## **DISTRICT GOVERNOR'S MESSAGE**

### **Lions and Leos,**

It is the expectation that this directory will be a source of useful and accurate District and other Lions information for all our members. Without a doubt however, it will be regularly consulted by the Cabinet members, District and Club officers the most and I will direct this message in particular to these leaders.

In any organisation, the human resource is by far the most important asset. As good managers, your main functions are to inspire and motivate our valued membership. There are many simple steps to achieve this. Be an example worthy of emulation. Talk less and listen more. Encourage all to bring their own ideas and thoughts to the table so that you can learn from them as much as they learn from you. Ensure that tasks are assigned to each member and let them feel they are a valuable and essential component of the collective effort. Insist that all our members take advantage of available Lionistic training opportunities. Above all be reminded of our International President Lion Wing Kon Tam's basic philosophy that we are family and we need to show care and concern for each other inside the Club and outside.

The Cabinet is headed by the District Governor team comprising of second VDG Lion Patrick Taylor, first VDG Lion Bernhard Mossel and myself as DG. This District Cabinet comes with a balance of youth, experience and enthusiasm. I welcome you all and thank you for accepting to serve.

Let me congratulate all Club Officers who have accepted the challenge to serve this fiscal year. Your functions are equally important as you are placed in the unique positions of monitoring the pulse of your own Clubs and people you serve and is expected to present the feedback from which the District Administration can make informed and calculated decisions. I remind you that the road to progress is always under construction – be innovative and display ethical behaviour that would promote personal integrity, honesty and probity

To all our members – Lions and Leos - efficient and effective communication is essential for planning, reporting and image. Take advantage of the latest forms of mass communications like social media for example. Practice good timekeeping at all times. Let us work with a renewed sense of purpose throughout this year to deliver even bigger and better service and fund raising activities. If we work together we can make a positive impact in our communities and the lives of countless numbers of people and in so doing reap a bountiful harvest of rich experience and personal satisfaction for ourselves. Let us show courage, commitment and action.

I remain humbled by this opportunity to serve our wonderful family as your District Governor for fiscal year 2011 / 2012 as we continue to build communities and empower people.

**Surujpaul Terry Singh**

## THE INTERNATIONAL PRESIDENT'S PROGRAMME

During 2011-2012, districts will be encouraged to believe in and take action to strengthen our membership, caring for fellow members as if they are family. We will believe and succeed in expanding our service to new heights, propelled by a special campaign to plant one million trees. We will believe in nurturing our future by involving more young people and Leos in all that we do. Believe that one person can make a difference. Believe that the entire world can be changed when we come together as Lions. Believe that changing a life – or the world – starts with each one of us. In this 2011-2012 Lions year, we should do the following:

### **Believe in Service**

We are making a difference like no other service organization. Believe in our motto "We Serve." An important part of our extension of service this year will be caring for the environment. My goal is to plant one million trees around the world. Do you believe it can be done? To do this we will:

- Continue our successful participation in the Global Service Action Campaign
- Encourage clubs and districts to make tree-planting part of their activities
- Report the number of trees planted on the LCI web site every month, and show pride in what we do by wearing "I planted a tree" buttons

### **Believe in Club Members**

The strength of our organization lies within our clubs, and our members form the basis of our clubs. We will make developing our members a priority by:

- Effective member orientation
- Member involvement from day one
- Club leaders who listen more, and speak less
- Nurturing lasting bonds through service, and treating each other like family
  - Promoting My Club, My Family program

Leos form a relevant branch to our family tree. It is time to elevate the significance of Leos with our family of service. To do this we will:

- Enhance our Leo to Lion program by engaging Leos to gain their perspective, solicit their ideas and better understand their needs
  - Hold a Leo/Lion summit at the international convention in Busan, Korea
- To recognize our commitment to service and members, details will be shared about various awards including the Believe in Service and the First Believer awards.

### **Believe in Nurturing our Future**

Lions Clubs International has a long-standing commitment to children and young adults. Our programs make growing up a more positive experience. Believe that each and every child we help will grow-up to be a responsible, caring adult. To engage our young people we will:

- Promote our Lions Quest program to provide essential life skills to youth worldwide
- Expand youth activities that encourage a positive self image and develop confidence
- Encourage Lions to become role models for children and young adults

- Increase awareness of the Services for Children program to continue meeting education, shelter and health needs around the world

### **Believe in Leadership**

Lions Clubs International has great leaders among our ranks. Leadership should start the day someone becomes a Lion. To identify and encourage potential leaders we will:

- Listen to the training needs of Lions and provide opportunities to develop and lead through the assistance of the Global Leadership Team
- Promote and encourage use of the Lions Basic Mentoring Program
- Implement practical job training for club officers and zone chairpersons
- Encourage the use of online training resources (Leadership Resource Center/Lions Learning Center)
- Communicate opportunities for leadership development with members
- Encourage participation in local and LCI training programs

### **Believe in Projecting our Image**

Service and effective public relations are connected. The internet and social media are having a real impact on the way we do business and reach our internal and external audiences. This year we will encourage our clubs and districts to not only have web sites, but also have Facebook pages.

### **Believe in Giving Back**

In addition to service, Lions give from their own resources. We need to emphasize and increase support of LCIF. To accomplish this, we will:

- Increase the understanding of LCIF's programs and their impact on individual's lives
- Promote donations to LCIF from clubs and individuals
- Work with Multiple District and District LCIF Coordinators for donations and promotion

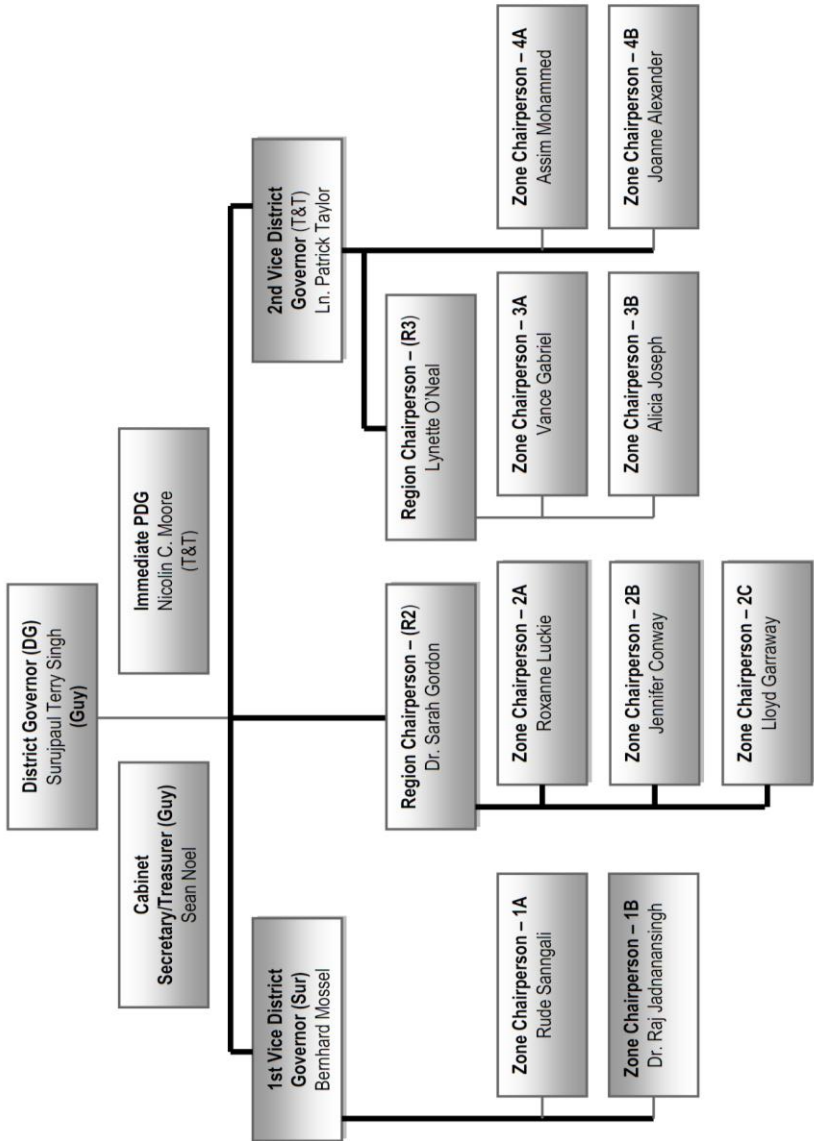

## **DISTRICT GOALS**

**2011 – 2012**

- (1) To improve District functionality through extensive training of Cabinet and Club officers.
- (2) To achieve a net growth of 35 Lions in the Sub District by raising the profile of Lionism.
- (3) Improve the contributions to LCIF by realising thirty five (35) new Melvin Jones Fellows.

## DISTRICT SONG

### Imagine by John Lennon

Imagine there's no countries  
It isn't hard to do  
Nothing to kill or die for  
And no religion, too

Imagine all the people  
Living life in peace

You, you may say I'm a dreamer  
But I'm not the only one  
I hope someday you will join us  
And the world will be as one

Imagine no possessions  
I wonder if you can  
No need for greed or hunger  
A brotherhood of man

Imagine all the people  
Sharing all the world

You, you may say I'm a dreamer  
But I'm not the only one  
I hope someday you will join us  
And the world will live as one

## LIONS CLUBS INTERNATIONAL PURPOSES

- **To Create** and foster a spirit of understanding among the peoples of the world.
- **To Promote** the principles of good government and good citizenship.
- **To Take** an active interest in the civic, cultural, social and moral welfare of the community.
- **To Unite** the clubs in the bonds of friendship, good fellowship and mutual understanding.
- **To Provide** a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.
- **To Encourage** service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors

## LIONS CLUBS INTERNATIONAL MISSION

To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs

## VISION STATEMENT

To be the global leader in community and humanitarian service.

*“Building Communities, Empowering People”*

## LIONS CODE OF ETHICS

**TO SHOW** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

**TO SEEK** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

**TO REMEMBER** that in building up my business it is not necessary to tear down another's: to be loyal to my clients or customers and true to myself.

**WHENEVER** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

**TO HOLD** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

**ALWAYS** to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor, and means.

**TO AID** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

**TO BE CAREFUL** with my criticism and liberal with my praise; to build up and not destroy.

*“Building Communities, Empowering People”*

### SURINAME

God zij met ons Suriname  
Hij verheft ons heerlijk Land  
Hoe wij hier ook samen kwamen  
Aan zijn Grond zijn wij verpand  
Werkend houdend in gedachten

Al wat goed is te betrachten  
Dat geeft aan ons Land waardij.

### TRINIDAD & TOBAGO

Forged from the love of liberty  
In the fires of Hope and Prayer  
With boundless faith in our Destiny  
We solemnly declare  
Side by side we stand  
Islands of the blue Caribbean Sea

This our Native Land  
We pledge our lives to thee  
Here every creed and race  
Find an equal place  
And may God bless our Nation  
Here every creed and race  
Find an equal place  
And may God bless our Nation

### GUYANA

Dear Land of Guyana,  
of rivers and plains  
Made rich by the sunshine,  
and lush by the rains  
Set gem-like and fair  
between mountains and sea  
Your children salute you,  
Dear Land of the Free.

Green Land of Guyana,  
our heroes of yore  
Both bondsmen and free  
lays their bones on your shore  
This soil so they hallowed  
and from them are we,  
All sons of one mother,  
Guyana the free
