To organize a new Lions club you will need

- 20 or more charter members
- A sponsoring club, zone, region, district cabinet, or district committee
- Completed charter application and report of charter members
- Your current district governor's signature on the charter application
- Appropriate fees and certification forms
- 

New charter members who join before the charter celebration or 90 days following the charter approval date (whichever occurs first) pay a charter fee of US\$30 or must submit the proper certification form waiver. Members who transfer from another club into the chartering club pay a transfer charter fee of US\$20. Transfer charter members must be transferred in good standing from the former club to qualify for transfer member status.

Following is a table that provides Lions Club International's current charter fee rate structure:

<b>Member Type</b>	<b>Charter Fee</b>	<b>International dues</b>	<b>Certification Required (LCI Form)</b>
Charter Member	US\$30	US\$39	-
Charter Transfer Member (Within one year of transfer)	US\$20	US\$39	-
Student (Between the age of legal majority and through age 30)	US\$0	US\$19.50	STU-5
Student Over Age 30 (In a campus club only)	US\$10	US\$39	STU-5
Family Member (excluding head of household)	US\$0	US\$19.50	TK-30
LEO Lion	US\$0	US\$19.50	LL-2
Young Adult (In a LEO Lions club only)	US\$0	US\$19.50	LL-2
Branch Conversion (Members of the branch only)	US\$0	US\$39	CB-21

Once the charter application is approved, the Membership Programs and New Clubs Marketing Department will forward new club supplies and charter member certificates to the first guiding Lion indicated on the charter application. The charter, a congratulatory letter from the international president, and a sponsor patch is sent to the district governor to be presented during the Charter Night celebration.

The date the charter application is approved will be the charter approval date. This date will appear on the club charter and on the official association records.
