

MULTIPLE DISTRICT 410 REGIONAL LIONS LEADERSHIP INSTITUTE

I am glad to report that three Lions from our District 412 were among the 36 Lions from Multiple District 410 who participated in the RLLI which was hosted by Multiple District 410 at Mannah Executive Lodge in Johannesburg, South Africa.

It was a great honor and privilege for us to be accepted to participate. For me it was a long awaited event after fifteen years of serving as a Lion in District 412.

I am proud and greatly honoured to inform you that our District flag was carried by Region 4 Assistant District Cabinet Chairperson, Women and Family Membership Development, Lion Tshidi Serema of Lions Club of Lobatse; Zone 4A Chairperson Lion Baboni Masalagae of Lions Club of Francistown and Zone 3A Chairperson, Lion Jonathan Ruhukwa of Lions Club of Zvishavane. The fellowship and warmth accorded to us by the Multiple District 410 Lions made our stay memorable and pleasurable.

The RLLI was facilitated by five experienced GLT Team from South Africa Lions Clubs. Headed by PDG Lion Cliff Hocking and PDG Lion Nick Mare the four day training gave us deep experience in our leadership qualities. From the topics which were covered it is now easy for us to go by our DG's theme; "**Leadership with Efficiency and Integrity.**"

As some of your cabinet officers, we are now in a better position to assist one another in the day to day smooth running of District 412 as we came back fully equipped with Lions Leadership qualities.

In conclusion, I urge other members to commit themselves to the cause of Lions leadership if we have to continue to maintain our leadership qualities.

I thank PDG Lion Tekemanangathe Ramkumar and DG Lion Clement Ndala for facilitating our acceptance to attend this RLLI and hope that they will keep on extending the same to fellow Lions. Lastly I also thank PDG Lion Cliff Hocking and PDG Lion Nicky Mare for accepting our applications and their facilitators for keeping us in a jovial mood.
