Engaging Our Youth Campaign

1. Drug, Alcohol and Substance Abuse Workshop - Kriste Mambo High School, Rusape.

As part of the Lions International Global Engage our Youth Campaign, On Saturday 10 August 2013, Lions Club of Harare The Phoenix was in Rusape, Zimbabwe at Kriste Mambo High School with over 209 Youths (Leos) having a workshop on Alcohol, Drug and Substance Abuse. The Club highlighted the dangers and consequences of abusing drugs, alcohol and substances.

The Club distributed fliers that discouraged abuse of drugs, substances and alcohol. The fliers have also been distributed to Lions within the district so that they can use to educate youths within their spheres of contact.

2.Career Guidance Workshop - Leo Council Meeting in Rusape 10 August 2013

On 10 August 2013, as part of the Engage our Youth Campaign, Lions Club of Harare The Phoenix conducted a workshop on career guidance to over 200 Leos who were attending their Council meeting, in Rusape, Zimbabwe. Lions shared about various careers including the Arts, Accounting, Economics and others. This was to provide the youth with information to equip them and guide them to choose the right career path for the future. Young participants were very happy to have the workshop as most of them were not sure which career to take.
