The Brandel - Murphy Lions Youth Foundation

"To provide assistance to children in need, throughout the state of New York and the country of Bermuda, through partnerships with Lions and other organizations, by supporting programs that will improve the lives of those served."

Since its inception in 2011, The Brandel - Murphy Youth Foundation has awarded 169 Grants for a total of \$300,000. These include Humanitarian Grants of up to \$2,000 in matching funds, Emergency Grants of up to \$2,500 as well as our first "Major Grant" of \$17,000 that have helped almost 240,000 children in need.

The BMYF achieves its mission through the generous support of our donors who participate in our many fundraisers as well as the dedication of our Lion partners whose projects have been supported by one of our grants. The following describes two of our upcoming fundraising opportunities.

DISTRICT 20-E1

The **Brockport Lions** collected 714 lbs of food for the Brockport Food Shelf in February. Pictured are some of the members next to Stuff the Trailer event.

The **Brockport Lions Club** donated \$825 from their recent gas card ticket sales to the Brockport Community Clothesline. The event was even more successful due to the donation by Brad Alexander of Alexanders Gas station. Pictured are some of the Brockport Lions and members of the Brockport Community Clothesline.

The **Churchville Lions** WinterFest Barbecue in partnership with Riga Recreation was held at Churchville Elementary School in January. 650 chicken dinners were packaged and bagged in near record time with two assembly lines as LEO Club runners hustled meals out the door and into waiting cars. The Lions are grateful to the volunteers and for the generous support from the community in making the event a huge success.

The **Churchville** Medical Loan Closet had to be relocated 50 feet to make room for an upcoming project nearby. Lion President Al is seen guiding the shove move as the building is pushed into position on its new stone pad.

At the **Irondequoit Lions club's** meeting in March members were surprised by PDG Lion Irv Confino's attendance. He was in from Henderson, Nevada. Lion Irv gave a brief description of the activities of his Lions club. He has been associated with the Irondequoit Lions club for 45 years and is an associate member of our club.

Irondequoit Lions club members greeted DG Lion Judy MacKnight and Zone Chairman Dave Markham at their February meeting. DG Lion Judy talked about her project of Foodlink. The Club made a financial donation to Foodlink in her name. She handed out years of service pins to Lion Judy Smith who received her 10 year pin and Lion Tim Gertz his 35 year pin.

The **Kendall Lions** held their annual Chicken BBQ the Saturday before the Super Bowl. Proceeds from the BBQ were donated to a resident of Kendall who is battling the disease of ALS. We were supported in this event by the KCS Leos and several community members.

Kendall Lions closed out 2022 with our annual holiday party. Lions and their guests enjoyed good fun, song and laughter. Lions Bob Ryan, John Becker, and Gary Kludt led our annual auction of donated items by our members. Proceeds from this year's very successful and entertaining auction will go toward our emergency fund available to members in need in our community.

Fairport Lions - DG Judy MacKnight talked about focusing on getting more members and Lion Dave Farwell discussed the ideas our club has been doing with handouts to selected local businesses.

At the February Dinner meeting of the **Medina Lions Club** DG MacKnight inducted four new members to our club. They are Jeffery Smith, Charlene Smith, Barb Dunham, and Andrea Walton.

Macknight conducted the evening by awarding a service letter and pin to the following for their years of service: 10 years -- Julie Roman, Billy Roman, Mark Irwin, Gail Miller, and Dave Miller; 15 years -- Chris Keller, Sr.; 20 years -- Sherry Wheatly; 25 years -- Tim Moriarty and Donna Bushover; 45 years -- Lance Mark and Robert Farman.

Fairport Lion Sherry Hostetter was the host for the YWCA located in downtown Rochester. The building they use was previously similar to the YMCA (with gym and swimming pool) but a team of forward thinking ladies decided to focus on the critical issues facing women of all ages and backgrounds. Lion Dave gave the YWCA a donation.

The **Medina and Albion Lions** assisted at the Orleans Koinonia Kitchen in February. Lions from Medina were Vicki Hutchinson, Andrea Walton, and Ann McElwee, Kevin Howard, Ron Albertson, Jake, and the Albion Leos volunteered.

At the club's February dinner meeting **Webster Lions Club** President Marge Hill presented The Hope House with a \$1600 check and Webster Community Chest with a \$2000 check.

PIN TRADERS' SCHOLARSHIP

It is my pleasure to announce that the applications for the \$2500 scholarships offered by the Lions International Trading Pin Club have been reviewed and two have been forwarded for international consideration.

Noelle Natale from Brockport District 20-E1 and Mary Padavan from Seaford District 20-K2 had the applications chosen. Both are of very high quality and they should be proud of their past work. This year's actual scholarship winners will be announced at the annual meeting of the LITPC during the International Convention in Boston.

Scholarships are offered annually to graduating seniors. The application is found on the LITPC.org<<http://LITPC.org>> website and is limited to Leos or children or grandchildren of Lions Club members. Each state or country is allowed to only forward two applications for international consideration. This year four scholarships are being offered from funds donated personally by the pin trader members.

DISTRICT 20-R2

From District Governor Salome

Serving as District Governor of 20-R2 has been rewarding as well as challenging. The knowledge that I have acquired during my tenure, has prepared me to become a better problem solver. District 20-R2 is an extremely diverse district. I will continue to work smart in order to help grow membership in the district. I thank all Lions of District 20-R2 for their hard work, relentless efforts, and dedication. It has truly been a pleasure working with everyone. If we “Unify”,

We can make a big difference!

~ Salome

We conclude this lionistic year celebrating the efforts of our hard-working lions, who answered our District Governor's call to increase services, work on retention and increase membership. We performed hundreds of services around our District and finished the year in the positive with the addition of new members. Congratulations to all the lions from our District for serving our communities by working in unity and supporting each other's services.

Congratulations to the New Rochelle, The Bronx and Mount Vernon Lions Clubs on their first 100 years of service. Roar! to New York Borinquen on their 57th anniversary and Japanese American Lions Clubs, which just celebrated 44 years. Let's continue working together to make our District bigger and stronger.

ANOTHER LEO CLUB IS CHARTERED! BROOKLYN SUNSET PARK OMEGA LEO CLUB:

In February, we were honored to have our DG Ingrid Andrews-Campbell induct the founding 14 members of the club as well as install the elected officers and directors. This new addition to the Brooklyn Sunset Park Lions Club is a family affair as many of the founding members are the children of Lions and have been involved in Lionism for many years. The aspiring Leos assisted on Lions projects through the rest of the year. They will continue to support Lions' community service projects as well as identifying and planning service projects led by the Leos.

HAPPY HOLI: Photos show DG Ingrid as she celebrates the Nepali Festival of Colors, "Holi" with Queens KTM, Queens Nepalese, Queens Buddha and other Nepalese Lions in District 20-K1. Celebrants wear white then add bright colors to symbolize life and blessings.

DISTRICT 20-K1 DONATES WELCH ALLYN RETINAVUE 700 CAMERA TO QUEENS HOSPITAL CENTER:

With funding from LCIF Community Impact Grant, District 20-K1 Diabetes Committee and Central Brooklyn Lions Club, Home Club of DG/CC-E Ingrid Andrews-Campbell, this screening camera was purchased to address the global causes of Diabetes and Vision. The Welch Allyn RetinaVue Camera at Queens Hospital Center will help with early detection of diabetic retinopathy. In addition, District 20-K1 will provide an ADCES specialist trained by the MD20 LCIF Grant, who will support teenagers and young adults who are pre-diabetic, newly diagnosed, and those diagnosed but not properly managing their diabetes.

MEMBERSHIP GROWS IN WOODHAVEN, HOWARD BEACH, OZONE PARK LIONS CLUB:

At an Induction Ceremony attended by more than 150 guests, DG/CC-E Ingrid Andrews-Campbell installed the officers for LY 2023-24 and inducted 74 new Lions to offer service to this community. This club, chartered in 2020, is the largest in District 20-K1.

A HEALTHY SNACKS PROGRAM AND A "SOARING" AVIATION CENTER:

During their visit to District 20-K1, ID Dianne Pitts and her partner-in-service, PCC Joe Pitts were treated to a tour of P.S. 5, The Ronald McNair Elementary School in Brooklyn. Lion Principal Lena Gates-Scarborough escorted them accompanied by DG Ingrid Andrews-Campbell, VDG Antonio Robles and a pride of Lions. To support the school's "Healthy Snacks Program," Lion Beverly Campbell, District Diabetes Chair, offered a monetary donation to Lion Principal Gates-Scarborough.
