A FEW WORDS FROM DG KELLY

Lions are awesome! This year has kicked off great!

The KidSight trailer has been out at recent events. So many kids screened and referrals made. Lions are saving sight!

VDG Annette and I were up at the Council of Governors meeting and training event. Building relationships!

I am scheduling visits to district clubs. This will allow me to get to know everyone better. Please contact me to get first pick of available dates! You can reach me at 517-745-4404 or klubbe1065@gmail.com.

Do you have projects and activities coming up? I would love to participate! Remember, Together We Can!

District rosters and pins are available. Contact your Zone Chair or DG Kelly for details.

SERVICE REPORTING (MYLION)

Has your club been reporting community service hours in MyLion? It's a great way for clubs, the district, and LCI to see the fantastic impact you and your club are making in your communities.

All clubs are encouraged to designate a person to perform this important role. There is a little-known role called "club administrator" that can be assigned to a member. It gives them the same role privileges in MyLCI and MyLion as the club secretary. This allows the club secretary to continue doing their usual functions while the club administrator picks up the service reporting duties.

To learn more, contact Cathy Koning at 616-745-0119 or cathykoning@yahoo.com or Dave Hill at 517-262-8928 or coldhill@gmail.com. Cathy has the slides that Brent Beracy presented at Spring Training and can send them to you, upon request.

KIDSIGHT VOLUNTEERS NEEDED

Jackson County Virtual Professional Lions are organizing Project KidSight at the Jackson County Fair. The dates are **August 7-13**.

Contact DG Kelly to volunteer your club, or yourself, for a shift. 517-745-4404 or klubbe1065@gmail.com

Battle Creek Cereal City Lions are organizing Project KidSight/Diabetes Testing at the Calhoun County Fair on **Tuesday August 16**.

Contact Roger Bosse to volunteer - rogerbosse@att.net or 269-578-3684

This is a lot of shifts to cover and every available volunteer will contribute to the success.

Day One at the Jackson Fair

HILLSDALE RUMMAGE SALE

Hillsdale Lions are hosting a Rummage Sale at Trinity Lutheran Church's Luther Hall, 69 Griswold St, Hillsdale on Saturday August 13, 8:30am-1:30pm.

DISTRICT 11-B1 JOINS JACKSON CHAMBER

At a meeting in February, our guest was Amanda Loveland from the Jackson Chamber of Commerce. Amanda talked about many features of Chamber membership and addressed our questions about how our membership with the Chamber can be a benefit to our clubs. The full membership fee is discounted for non-profits. Amanda suggested she might be able to get an additional discount for Lions. (This comes out of Admin funds)

Events for networking and marketing allow us to reach into the community, increase our visibility and invite new members. One event is the monthly "Live at the Lab" which is a radio broadcast with free breakfast. The public is welcome to join. This is a great way to share business cards and practice your club elevator speech. (you do have an elevator speech, right?)

Events also occur at local businesses, such as ribbon cuttings. Jaxpo is a paid event opportunity, an expo for members to rub elbows and get to know each other. DG Kelly has used this to market Lions, her work, and her personal business, all with the single cost of her personal Chamber membership.

There are also free and paid advertising options. Members can send in their upcoming event information to have it included in the Chamber newsletter for free. Or pay for advertising that blasts out to 5000+ Chamber members.

There is a printing discount program that the Chamber provides to its membership. All you have to do it mention that you are affiliated with our district and the chamber. The sign up link for that is:
<https://www.nationalchamberprogram.com/signup/>

For anyone who would like to watch the recording of the presentation by Amanda, it is available at
<https://youtu.be/M9IG-pZP6qg>

With our district recently purchasing a membership with the Chamber, all clubs within our district can reap the benefits of these resources.

Contact DG Kelly at 517-745-4404 or klubbe1065@gmail.com or Amanda at Amanda@jacksonchamber.org or 517-782-8221 for more information.

Free networking event happening THIS WEEK THURSDAY (August 11) at 5pm at Jackson School of the Arts

MARKETING YOUR CLUB

How does your club do marketing? Do you shout it from the rooftops? Submit articles to the local paper, both before and after an event? Post information on local bulletin boards? Distribute flyers at local events? Tell the person in line next to you at the grocery store?

Are you getting the word out using internet resources like your club website, Facebook, Twitter, TikTok, or targeted texts and emails to select individuals? Have you met with your mayor? City Council? Local radio station? Local business leaders?

When you hold an event, do you invite the public? Or just friends and family? Have you shared it with your district newsletter editor?

Do you rely on a club marketing and communications chairperson to publicize an event? Or is every member helping to get the word out?

Do you wear Lions colors? Matching shirts, vests, hats? Are you using the Lions logo according to Lions International branding guidelines for your clothing and printed materials? Check out the Club Branding guideline.

Lions Clubs International has resources available to help your club.

Get started at <https://www.lionsclubs.org/en/resources-for-members/resource-center/club-marketing-communications-chairperson>

The Clinton Lions recently shared their club brochure. It is great for recruiting members, informing the public on club supported projects and soliciting donations. Vandercook Lake has one as well. Does your club?

Contact Cathy Koning at cathykoning@yahoo.com to receive a copy of the Clinton brochure that you can edit to suit your own club (Word format).

Several clubs have business cards. This makes it easy to share your club meeting information while at events. A few examples follow.

Cathy is available to help you with your club flyer, business cards, e-clubhouse website, and Facebook page. Reach out at cathykoning@yahoo.com or 616-745-0119.

ADRIAN BREAKFAST

The Adrian Breakfast Lions helped supply Scholastic books to the new Addison Elementary School “Bookworm Vending Machine”. The idea was promoted by Principal Angela Huston and supported by the PTO and other local organizations. Students earn tokens through academic and citizenship achievements, which can be used to purchase books. All books require just one token. The Club has made providing books to children to promote literacy a priority, and has donated over 1500 books in the past four years to children through Lenawee County.

IN REMEMBRANCE

The club lost a valued member. Hazel Jacobs, age 92, passed away on July 21st. She and her late husband Richard were very active in the club, especially with the annual radio auction. Hazel included the club as a recipient of her memorial contributions.

BATTLE CREEK CEREAL CITY

As part of the Michigan, Adopt-A-Highway project, the Cereal City Lions oversee a 2 mile stretch of Dickman Road from South Rd, east of Horrocks, to 20th street.

From Saturday, July 16 to Monday, July 18, we had 3 groups of Lions cleaning up the roadside. It was divided into sections, and each section took about 2 hours to walk. With plenty of water available, we were able to get the job completed under cloudy skies, avoiding the rain.

We had 13 Lions participate this year, with several covering multiple days.

32 bags of trash were collected from the roadside over the 3 days. The next cleanup will take place this fall during the week of September 24 to October 2.

Thank you to Jane Cook, Jerry Mackey, Hope and Scott Swank, Roger and Dorothy Bosse, Paul Rose, Pam Steele, Brian and Lorena Trainer, Derrick Dean and Nancy Gallant for helping! Our world is a little

Additional cleanup efforts will occur in October with the Krazy for Kzoo Cleanup Day.

Battle Creek Cereal City had 11 Lions and 5 Lions for the day helping at the Cereal City 5k and Half Marathon handing out water, Noon, Energy Bites and Energy Gu as well as gum. It was a beautiful morning with the balloons going overhead and the runners passing through 4 times as we cheered them on! All this fun and we still got to raise \$300 for Cereal City Lions Club! Several wore their Lions vests, aprons, and ball caps so everyone would know who we were! (Editor's note: A great example of club branding!)

CLARKLAKE

They had a booth at Raft O Rama and did an incredible job selling 900 chicken dinners. It was a great day with an amazing group of LIONS!

DEXTER

Orientation for new members was held in early June. Hopefully the information and discussions were helpful. The club newsletter is full of volunteer opportunities for members including Apple Daze, Ice Cream in the Park, Dexter Daze, Gordon Hall Days, Webster Township Historical Society, and Fall Sports Programs. Scholarships were awarded to local teens, awards were presented, and new members were inducted. Great job!

Thanks to all the volunteers!!

UNIVERSITY OF MICHIGAN

A great KidSight event at the Dearborn Homecoming fair. Below from left to right are UoM Lions Heba, Rawan, Fiassal, Mahdi and Ted Robinson from Plymouth Lions . The gang did a great job screening kids in 90+ degrees heat. Thankfully the A/C was working!

MANCHESTER

Lions Bruce Bates and Barry Allen working the Manchester Chicken Broil. This marks the 69th year for the event. Sit down, take out, drive through, live music.

TEKONSHA

It is with great sadness we say good-bye to Margo Knapp, a Lion for over 25 years and Melvin Jones Fellow. Please keep her family in your prayers.

NORTH JACKSON

Lion Steve Roman joined our club in October of 2014. He transferred to us from the Wixom-Walled Lake Lions Club and has been a Lions Club member for 24 years. Steve's salesmanship has far exceeded any expectations when working White Cane and Candy Days. He is usually at the top when it comes to fundraising at these events. Steve is always thinking of ways to help the club and the community and very deserving of the Melvin Jones Fellowship Award. Thank you Steve for your service to the club and community. Lion Vicki Lautzenheiser (above) presented Lion Steve with his award at our July Picnic at Rod Mills Park.

Lion Tom Fenton, club president (above right), presented Lion Clive Seydell with a Melvin Jones Fellowship Award for Lion Ellen Seydell (insert). Ellen was unable to attend the picnic but Clive accepted the award on her behalf. Lion Ellen Seydell became a member of our club in April, 2018 joining her Dad, Grandfather and husband as a member of this club. We have been fortunate to have another "Beck" / Seydell in the club especially with her dedication and willingness to take on club projects. She has done well to take on and organize one of our biggest fundraisers, Onion Sales, along with her Dad. Congratulations to you, Lion Ellen!

Lion Tom Fenton is presented here with our 2022-2023 Lion of the Year award from Lion Vicki Lautzenheiser. Tom is starting his second term as president of our club and continues to be very involved with our activities including Candy Days, White Cane and KidSight Screening. We thank you for your involvement in the community and look forward to another great year under your leadership. Congratulations!

Lion Vicki Lautzenheiser presented the Ken Lautzenheiser Fellowship award to Doug Blume, the former NW Kidder Middle School Advisor. Doug was the school advisor while Vicki was the Leo Club's advisor. They worked together to provide leadership and direction and to make a positive impact on the young members of the Leo Club. Doug has retired this year from the school and will be moving out of state. The Leo Club has decided to disband for now.
