As PCC Humayun N. Rashid ID endorsee was not present, report on Campaign Pakistan was deferred, but when PDG Khawaja M. Farooq insisted that District Governor should at least present some report on Campaign Pakistan. On that Governor informed the house that PCC Humayun N. Rashid was present in Seattle Convention and withdrew his nomination papers, as Multiple District 305-Pakistan is lacking in its membership to qualify for the office of International Director and specially we need support from South on membership, he also informed the house that when PID Malik Khuda Bakhsh was candidate for International Director since 1999 District 305-N1 maintained the membership of 1250 plus but when District 305-N1 has put its candidate, the Districts of South are not reciprocating the same gesture for our District. We also need the support of ISAAME Countries and especially of Indian Leadership.
