HOW IT WORKS:

- 1) **Get a numbered paddle when you come in**
- 2) **When an item is up for bid, and you want to bid on it, place the appropriate number of quarters in the basket on your table, and raise your paddle.**
- 3) **When the bidding has closed, a random numbered ball is drawn, and if that number matches your paddle number, you WIN!**
- 4) **If you won, but did not bid, you shout "no bid", and the drawing continues until there is a winner.**
