

LIONS INTERNATIONAL PEACE POSTER CONTEST

PEACE

Why should a club participate?

- Gets middle schoolers to think GLOBALLY
- Empowers youth to know they can make a difference
- Participating equals visibility for your club and perhaps a recruitment opportunity to grow your club.

How do we get started?

- Purchase a kit by clicking on <https://lionsclubsinternational.myshopify.com/collections/kits/products/ppk1>
- Contact your local middle school (grades 6-8) explain the benefits.
 - middle school? Contact the Art teacher
 - elementary school? Contact the 6th grade teachers
- Ask how to get permission to let the kids know about the Peace Poster contest.
- Side note, your club may need to purchase paper for the students.
- Club member(s) will need to go into classrooms as guest speakers. Chat with the kids about the project. Brainstorm with them- “What leaders do you know that dare to dream? what do they dream? How to they make dreams come true?” Help them get their creative juices flowing.....then tell them the details of the contest- rules and timeline.
- Determine with the teacher when to come back to pick up entries
- Contact the teacher now and then to see how things are going. How can you help? Do they need anything?
- Clubs vote on the one to represent their club- give certificates or recognition to the participants.
- That means going back in the classroom a third time and making a BIG HUGE DEAL!!!! Congratulating them and encouraging them! That is how to get repeat business!

Nuts and bolts about the program:

Lions clubs can order a contest kit from January 15 to October 1. The kit is available in 12 of our official languages. A kit is needed for each contest sponsored.

The 2023-2024 Contest Theme “Dare to Dream”

Each kit contains:

- Official Club Contest Guide and Rules
- Official School or Youth Group Contest Guide and Rules
- Participant Flyer to duplicate and give to participating students to take home
- Sticker to place on back of winning poster
- Certificates for contest winner and school or youth group
