Changing the World

Why Report Service?

Sharing our impact, Lions and Leos inform, inspire, and grow in global legacy of service.

Service activities: Hands-on service activities, such as tree planting, vision screening, rebuilding homes after disaster strikes or serving meal to those in need.

Advocacy: Raising awareness of causes important to Lions, educating our communities on issues that impact them and working to bring positive change.

Donations: Making charitable donations to individuals or organizations, including LCIF, which are tracked by the foundation and need not to be reported as a service activity.

Fundraising: Raising funds to enable service.

Service Support Activities:

Holding meetings to strengthen your club, educate and train members, or plan other service activities.

Fulfilling administrative tasks, such as running errands, maintaining club records, or reporting.

Attending Lions events such as conventions and forums.

Engaging in fellowship and fun, together with other Lions.

These activities contribute to Lions' positive impact in various ways, including attracting new members to clubs, helping clubs retain members by providing a positive experience, preparing Lions to serve, or directly benefitting the people we serve.

How to Measure Service Impact

Number of Activities: Each activity reported counts as one activity.

Number of People Served: Direct beneficiaries of Lions service. Sometimes needs to be estimated.

Number of Volunteers: Number of people who participate in the planning, implementation, or participate in a service project. Lions and non-Lions can be counted.

Number of Volunteer Hours: Number of hours spent planning and implementing a service project.

Funds Raised: Amount of charitable funds given to an individual or organization. Funds donated to LCIF are tracked; however, if an event was held to raise those funds, that event can be reported as a fundraising activity.

"Many Lions and Leos serve their communities individually, outside of the activities planned by their clubs, districts or multiple districts. Some examples include bringing a meal to a neighbor, driving a parent to a medical appointment, or volunteering at their place of worship. This type of work is important and commendable; however, it should not be reported as a Lions' service activity."

Lions Clubs International Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position of action towards others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

Over half a billion people worldwide are leading better lives and facing brighter futures thanks to the incredible efforts of Lions and Leos, who put their kindness into action with the support of our global foundation.
#WeServe

From July 2022 to June 2023, Lions and Leos served

539 MILLION

people in communities around the world.

#WeServe

GETTING STARTED

As we continue to move further into our second century of service, our commitment to taking action and making a positive impact on the world is stronger than ever. The over 1.4 million people who are Lions already know the power of putting kindness in action. But for those who are not, we encourage you to reach out to one of our 47,000 clubs and see how you too can get involved in one of the greatest forces for good the world has ever known.

Meet Friend, Inc. Executive Director, Mr. Jim Reese. Reese presented a plethora of information to both the Kutztown and Fleetwood Lions Clubs regarding the amazing work Friend, Inc. does for our rural northern quadrant of Berks Co.

For example, this past August Reese and his team served 680 individuals from their Noble St. pantry. Over 500 pets were fed from the Noble St. pantry. Reese and his team assist families, and students who face unemployment, survival after a spouse passes, finances when behind on an electric bill, etc. by finding assistance through the Pennsylvania state assistance programs available to our community members.
