

District 14C Newsletter January 2026

A Message From the District Governor

Greetings Lions, Lioness/Lions and Leos of District 14-C

**District Governor
Doug Nace**

Happy New Year! I hope everyone enjoyed the holidays while spending time with family and friends. January 1st starts the second half of the Lions Year. The first half of the year seemed to go by rather quickly but there were a lot of accomplishments. I am always impressed to see the hours served and the monetary contributions that are made. We have an extraordinary group of Lions and Leos in our district that have worked hard the first half of the year and yet our busiest days are still to come. We all know that "Mission 1.5" is a challenging initiative, and we have taken that message of growth and impact to heart. We are starting to see a positive culture shift with adding new members to our organization.

Now is the time to take this another step forward. Share ideas and concepts on how we can grow our clubs and the district. I like keeping strategies simple, so as we all know the Lions primary function is to Serve. To provide addition service to our communities we need addition volunteers/members. With the New Year, now is the time to recommit to get friends, family and individuals that have the same passion we do to get involved in our communities. Again, keep it simple "Just Ask" that potential Lion to be part of our movement. Our local communities need Lions and Leos now more than ever.

During the club visitations I check to see if the club is reporting their service to the Lions Club International portal. We have a high percentage of clubs that are doing this, but my goal this year is to have 100% of our clubs report their service and I am asking a special request for all to do so. First, we should be proud of what we accomplish, plus this shines a light on how and where local clubs are making a difference. This simple task elevates the profile of the local club along with Lions Clubs International. Another huge reason to report is that since we are a global organization, LCI has developed partnerships with large Corporations and Foundations that are willing to donate money to our global causes. This gives our organization the increased ability to give. So that simple task of reporting your club's service will blossom and bring much needed funds to are organization, so please do your part.

I am deeply honored to be in the presence of such committed individuals that are Lions and Leos in District 14-C, who volunteer their time to the needs of their communities and the world. Each and every one of you make a difference though donations and volunteering. Thank you so much for everything you do!
Happy New Year!

Yours in Lionism,
Lion Doug Nace
District Governor, District 14-C

A Message From the 1st Vice District Governor

Greetings, Lions & LEOs of District 14C,

**1st Vice
District Governor
Patti Wurzbacher**

Happy New Year! As I sit quietly, the Christmas tree still glowing, listening to the gentle snoring of our greyhound—joined by his human dad—I'm reminded how meaningful these peaceful moments are. In my memories, a familiar song plays: *"Another year over and a new one just begun."* John Lennon's words gently invite reflection and anticipation, reminding us that while one chapter closes, another opens with promise.

For Lions, our service year begins on July 1 and ends on June 30, yet the turning of the calendar year offers all of us a natural pause—a chance to reflect with gratitude and look forward with hope. It's a season rich with tradition: time spent with family, watching the ball drop, enjoying parades and special meals, making resolutions (yes, some of us still do!), and imagining what a fresh start can bring.

As Lions, we might ask ourselves, *"What have we done?"* The answer fills my heart with pride and appreciation. You have screened vision, stocked food pantries, supported neighborhood missions, served meals to those experiencing homelessness, lit Christmas trees, welcomed Santa for children, marched in parades, honored our veterans through Wreaths Across America, and brought joy to families during the holidays—and so much more. These acts of service have touched lives in ways both seen and unseen. And remember—that's only half of our Lions year.

When asked, *"What have you done?"* you can confidently and humbly say that you have made a difference. You have shared your time, your talents, and your compassion with your communities. District 14C is truly blessed with Lions who serve with dedication, generosity, and heart.

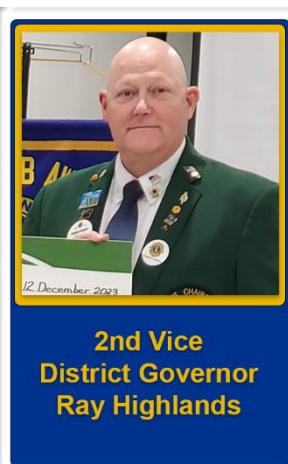

As we step into this new year, let us do so with renewed hope and purpose. Let us recommit ourselves to service and look for new ways to strengthen our impact. Perhaps this is the year we each invite just one friend, neighbor, coworker, or family member to join us—expanding our reach and brightening even more lives.

Thank you for all you do for your clubs, your communities, and our District. May the coming year be filled with peace, joy, good health, and the warmth of family and friendship. With gratitude and hope,

FVDG Patti Wurzbacher

A Message From the 2nd Vice District Governor

Lions and LEOs:

I hope the holidays treated you well and you had a happy holiday season.

As we turn the page and start a new calendar year, we as Lions should reflect on the two faces in Lionism:

The left face is looking back at our past as an International organization, and it is a symbol of “pride in our heritage and achievements.” As a club we have history and we should use that information to promote and talk about Lionsim. Lions’ International long history is great, but your local club is the key to your community. The right face is looking forward with “confidence and readiness to serve,” and ready to make changes to better Lionism and our communities.

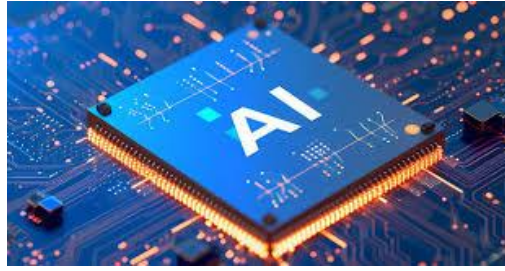

As we begin the new calendar year, we are just halfway through the current Lions year, and some clubs relax during the winter months taking a break from the holiday season, but we should use these cold months to plan the club’s next project and event, and I recommend that every club look at holding a spring membership drive to get more helping hands involved. Even projects and events we have done for years should be reviewed and updated. Do not get complacent as a club and think the same is always going to work. Do not live with the thought “they know what Lions do.” Lions do a lot, but most people do not know it unless we tell them.

When we are talking to people about Lionism we should never hear things like “I did not know this town had a lions club”, or “Lions are still here”, and “I thought you just collected glasses”, or “women can be lion”. These are just a few of what I hear moving around talking to people about Lionism. No matter where you go you should talk about Lions. You never know what or who will have an interest in what we do. Talking to people about Lionism and your club will inform people about what we do as Lions and how we impact our communities, and in the conversation, you may get information and knowledge of a need in your community that your club can work on.

Be a proud Lion and “ROAR” about what we do!

Yours in Lionism,
2VDG Ray Highlands

District Information Technology and Website

We hear the term all the time, but what is AI.

AI stands for Artificial Intelligence, but what does that really mean. Years ago, people tried to stop as automation took over many industries and the auto industry is a perfect example as automation replaced people putting cars together, so what is AI? Will AI take over?

Artificial Intelligence (AI) is the ability of computer systems to perform tasks that typically need human intelligence, like learning, reasoning, problem-solving, perception, and language understanding, often by learning from vast amounts of data instead of explicit programming.

We learn from classes and experiences, but now computers are starting to do the same thing. They don't get experiences like a human but through vast amounts of data explaining the experiences and actions.

We get lots of good things from AI, as computers can now help write papers, determining what spices or foods go together, and much more.

AI is not going away, so we must learn to adjust and use this technology.

[Learn more about AI by watching this 3-minute video](#)

Lions International has an AI website to help with research and it is all about Lions. [About Lion AI | Lions Clubs International](#)

Please remember you can send information, photos, or any other details to lionsdistrict14C.fb@gmail.com to be considered for the district Facebook page.

Lions International Peace Poster Contest

Lions Clubs of District 14-C, let's honor the winners of the Lions International Peace Poster Contest for the 2025-2026 sponsored by our district! The theme for the 2025-2026 competition is **"Together As One."** What inspiring posters the students created to demonstrate this theme! We had a grand total of 151 children participating and creating posters this year! And, this was our largest number of participants ever! I, truly, applaud the clubs that participated this year in sponsoring students from their area. They were the Apple City Leo Club (under the guidance of the Arendtsville Lions Club), the Arendtsville Lions Club, the Dallastown Lions Club, the Jacobus Lions Club, Inc., the Upper Adams Lions Club and the White Rose Lions Club.

The children's posters were judged on originality, artistic merit and demonstration of the theme in their posters.

Drum roll, please! The winners are:

First Place: **Elaina Licharowicz**, sponsored by the Apple City Leo Club (under the guidance of the Arendtsville Lions Club).

Get ready to jump for joy! Elaina's poster competed in the multiple district competition and won **first place!** Her poster has now traveled on to be judged in the International competition. Congratulations to Elaina for this amazing accomplishment. We are so proud of her!

Second Place: **Mary Wolgamuth**, sponsored by the White Rose Lions Club. This was the White Rose Lions Club's first time to sponsor students in the contest. Congratulations to the White Rose Lions Club on Mary's achievement!

Third Place: **Casey Hays**, sponsored by the Arendtsville Lions Club.

Honorable Mention: **Zara Heidelberg**, sponsored by the Jacobus Lions Club, Inc.

This year, we will have the opportunity to recognize, honor and meet the winners and their families at our **District 14-C Convention** in April! It is always such a privilege to meet these outstanding students and see the beautiful posters they have created along with listening to them share their thoughts about world peace that they have demonstrated in their posters. The ideas they share give us all encouragement and hope for the future.

And, of course, we will be wishing for much success for Elaina in the International Competition!

For more information about the Lions International Peace Poster Contest, please contact me at (717) 600-7642 or hullmannt@aol.com

District Disaster Relief Program

January's Readiness Focus

National Slavery and Human Trafficking Prevention –

Blue Campaign is a national public awareness campaign designed to educate the public, law enforcement, and other industry partners to [recognize the indicators of human trafficking](#), and how to appropriately respond to possible cases. Blue Campaign works closely with Department of Homeland Security (DHS) Components to create general awareness training and materials for law enforcement and others to increase detection of human trafficking, and to identify victims.

Located within the [DHS Center for Countering Human Trafficking](#), Blue Campaign leverages partnerships with the private sector, Non-Governmental Organizations (NGO), law enforcement, and state/local authorities to maximize national public engagement on anti-human trafficking efforts. Blue Campaign's educational awareness objectives consist of two foundational elements, prevention of human trafficking and protection of exploited persons.

Winter Weather Safety – Winter Weather brings a different type of threat. Learn how to stay safe when winter storms threaten. [Click to see How to Stay Safe.](#)

District Cabinet Meeting #3

District Governor Doug Nace has issued a call for the third **District Cabinet Meeting** of Lion Year 2025-2026 on Saturday, February 7, 2025. The meeting will be held at the Dover Fire Hall starting at 9:30 a.m. The meeting is open to all Lions. It is strongly encouraged that Club Presidents and Club Secretaries attend this meeting to keep informed of District 14-C activities.

Plainfield Celebrates Student Success

Zoey Peters was recently honored as the Plainfield Lions Club's Student of the Month. Zoey is a senior at Big Spring High School. After graduating from high school, Zoey will decide whether to pursue a career as a Real Estate agent or as a Psychology Forensic Scientist. Zoey, on the left, is shown receiving her award from Lion Jill Freeland.

Susquehanna Helps Local Families

On December 18th, the Northeastern School District Help Your Neighbor Program was held for its 27th year. The program is facilitated and organized by Northeastern School District Social Worker Sally Reed. Thanks to Sally and her dedicated group of volunteers, 140 families had the opportunity to pick Christmas gifts donated by the community for them to choose. Each of the families received a separate bag for each of their three hundred and ninety children containing toys. In addition, each family received a box from the York County Food Bank containing all the fixings for a Christmas dinner plus a coupon for a turkey. Sally is shown beside Lion Ken Heindel. Lion Ken coordinates his staff of fourteen Susquehanna Lions who transport all the Christmas goods to the parking lot for the families who attended the program.

Hanover Learns About Keeping Hanover Alive

Moriah Tyler, Executive Director of Mainstreet Hanover, visited the Hanover Lions Club as guest speaker. She provided an overview of her organization's partnerships with local businesses and community-based organizations to collaboratively work together to keep the town of Hanover “alive and well”. For more information about this organization, please visit: <https://mainstreethanover.org>.

Club President Jon Schmeyer and Moriah Tyler

Arendtsville Serves The Unhoused

For the second year in a row, the Arendtsville club prepared and served breakfast each morning for guests staying overnight at the Gettysburg CARES shelter for individuals experiencing homelessness. Breakfast was served each day from December 16 through December 29, 2025 to 20-25 guests each morning. A dozen club members prepared breakfast favorites, ranging from breakfast sandwiches to pancakes to baked French toast to chipped beef gravy, during the course of the two weeks.

Zone Chair Jay Stroup, a member of the Arendtsville Lions Club fries eggs for breakfast sandwiches.

Arendtsville Lions Club President Kim Presser prepares sausages for breakfast sandwiches.

Mechanicsburg Helps Everstand Youth Home

Over the past couple of months, the Lions Club of Mechanicsburg volunteered with Everstand by providing more than \$1,200 worth of Christmas gifts for eight youth living at the home. In addition, a group of Lions gathered at Everstand for their annual gift-wrapping event. It was a wonderful day filled with fellowship, and we were grateful for the opportunity to tour the grounds and learn more about the impactful work being done there.

Apple City Leos Help Celebrate the Special Olympics

Members of the Apple City Leo Club helped set-up, serve and clean-up a holiday dinner for Adams County Special Olympics athletes and their families. 125 athletes and family members attended the dinner, which was sponsored by the Zone 1B Lions clubs. Members from the Arendtsville Lions Club and Upper Adams Lions Club prepared and helped serve the meal.

Apple City Leos Grace and Callista waiting for the next folks to come through the serving line at the Special Olympics Holiday Dinner.

Susquehanna Opens Black Friday by Selling Trees

The Susquehanna Lions opened their Xmas tree lot on Black Friday. Lions Tom Zortman, Donald Fries, Joe Weirich, Joseph Stewart, Richard Heilman, Robert Bowman and Joe Hogue helped set the lot up this year.

Lions Stan Ferree, Donald Fries and Joe Hogue with the first sale.

Hanover Has Busy Black Friday Weekend

Hanover Club members had a busy Saturday morning, November 29, as their members were spread out and simultaneously involved in selling Diner's Club Coupon Books at the Hanover Market House, parading and giving out candy at Hanover's Annual Christmas Parade, and working sale hours (11-4) at the Orange Car. The Lions Orange Car is a 70+ year annual fundraising event on the square in New Oxford, PA. It has transitioned to a Zone 1A event in recent years. Customers provided a steady stream of business to keep the Lions moving along and staying warm.

Pictured here warming up the place early on Black Friday were Lions Pat Senft (Hanover), Dave Ozminski (Littlestown), and Project Chair PDG John Griffie (at the car door).

Paws for Thought

by Robbie Teal Puppy Raiser

I read this article from Walker Jones. He is a visually impaired gentleman that has Loki a Leader Dog for the Blind. He wrote this article about Puppy Raisers and I wanted to share it with you. I couldn't have communicated any better on being a Puppy Raiser.

Being a Puppy Raiser

When I think about my Leader Dog Loki, the first thing I think about is how loved he is. Over the 20 months we've been a team, he has become pretty well known in the leader dog community, the puppy raising community, on TikTok, and around my town. But behind all that attention, there's someone who deserves just as much recognition. His puppy raiser.

Puppy raisers are the reason guide dogs exist. They take in a tiny, silly, clumsy little puppy knowing from the very beginning that their time together is only temporary. They know they will have to let go. And still, they open their hearts completely to this little life. Their job isn't to raise a pet. Their job is to lay the foundation on which a guide dog will someday stand.

They teach the puppy to move through the world with calm and focus. They teach resilience in chaos, patience in mistakes, and confidence in uncertainty. They teach boundaries without breaking spirit and love without conditions. Every lesson, every correction, every ounce of patience is for a future they won't get to witness.

And yet, they fall in love. Every hug, every wag, every milestone becomes part of their heart. They laugh at messes, celebrate victories, and cherish the little dog in front of them. And then, when the time comes, they let it go. They hand it over knowing that the dog they fell in love with will soon love someone else. That goodbye is heartbreaking and the sacrifice is unimaginable.

I've had the privilege of meeting my fair share of puppy raisers and "seeing" firsthand the love, courage, and dedication it takes. To every puppy raiser who reads this, I want you to know that I am endlessly grateful for every moment you spend teaching, guiding, and giving your heart away. Because of you, dogs like Loki exist. Because of you, people like me have freedom, independence, and safety. Without you, none of this would be possible. Thank you for loving, building, and letting go. You change lives in ways that cannot be measured. ❤️

Carlisle Area LEO Club!

LEO's turned out for Carlisle Annual Making Spirits Bright, Holiday Parade. Theme was "The Grinch Gives Back with LEO Club Service". It was a very cold night but LEOs and their friends and family walked the parade showing off "WHO" the LEOs are.

Plainfield Provides Holiday Cheer

The Plainfield club continued its tradition of providing fruit baskets to the less fortunate, widows and widowers in the Plainfield community. This project has been part of the club for over 50 years.

Hanover Acquires Vision Camera

The Hanover club recently acquired a Vision Screening Camera Kit. This camera kit will be utilized not only by the Hanover club but also to the three other clubs in the Zone (Littlestown, West Manheim, and East Berlin) for vision screening of Pre-K local school students, day care center children, and other special groups who require a quick determination of any of six potential eye abnormalities. of the Hanover Lions Club. This specialized camera was made possible through a generous grant from the NE Lions Service Foundation, and donations from the Home Association of McSherrystown, The Republican Club of Hanover, the Social Club of New Oxford, along with proceeds from the club's "Commitment To Sight" Golf Benefit.

Susquehanna Responds to Fire Emergencies

On November 30th, a 1st Alarm structure assignment was dispatched to the 200 block of Torrey Pines Drive in East Manchester Township. The home is a complete loss. Six residents were displaced, but fortunately there were no injuries. The Susquehanna Club presented a WalMart Gift Card for \$500 to the owners to help to with their recovery from this disaster.

Fire scene at Torrey Pines Drive

On December 10th at 2:30 in the morning, Eagle Fire Company #1 responded to a structure fire on the 100 block of Starview Boulevard in East Manchester Township. Two residents were home and asleep at the time but were able to get out on their own prior to the fire crews arriving. The home and contents of the residence is a complete loss. They also lost two beloved dogs and a cat in this disaster. The Susquehanna Club will provide the family with \$500 cash to help with their immediate needs and also will work with the community in the recovery effort for this family.

Stewartstown Lights Up Christmas

The Stewartstown club celebrated the 5th Annual Christmas Tree Lighting Ceremony on December 6th. The event is held on the property of the Mason Dixon Library and features local religious leaders and Stewartstown's mayor. The event had excellent weather and over 300 came to watch the tree lights activated.

Hanover Lions Wrap Up 52nd Year of Diner Coupon Sale

Hanover club members Pat and Sue Senft are seen here working the Hanover Market House Booth selling the annual Diners Club Book of coupons as well as the Zone 1A's annual Daily 3 Lottery Tickets for 2026. In addition to being in service with the club's many activities, Pat serves as a Board Member and Sue is the club's assistant treasurer.

Susquehanna Holds Successful Bingo Nights

The Susquehanna club held two afternoons of Gift Card Bingo. The afternoons featured an open kitchen for snacks, and of course, bingo! Both days continued the tradition of selling out and providing a wonderful community event.

Carlisle Lions Club Welcomes DG Doug

On December 9 the District Governor made the annual visitation to the Carlisle Lions Club. It was a very busy evening with comments, awards, induction of new members, and even a few surprises.

1VP Doris Ditzler presents a check from the Carlisle Lions club to DG Doug Nace for Beacon Lodge and the Governor project fund.

DG Doug Nace presents a 20-year chevron to 2VP Cindy Landis.

SVDG Ray Highlands presents a 12x12 brick in honor of Lion Jay W. McBride, Jr that will be part of the Governors pathway at Beacon Lodge. The brick was purchased by the Carlisle Lions Club to honor the years of dedicated service to the club.

DG Doug Nace congratulates Lion Jay W. McBride Jr. after presenting Lion Jay with a Progressive Melvin Jones. The Carlisle Lions Club presented the Progressive Melvin Jones for Lion Jay's years of dedication and service.

Mechanicsburg Helps Provide Bountiful Blessings

The Mechanicsburg club once again supported New Hope Ministries' annual Bountiful Blessings project. This meaningful program collects donated gift items so families in need can "shop" for their loved ones at no cost—helping to ensure the holiday season is bright for everyone in our community. Over the course of three days, Lions Club members sorted through bins and bags filled with donated goods.
