Global Membership Approach

Frequently asked questions

1. What is the Global Membership Approach?

The Global Membership Approach is the process designed to support districts worldwide against the global membership decline.

2. How was this approach developed?

During the October 2018 board meeting, the Lions Clubs International Board of Directors authorized the start of the North American Membership Initiative pilot program to address struggling membership growth in North America. As a result, a step-by-step process was developed to address membership development issues based on available resources and regional adaptations to meet the specific needs of each district.

3. Why is the Global Membership Approach important?

Evidence of membership declines resonates with Lions worldwide. This process can revitalize membership growth to add more active hands in support of our core mission to meet humanitarian needs and be the global leader in impactful service.

4. What are the Global Membership Approach objectives?

- 1) Rejuvenate districts with new clubs, 2) Revitalize clubs with new members, 3) Re-motivate members with new fellowship opportunities and exciting service, 4) Provide training and support to our Lion Leaders and 5) Finish each year with a positive membership net growth.

5. How does the Global Membership Approach fit in with the 2024 - 2025 District Goals?

The established membership development goal focuses on three data points: new members, new club development and member retention.

First vice district governors/ district governors-elect will complete their district membership development goal using the Global Membership Approach. Through this process, districts along with their regions/zones will be able to conduct a strategic analysis of the needs of their district, set realistic membership targets and build a plan to ensure a successful year ahead. Global Membership Approach developed goals and action plans will be submitted through the district goals submission platform once available. Although the Global Membership Approach is focused on membership development, the fundamentals of the approach can also be applied to support the three other district goals focus areas: Leadership Development, Service, and LCIF support.

6. Who is leading this approach?

The Global Membership Approach is being led by IPIP Douglas Alexander, IP Brian Sheehan and VP's Patti Hill and Fabricio Oliveira, alongside GAT Lion leaders.

7. Where can I find more information about the Global Membership Approach process, resources and results?

You can find information, resources and results on the Global Membership Approach webpage www.lionsclubs.org/global or you may request more information by contacting membership@lionsclubs.org or by contacting your local GAT Constitutional/Regional or Area Leader.

8. Who leads the initiative in the districts involved in the Global Membership Approach?

It is recommended that the district GMT Coordinator under the direction of the District Governor promotes and manages the approach, fosters execution, and reports results. The District GMT Coordinator works with the district governor team, GST, GET and GLT coordinators, region/zone chairpersons and other district leaders on plan development, implementation, and

accountability. However, the Global Membership Approach lead role can be regionally adapted and be filled by a Past District Governor or another respected leader.

9. What are the roles and responsibilities of council chairpersons with Global Membership Approach districts?

Council chairpersons review the goals and plans of their districts and demonstrate support of the approach and its leaders. They should allocate time at their council meetings for progress updates, next steps, idea sharing and issue resolution.

10. What are the roles and responsibilities of the district governor teams in the districts involved in the Global Membership Approach?

District governor teams are directly involved with planning, promoting, and supporting global Membership Approach activities throughout their districts. Individual roles are identified during the team building process within each district.

11. How is the GAT involved?

The GAT volunteer network serves as the primary communication and support channel for the Global Membership Approach. For example, at the district-level, the GMT would be responsible for ensuring that the Global Membership Approach is implemented. GAT Area Leaders would provide webinars to share processes and resources with GAT MD leaders, DG teams and GAT coordinators. GAT MD Leaders would review district goals and plans, so they can assist districts with implementation and accountability.

12. How can districts directly engage their clubs in support of the Global Membership Approach?

Each district should engage their clubs in projects throughout the year, including leadership development, club marketing and welcoming new members into their clubs. Engagement at the club level is the foundation to successful membership growth and retention.

13. How is the Global Membership Approach funded?

The Global Membership Approach is being funded with existing operational budgets.

14. What funding is available for participating districts?

Districts can apply for existing LCI and LCIF grants as well as set aside district funds to implement their Global Membership Approach plans.

Lions Invocation

Lord, as we lions gather here
 We pause to offer up this prayer
 Bless now this food that we partake
 And every effort that we make
 To build the communities in which we live.
 And put it in our hearts to give
 To worthy causes.
 Bless the blind,
 And what we do to serve mankind.
 Be with us till we meet again.

Lions International Pledge

I pledge allegiance to my country and
 To the cause of peace throughout the world.
 I believe in the principles of Lionism
 As contained in the Lions Code of Ethics.
 I am proud to be a Lion, dedicated to the service of others.

The Lions Prayer

Where Lions meet, be
 present Lord,
 to weld our hearts in one
 accord.
 To do thy will, Lord makes us
 strong
 to aid the weak, and right
 the wrong.
 Amen.

Lions Grace

O Lord thy blessings
 now let fall
 Upon the Lions as we
 call
 May all our ties of
 friendship be
 Forever strengthened
 Lord by Thee.
 Amen.

O Canada – (English)

O Canada!
Our Home and Native land!
True patriot love in all of us command.
With glowing hearts, we see thee rise,
The True North strong and free!
From far and wide
O Canada, we stand on guard for thee.
God keep our land, Glorious and free!
O Canada, we stand on guard for thee,
O Canada, we stand guard for thee.

O Canada - (French)

Ô Canada!
Terre de nos aïeux,
Ton front est ceint de fleurons glorieux !
Car ton bras sait porter l'épée,
Il sait porter la croix !
Ton histoire est une épopée
Des plus brillants exploits.
Et ta valeur, de foi trempée,
Protégera nos foyers et nos droits.
Protégera nos foyers et nos droits.

The Star-Spangled Banner

O say can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming,
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there;
O say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

God Save the King

God save our gracious King!
Long live our noble King!
God save the King!
Send him victorious,
Happy and glorious,
Long to reign over us:
God save the King!

Lions Clubs International Mission Statement

To create and foster a spirit of understanding among all people for humanitarian needs by providing voluntary services through community involvement and international cooperation.

Lions International Purposes (Objects)

- **To Create** and foster a spirit of understanding among the people of the world.
- **To Promote** the principles of good government and good citizenship.
- **To Take** an active interest in the civic, cultural, social, and moral welfare of the community.
- **To Unite** the clubs in the bonds of friendship, good fellowship, and mutual understanding
- **To Provide** a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.
- **To Encourage** service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works, and private endeavors.

Lions Code of Ethics

- **To Show** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
- **To Seek** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
- **To Remember** that in building up my business it is not necessary to tear down another's, to be loyal to my clients or customers and true to myself.
- **Whenever** a doubt arises as to the right or ethics of my position or actions towards others, to resolve such doubt against myself.
- **To Hold** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
- **Always** to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.
- **To Aid** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
- **To Be** careful with my criticism and liberal with my praise; to build up and not destroy.
