Chairs Sue and Dave, after some discussion and feedback from some of you, we were reminded that these meetings are about you and your clubs. Having said that, please bring your ideas, questions and concerns, as to what you may like to see, discuss, or learn at future zone meetings. We will have an open forum to address your concerns and discuss what is important to you as lion leaders.

A gentle reminder Zone Meetings are for all Lions. Please invite any member of your club that may have an interest in expanding their knowledge of Lions.

Lion Sue and Lion Dave are looking forward to seeing on April 1.
