## LIONS CLUBS INTERNATIONAL ETHICAL STANDARDS

Ours is an association of service, and the manner in which the service is rendered is fully as important as the service itself. Our members, your fellow club officers, your District Governor, the International Board of Directors, the Executive Officers, the Administrative Officers, the International Office staff and our communities expect honest and ethical conduct from each of you every day. No act or request on the part of Lions clubs and their members, officers, board of directors or staff within our association with whom, or the community for whom, we render services can justify the breach of this guideline. Honest and ethical conduct is defined by four core values that serve as the foundation for our Ethical Standards: **Integrity** – Lions Clubs International insists on the highest standards of personal and professional integrity. We must all make every possible effort to safeguard the association's assets. We must also comply with all association policies and applicable laws. **Accountability** – Lions Clubs International expects all club officers to honor commitments as authorized and made on behalf of the association and take individual responsibility for all actions and outcomes. It has no tolerance for ethical violations. **Teamwork** – Lions Clubs International seeks to maintain a service environment that encourages innovation, creativity and positive results through teamwork. We must all practice leadership to train, inspire and promote full participation and individual development for all Lions. We encourage open and effective communication and interaction. **Excellence** – Lions Clubs International is dedicated to fair treatment, mutual respect, diversity and trust. We must challenge each other to improve our services, our processes and ourselves. We must strive together to serve our membership and communities and help the association achieve its goals.
