to serve their communities is what Lions Clubs are all about. If this sounds like you, contact us today!

We Serve

Newport Lions Club has been a chartered member of Lions Clubs International and serving the local area since 1929. Like all Lions, our motto is "**We Serve**".

Lions Clubs have taken up the challenge given to them by **Helen Keller** in 1925 to be "*Knights of the Blind* in the crusade against darkness". As a result, sight and hearing support have been at the forefront of Lions Club activities.
