A MESSAGE FROM YOUR DISTRICT GOVERNOR-- ART PECHT

I am Back

The Honorary Committee has meet and has approved me as DG for the Lions year 2024-2025. I am excited to be back for a second term because my first term was under some tough circumstances with the pandemic and clubs not meeting. I am looking forward to being at all clubs with my visit. I am challenging all clubs to increase your club membership by 1, what that means what number you start July 1 you need to increase it by 1 before June 30, 2025. f you drop members during the year you need to make them up. I have been made aware that we can get a grant from LCIF for about \$12,000 for our district. I am looking for a project that the district can do please get with me and tell me your thought or ideas. Remember a district project not a club project. We have already set the date for next years convention that will be held in Boyertown Trinity church on April 5. As DG my project will be "AltruVision a Lions eye bank" to raise funds for the gratis tissue fund. For those of you who didn't know the Lions Eye Bank of Delaware Valley changed it name last year. We still have several positions open on the district level if you are interest in any please call me we would love to have YOU.

I would like to THANK DG Gary for serving our district this year and doing a great. He has left a large imprint and I hope to carry it on.

THE VOICE OF YOUR LIONS PIN

Don't overlook me, Lions.

Right up front here, put a spotlight on me, because
I'm proud to play a part in the lives of men and
women who wear me as their symbol of service to the
community and the world.

I've witnessed excitement, sadness and happiness.
I've been a wearer as the eyes of the deceased were
removed for deposit in a Lions Eye Bank.

I've been there too when I watched as the hungry
were fed and the destitute cared for.

I've seen a Leader Dog instill new confidence in a
blind people as they move about their sightless world.
I've heard the hearts of Special Olympians pounding
with joy when Lions provided new glasses and acted
as coaches for them.

I've seen and heard the laughter of children at play,
enjoying recreational facilities and leadership
provided by Lions.

It's that time of the Lion's year to record the incoming officers for 2024-2025. Lion Carol Byers, DA for 14-L took the time to outline the steps for Lion presidents, secretaries, or district administrators to list all clubs newly elected officers.

LCI states why it is important to report your club's service

"High levels of service reporting are a sign of healthy clubs, zones, and districts. Knowledge of your club's service history provides invaluable insight to current and future club officers. In addition, district, zone, and Global Action Team leaders can best support your club when they understand how clubs in their area serve their communities."

DIABETES: AN IMPORTANT CAUSE

With the support of Lions Clubs International Foundation (LCIF), Lions worldwide are working to reduce the prevalence of diabetes and to improve the lives of those living with diabetes.

Researchers are projecting that 1.3 billion people will have diabetes by 2050 worldwide, the Washington Post reports. This would be more than double the current number — a looming epidemic that would mean increased societal and health costs as the chronic condition can lead to vision problems like diabetic retinopathy, heart issues, kidney failure, and a whole host of other problems. Diabetes is an epidemic that touches every corner of the globe.

Lions International and LCIF are dedicated to empowering Lions and LEOs around the world to fight diabetes by serving their communities one by one.

ABOUT LIONS INTERNATIONAL

Since 1917, Lions Clubs have served with uncommon kindness, putting the needs of neighbors, communities, and the world first.

With over 1.4 million members around the world, and 50,000 clubs in more than 200 countries and regions, the Lions are the world's largest service organization.

The Lions mission is to empower Lions clubs, volunteers, and partners to improve health and well-being, strengthen communities, and support those in need through humanitarian services and grants that impact lives globally, and encourage peace and international understanding.

A 501(c)(3) Charitable Organization

MISSION

Since 1993, the mission of LDBAW has been to provide funding and educational support for those with diabetes who seek financial assistance to pay for their diabetes medications and supplies through three hospitals' programs.

Charitable funds are generated through ongoing contributions from all Lions Clubs located in Allegheny and Westmoreland Counties, annual events, community fund drives and grant assistance applications to Lions Clubs International, as well as other local funders.

Financial support of fundraising projects is also provided by the UPMC Health System Foundation and the Westmoreland Hospital Foundation.

ORGANIZATION

LDBAW meets quarterly, and is comprised of voting, nonvoting, and reporting members.

- District Governors for Pennsylvania Lions Districts 14-B Allegheny County and 14-E Westmoreland County (voting)
- Five (5) board members per district, including each district's diabetes chairperson (voting)
- Two permanent board positions since the inception of the program in 1993 (voting)
- Hospital presidents, diabetes program coordinators, and physician directors are invited to board meetings for medication and education reporting only (non-voting)
- District First and Second Vice District Governors (non-voting).

WHAT WE DO

LDBAW maintains the Lions Diabetes Emergency Relief Fund. Funds may be disbursed for medications for diabetes patients who reside in Allegheny and Westmoreland Counties, who meet income guidelines, and are unable to afford the cost.

Funds are disbursed directly to the UPMC McKeesport, UPMC East, Independence Westmoreland Hospital Pharmacy, and Med-Fast Pharmacy on a monthly basis. Requests for support are managed and monitored by each hospital's diabetes program coordinator.

Lions Clubs International Foundation (LCIF)

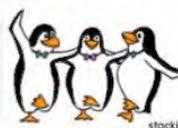

Hello Lions, Leos and fellow humanitarians,

I am thrilled to announce that LCIF is well on its way to achieving this year's stretch fundraising goal because of the awesome generosity of those of you who have donated this fiscal year. Although we've made excellent progress, we need your help to push us through to the finish line by making your personal and club donations, hosting a fundraiser and encouraging others to give to LCIF. Less than one month remains before I have the sincere pleasure of announcing our total funds raised during the Second Plenary Session at the annual convention in Melbourne. I am truly looking forward to celebrating our successes together and sharing the worldwide impact of our collective service made possible through our foundation.

Every donation brings us closer to achieving our goals, while continuing to enable us to change lives of people who need our help by providing for immediate needs after a natural disaster, feeding children facing food insecurity, helping hospitals improve facilities to treat vision impairment or serving in so many other ways. We are truly making a difference in the world together with our global foundation. My sincere thanks to everyone who supports LCIF financially and as an ambassador for the work we do together.

Make a great day,

Brian E. Sheehan Chairperson, Lions Clubs International Foundation
